## Variances and Challenges

The Ministry of Kampala Capital City and Metropolitan Affairs has total approved budget of 1,192.629bn for FY 2025/2026 both GoU (wage 0.322bn, non-wage 14.536 bn and development of 15bn) and external financing (1,162.771bn) meant for GKMA urban development program. Under GoU, a total of 12.001bn (wage 0.219bn, non-wage of 7.476bn and development 4.525bn) was released by end of Q2 which is 40.9% of the total GoU annual budget out of which 32.3% of the released budget was spent (93.2% wage and 50.1% non-wage) and GoU Development 0.00%. Under external financing, a total of 1,162.771bn was approved for FY2025/2026 and by end of Q1, 580.826bn had been released representing 50% out of which only 196.095bn was spent representing 33.8% of releases spent. The biggest challenge of the vote is inadequate Legal frame work to manage GKMA, unresolved encumbrances on the ROW and utility relocation.

## Variances and Challenges

In the period under review, the total budget release was 1,060.488bn representing 171.7% % of the total budget release. This increase was as a result of additional resources the Commission received to cater for the procurement of Biometric Voter Verification Kits, Deduplication System, Inventory Management System and Electronic Results Transmission and Distribution system and cater for payment of additional adhoc election officials
Out of this 17.826bn was for wage and 660.153bn was for non-wage and 335.11bn for development.
92.9% of the total release for Wage was spent. There was variance because some positions were vacant and the Commission lost some staff due to death and retirement
Non-wage, 120 % was released, out which 77.4% was spent. There was under expenditure due to a number of reasons and this include the lengthy procurement process, revisions in the General elections' roadmap, some activities cut across quarters whereas some requisitions were still being verified before payments could be affected.
335.11bn released for development. There was no expenditure. There was a variance due to the lengthy procurement process and changes in the procurement specifications which meant some bids had to be canceled and a fresh tender advert released so to accommodate the specifications.
The main challenges the commission faced in the quarter was Lengthy procurement process causing delays in acquisition of items

Quarter 2

LOW BUDGT ABSORPTION AS AT HALF-YEAR 2025/26

The overall low budget absorption rate as at Half-Year 2025/26 of 55.8% was largely on account of unspent development budget release totaling to UGX. 21.991Billion. This was pending; submission and approval of certificates of works done for the new IG Head Office building project (UGX. 19.764 Billion), and ongoing procurements for ICT digitalization equipment (UGX. 2.026 Billion) & Office Furniture (UGX.0.2 Billion).

THE KEY CHALLENGES DURING THE REPORTING QUARTER

These included;-

1. Delay in the constitution of the New IG Leadership
2. Non-constitution of the Tribunal since the members had not yet been sworn in.
3. Ongoing procurement processes for various ICT and furniture items
4. Delays by service providers to provide the necessary invoices/documentation and/or complete the deliveries.

## Performance highlights for the Quarter

The 11th Parliament commenced business for the 5th Session on 7th June, 2025 with the delivery of the State of the Nation address and the Budget Speech by H.E the President. This was followed by designation of Members to Sectoral Committees in accordance with Rule 195(2) of the Rules of Procedure of Parliament of Uganda to enable Parliament commence business for the ensuing year.

In view of the above, the following activities were delivered during the period from July,2025 to December,2025 for FY 2025/26. Suffice to note that the performance summarized below and detailed in the report, was attained in line with the mandate and programme objectives of the legislature.

i) Three (3) Bills were passed against the six Bills presented in during the period. These Bills include The Building Control (Amendment) Bill, 2025, The Valuation Bill, 2024 and The Mortgage Refinance Institutions Bill, 2025.

ii) 551 committee meetings, which are open to the public were held against the 750 planned for the period

iv) Six ( 6 ) Committee reports were debated and adopted Report of the Committee on Government Assurances and Implementation on the status of implementation of the assurance to upgrade, rehabilitate, construct and equip health facilities in Local Governments; and install CT scans, oxygen plants and ICU equipment in all Regional Referral Hospitals’)

iii) 30 Committee oversight field visits were carried out

vi) 74 questions were responded to by the Executive to address the concerns of the citizenry.

vii) Eleven (11) Ministerial and other Statements on various sectoral issues were presented and debated in Parliament

viii) Fourty Six (46) resolutions on various motions passed.

ix) In spite of the slow progress of works on the new Chamber, The Commission achieved up to 49.6% physical progress of the project

xi) Parliament Participated in various International Commonwealth Inter-Parliamentary Conferences including PAP, EALA, and ACP-EU and the 15th East African Games

## Variances and Challenges

i) Inadequate Committee and Office Space for Members of Parliament as a result of slow progress of the Construction project of the new Chamber

ii) Delayed and/or inadequate responses from the cabinet/MDAs to the Questions and concerns raised by Members during plenary and Committee meetings.

iii) Lack of developed integrated data generation systems which caused delays in production of performance monitoring reports

IV) Low response of the public during bill consultation process

v) Inadequate ICT equipment and services to effectively and efficiently support business processing in Parliament and ease access to information by various stakeholders

vi) Lack of modern and integrated ICT tool to ease Monitoring and Evaluation processes

## Performance highlights for the Quarter

The Uganda Law Reform Commission received 46.3% (UGX 7,716,960,403) in Second Quarter of FY 2025/26, out of the approved budget of UGX 15,192,279,925. Out of the released funds, Ushs 6,054,626,335/= was spent translating into absorption rate of 78.5%.
By end of the Second Quarter, the Commission prepared and printed 150 copies of volume 11, No. 2 of the draft Uganda Living Law Journal. 2 Legislations (Index as at 31st December, 2025 and draft of Annual Volumes of the subsidiary laws) were updated and validated. 4 Compendia of; land, Commercial, Family Civil and Criminal laws were all prepared and drafts are in place awaiting validation and approval by the relevant stakeholders. As part of the gender and equity interventions, the Commission printed 100 copies of 2 simplified legislations including; a Guide to Custody and Maintenance of Children, Adoption and Guardianship of Children. These copies were distributed to the Judiciary during the National Open Court Day on 15th December 2025. Technical Issues Papers of 3 laws (Developing Legislation for Digital Assets, legislation to govern Burial and Cremation, Identification of offenders Act, Cap.127) were initiated to kick start the review process.

The Commission collected Non-Tax Revenue of Ugx 199,673,994 for the period ended Quarter 2 for the financial year started 2025/26. This was an improvement of 65% in comparison with the collections for Quarter one of FY 2025/26 which amounted to Ushs 120M. The Commission was equipped and provided with tools to implement planned activities in line with its mandate.

## Variances and Challenges

The Uganda Law Reform Commission was faced with the following Challenges;

a) The current staff structure is at 46% filled with vacancies in key positions. Consequently, they are instances of delays in finalising some of the planned activities
b) The Commission is not fully constituted since July, 2024. This has implications on the governance, management and strategic guidance of the Commission
d) The Commission faced some challenge of old fleet during the quarter. As result, they were frequent breakdowns of aging vehicles, and rising maintenance costs which amounted Ushs 154.9M. It is recommended that aging fleet be boarded off in a phased manner funds and authority to acquire new vehicles be given to the Commission.

# VOTE: 106 Uganda Human Rights Commission (UHRC)

Quarter 2

## Performance highlights for the Quarter

1. The Commission registered 59 alleged human rights complaints (39M, 20F) and provided legal advice to 737 individuals (260M, 477F) who approached the UHRC regional offices.
2. Conducted field investigations into 374 of which 221 were conclusively investigated and 153 partially investigated
3. Conducted mediation sessions resulting into 12 complaints of child maintenance resolved and MoUs signed.
4. Received a total of 384 ( 291M, 93F)calls through toll-free lines. Of these, 113 callers lodged complaints of alleged human rights violations, 140 callers followed up on reported cases while 131 callers sought and obtained information and guidance on human rights issues.
5. Conducted Tribunal hearing sessions resulting into 17 disposed off and 177 part heard.
6. Conducted a two-day capacity-building workshop for UHRC staff on complaints management, attended by 42 participants (19M, 23F). The training enhanced staff competencies in handling complaints and case management.
7. Conducted a joint press conference with key election management stakeholders including UPF, UCC, IRC, political parties, EC, and CSOs and discussed preparedness for ensuring peaceful elections. The meeting was attended by 111 participants (27F, 84M) and enhanced stakeholder coordination and public awareness on election readiness
8. Conducted consultative meetings for the 28th Annual State of Human Rights Report which were attended by 36 participants (21M and 15F). The meetings served as platforms for collecting input and information to inform the development of chapters for the Annual State of Human Rights Report.
9. Conducted twelve (12) regional dialogue meetings for key stakeholders on elections and human rights. The dialogues were attended by 810 participants (670M , 141F). As a result, participants' knowledge and understanding of human rights based electoral processes were enhanced, fostering informed stakeholder engagement and improved compliance with human rights standards during elections.

## Variances and Challenges

1. Prolonged rationalization exercise has continued to cause anxiety among members of staff
2. A lean operational structure

## Performance highlights for the Quarter

1. NPA reviewed and endorsed Twenty-Seven (27) approved local governments physical development plans (PDPs) including; 3 for Municipalities, 11 for Districts and 13 for Town Councils
2. Provided financial support to KCCA to develop detailed neighborhood physical development plans for; Port bell – Luzira, Bugolobi – Kitintale, and Ggaba – Kansanga. This will increase the total area coverage by 11.6%.
3. Produced the Annual State of Population Report and yet to be published
4. Produced the National Development Report for FY 2024/25 and yet to be published
5. Paid 30% contract sum to Roko Construction Company and to date 4% level of construction has been achieved and this includes all the preliminary activities.
6. Produced the NPA performance report for FY 2024/25
7. Certified 102/177 MDAs and 20/176 Local Government Development Plans (LGDPs).
8. Supported the preparation of Thirteen (13) Feasibility and Pre-feasibility studies for projects to guide public and private sector investment decisions
9. Monitored eleven (11) core projects under agro-industriliazation programme
10. Produced the draft Pulse of the economy report for FY 2024/25. Additionally produced the monthly economic update reports for Q2
11. Reviewed and cleared six (06) government projects for loan proposals
12. Developed a report on teenage pregnancy profiling in Uganda
13. Procured 25 laptops, Three (3) Inverters and Thirty-two (32) Batteries, Forty 40 office chairs, thirty-four (34) conference chairs, twenty-five (25) cabinets, a heavy duty safe and two (02) office tables

## Variances and Challenges

1.Limited staffing specifically under the department of Physical Planning resulting into limited man power to implement the planned outputs
2. Increasing cost of maintenance and servicing of NPA old fleet following suspension on car purchase by MDAs

## Performance highlights for the Quarter

Manufacturing

• Fabricated post-harvest handling technologies such as Grain seed cleaning and destoning equipment equipment, maize sheller and multipurpose threshing and grading machines. These technologies will improve post-harvest handling of agricultural produce. The prototypes are available.

• Training 34 MSMEs in industrial value addition which included modern welding, modern carpentry and wood work. This is aimed at improving product quality.

Private Sector Development

• 107 private sector businesses have been supported in incubation programme in bakery, cosmetic production, dairy processing.

• Trained 179 MSMEs in briquette production, yoghurt processing, juice processing, bakery. The skills acquired will enable them create more job opportunities for other community members.

Administrative and Support Services

• Provided medical insurance to 383 staff and their dependents. The package included HIV testing, counselling, treatment and sensitization on prevention measures. The scheme also provides HIV/AIDS medical camps which aims at sensitization and testing.

• Training 45 people in indigenous knowledge in arears of value addition, carpentry.

• 87 MSMEs and university students have been skilled on heavy equipment maintenance and operations.

• Paid social security for 383 employees.

Gender Mainstreaming services

• Led R&D efforts on sunscreen lotion to comat skin cancer in albino communities, successfully development 12 product prototypes.

• Trained 30 young girls from the Kigezi region, Bugwere district in the production of high quality reusable sanitary products.

Research and Development

• Analyzed 334 products for quality assurance by microbiology, chemistry and textile laboratories.

• Produced a range of dairy products for 5 in house and 2 virtual incubates disaggregated by average monthly volume as follows:

ðØ Pasteurized milk (128,558 litres)

ðØ Yoghurt (22,631 litres)

Industrial and technological Incubation

• Supported 105 incubates in Bakery, fruits.
