## FY 2018/19

## Foreword

The Budget Framework Paper for 2018/19 is derived from the statutory planning functions and powers granted to Gulu Municipal Council by the Constitution of the Republic of Uganda 1995 as amended and the Local Government Act Cap 243 that establishes the planning mechanisms of Local Governments. In this respect, the Budget Framework Paper has been prepared to highlight the strategies for achieving socio-economic development objectives of Gulu Municipal Council which should be in tandem with the National Programme Priority Areas (NPPAs) as highlighted in the first budget call circular (BCC) for FY2018/2018, the 17 Sustainable Development Goals (SDGs) and other frameworks while focusing on the local priorities of the People of Gulu Municipality. Gulu Municipal Council is faced with the challenges of recovery arising from over 20 years of insurgency that has seen the largest proportion of the population displaced to live within Gulu Town and its suburbs. The implications of this displacement are enormous and it has impacted heavily on the efficient and effective delivery of services to the people, thus, creating constraints that are beyond the powers of Gulu Municipal Council to overcome. This calls for greater efforts in restoration of access to essential services such as schools, health services, water, roads, re-establishment of strong and reliable local administration services as well as creation of social order, stability and assurance so that the people are able to regain their productive capacity. This Budget Framework Paper nevertheless recognizes the high potentials that are before Gulu Municipal Council, most especially fertile soils, reliable rainfall, vigorous citizenship and strong leadership that has worked in harmony with various local, national and international partners, to whom we as Gulu Municipal Council register our heartfelt gratitude. It also environs the methodology of taking advantage of all strengths and opportunities to address any development challenges. Further to this, it is recognized that a transformational leadership at all local levels is critical to derive efforts at development, and I am happy to note that the leadership at all local levels has fared well in the past through active participatory governance. As guided by line Ministries, the Budget Framework Paper is based on multi-sectoral and participatory approaches that have brought onboard various communities, amidst the changing roles of development partners and other stakeholders. It is observed that, this year's planning and budgeting processes were initiated at an appropriate time and that enabled the preparation of the Budget Framework Paper within the stipulated time frame. I therefore, take this occasion to acknowledge the high sense of interest, commitment and co-operation extended to me as the political head in the attainment of this Budget Framework Paper. On the above grounds, I have the honor to present the 2018/19 Budget Framework Paper to the Government of Uganda, the development partners and stakeholders in the name of the people of Gulu Municipal Council. I say this "For God and my Country".

mand

Labeja George, Mayor Gulu Municipal Council.

#### Locally Raised Revenues

In FY 2017/2018, the municipality budgeted for local revenue worth hs.6,861,979,000/= and it planned to collect Shs.1,715,494,750/= in quarter one [July to September] 2017]. By the end of the quarter, the municipality was able to collect only Shs.784,502,089/= indicating 45.7 percent performance of the planned quarter. This revenue includes revenue collections from 6 Divisions and Municipal Council. Out of the total local revenue of Shs.784,502,089/= collected in quarter one, Shs.100,647,000/= came from rent and rates, Shs.91,206,000/= came from local service tax, Shs.75,256,000/= came from business license, Shs.74,018,000/= came from land fees, Shs.86,509,000 came from interest from private entity, Shs.76,213,000/= came from park fees and Shs.67,841,000/= came from local hotel tax among others. The low revenue performance is attributed to a number of sources which did not yield any revenue namely; liquor license, stamp duty, fees from appeal, ground rent and voluntary transfers. In addition, the poor performance was also attributed to the low business season and since the financial year had just started it was not the peak period of collection.

#### **Central Government Transfers**

The overall cumulative Central Government Grants (CGTs) received by Gulu Municipal Council as at 30th September 2017 was Ushs.30,209,065,708 representing 90% revenue performance of the approved Central Government Transfers for FY2017/18. These funds are distributed as follows: Discretionary Government Transfers, Conditional Government Transfers and Other Government Transfers. There was marked improvement in Other Government Transfers due to prompt releases of USMID grants and also unspent USMID grants from previous financial year. There was also improvement in Conditional Government Transfers due to salary enhancement for primary and secondary Teachers. However, the Central Government Grants released to Gulu Municipal Council were generally as planned, thus, the performances were very good.

#### **Donor Funding**

Gulu Municipal Council did not plan for any on-budget donor funding in FY2017/2018. However, the LG expects to receive funds under JICA for construction of roads in the central business town of Gulu.
