## Quarter3

### Summary of Cumulative Receipts, disbursements and expenditure for FY 2018/19

### **Cumulative Receipts**

Cumulative Third quarter receipt was Shs. 12.578 billion representing 63% which is below expected 75% or more. Of this Discretionary Transfers received 85% of planned budget whereas Conditional and Other Government Transfers realized 79% and 59% respectively. Locally Raised Revenue was at 53% and Donor received only 6%.

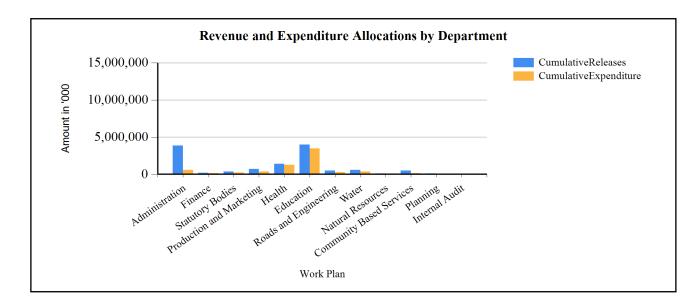

### **Cumulative Disbursement and Expenditure:**

Expenditures by departments amounted to Shs 7.008 billion which was just 57% of the total releases. Health and Education were the best spenders at 91% and 87% respectively, followed by Natural Resources at 80%. Administration had the lowest spending at 15%.

### **Unspent balance:**

Total unspent balance was UGX 5.322 billion against the released budget. Out of this UGX 271 million was unspent wage while 984.6 million was Non Wage leaving GOU Development with UGX 4.067 Billion unspent. Therefore only 5% of released wage remained unspent and 42% for non wage, while 89% of domestic funds released was not spent. All received Donor funds were spent although only 2% of expected budget was released. Education has the largest unspent balance of GOU of UGX 429.715 million followed by Community Based Services of UGX 313.478 million under UWEP and YLP.

Unspent balances were due to slow processing of funds via IFMS, delayed procurement and payment of Contractors, unforeseen cost deviations slowing down works, delayed onset of rains for production related activities and community groups inability to open and functionalize their group accounts on time.

### **Cumulative Performance for Locally Raised Revenues**

Local revenue cumulatively performed at 53% i.e out of UGX 677,600,000 a total of UGX 361.733 million was realized. This was far below average performance of 75% at third quarter primarily because only four large traditional sources were realized namely royalties (51%), Rates (60%), Agency fees (26%) and Local Service Tax (49%) of their total annual projections. Other sources still performed dismally. There is therefore need to intensify revenue mobilisation and collection to improve performance.

### **Cumulative Performance for Central Government Transfers**

Cumulative performance of Other Government transfers to the district by the end of third quarter amounted to UGX 2.792 million compared to an approved annual budget of UGX 4.697 million and this represents a 59% performance. This poor performance is attributed to low release from Q1 to Q3 for RPLRP at 22%, UWEP at 33% and YLP at 51%. NUSAF III and URF around 71% and 76% respectively. European Union, GIZ and UNPF did not release any resources to the district against what was planned together with other line ministries like Health.

#### **Cumulative Performance for Donor Funding**

Projected External Financing was planned at UGX 3.216 billion with UNICEF expected to contribute 86.9%. Cumulatively, Q3 performed poorly again with UNDP realising 15%, UNICEF 6% and GIZ 3%. This is far below the 75% performance level for Q3.
