THE REPUBLIC OF UGANDA

All Accounting Officers (Central Government and Local Governments)

FIRST QUARTER (JULY TO SEPTEMBER 2021) EXPENDITURE LIMITS **GOVERNMENT** OF **UGANDA** (GOU) WAGE, **NON-WAGE** RECURRENT & DEVELOPMENT AND EXTERNAL FINANCING FOR FY

- 1. This is to communicate the Expenditure Limits for GoU Wage, Non-Wage Recurrent, Development and External Financing (Central Government & Local Governments) for the period July to September 2021 as attached in Annexes 1 to 4. The operational details for the Budget for FY 2021/22 are contained in the Budget Execution Circular that has been issued separately.
- 2. The Expenditure Limits are based on the Government Annual Cash Plan adjusted to take into account projected revenue performance during the financial year 2021/22 and the supplementary to deal with the Government response to the second wave of the COVID-19 pandemic.
- 3. As a consequence of the projected shortfall in revenue of Shs 2 Trillion and the need to respond to the COVID-19 emergency through a supplementary of Shs 600 bn, budgets of MDAs have been suppressed by up to 41.2%. This also includes a freeze across the board on travel abroad and workshops & seminars. You are not expected to warrant any funds against these items during the First Quarter.
- 4. The Expenditure Limits have accorded protection to Salaries, Pension and Gratuity and these have been fully provided for based on quarterly projections and submissions received from Accounting Officers. The supplementary for COVID-19 expenditure of Shs 371.74 billion has been programmed for immediate release upon submission of the detailed allocations by each benefitting entity through the Programme Budgeting System (PBS).
- 5. In addition, the requirement of Shs 32.3 billion to meet the allowances for medical workers, interns inclusive, has been programmed in Q1, awaiting a detailed distribution by the Ministry of Health and submission on the PBS to facilitate the issuance of the supplementary. Furthermore, Shs 7.3 billion has been programmed for operationalization of the reference laboratory at Uganda Cancer Institute.

- 6. The verified arrears in the approved budget have been fully provided in line with the Government policy to stimulate aggregate demand in the economy. You are requested to ensure that <u>only</u> the verified and approved arrears specified in **Annex 1** are paid.
- 7. This release covers only the Local Governments that have submitted their budget estimates. Annex 4 shows those Local Governments that have not submitted their estimates todate. The Accounting Officers of the Local Governments in Annex 4 will take personal responsibility for the delayed submission and release of funds to their Votes. By copy of this letter, the Permanent Secretary, Ministry of Local is requested to take appropriate action against the said Accounting Officers in line with the law.
- 8. For Missions Abroad, we have provided one-half of their annual budgetary provisions adjusted for travel abroad and workshops and seminars, to minimize loss on poundage over the year and to provide for the rental obligations.
- 9. With respect to External Financing, the First Quarter allocations are based on the projected disbursements by the Development Partners. Local revenue disbursements will be handled directly by Accountant General's Office. As a result, no advance for local revenue has been provided in this circular.
- 10.It is the responsibility of the Accounting Officers to ensure timely payments are made accordingly. You should avoid any delays in making payments. In particular, payment of salaries, pension and gratuity should be effected by the 28th day of every month based on the verification you have undertaken. You are requested to submit your warrants in line with the Budget Execution Circular for Financial Year 2020/21.
- 11.I wish to reiterate that funds will only be released to Votes where the Accounting Officers, I have appointed, have submitted their acceptance letters and their Performance Contracts duly countersigned.
- 12.To facilitate approval, you should submit single separate warrants for each of the categories; Wage, Pension, Gratuity, Non-Wage Recurrent, Development and External Financing as well as Subventions (where this applies). Your submissions should reach this Ministry by Friday 9th July 2021. Approval of warrants will strictly follow the breakdown submitted and endorsed by the Accounting Officers.
- 13.Lastly, Accounting Officers should prioritise allocation of the expenditure limits to the critical activities that contribute significantly to the attainment of Vote Outcomes without accumulating arrears. Any warrants that are inconsistent with this principle will be rejected.

14. By copy of this letter, the Accountant General is requested to issue Accounting Warrants up to the levels indicated in the Expenditure Limits schedule attached in Annexes 1-3. The Local Governments, in Annex 4, will not have their budgets released unless their submissions are received before 10th July 2021.
