CORRIGENDA FOR THE BUDGET FOR FY 2022/23

In line with Section 13 of the PFMA 2015, the Annual Budget for FY 2022/23 was laid before Parliament on 31st March, 2022 and discussions are currently on going in Parliament.

In order to ensure accuracy of the Budget Estimates before Parliament, you are requested to submit any errors and/or corrections to the estimates on the Programme Budgeting System (PBS) as well as a hard copy in order to enable us prepare a Corrigenda.

The Corrigenda should be on account of the following principles:

- i) The focus should be on correction of errors unforeseen at the time of finalizing the draft Budget Estimates FY 2022/23;
- ii) The changes will not result into supplementary pressure or arrears on the items where the changes are being made;
- iii) The proposed changes must be backed by supporting documents; and
- iv) Corrigenda should not be made for cases requiring additional resources to a Vote apart from MDAs transferring funds to LGs.

The purpose of this letter therefore, is to request you to submit any Corrections for Corrigenda for FY 2022/23 not later than Friday 15th April, 2022 for consideration by the Sectoral Committees before they finalise their reports.
