**Cumulative Performance for Locally Raised Revenues**

By end of quarter one,the Municipal council had realized a total of 117,444,000 local revenue out of a total budget of 1,931,012,000 being 6% budget performance.The best performing own source revenue sources were application fees with shs 3,363,000 out of the total budget of 5,000,000 being 67% performance,Royalties with shs 23,892,000 out of the total annual budget of shs 35,000,000 being 68% performance and refuse collection with 25% as expected by end of quarter.

However there were challenges in revenue mobilization from the following sources hotel tax, taxi and bus park,refuse collection and all other revenue sources mainly due to the fact that contracts committee had not yet awarded tenders the tenderer to collect the revenue and those that collected the out turn was little. This caused the over all under performance of local revenue collection in the quarter

**Cumulative Performance for Central Government Transfers**

---

**Vote:764 Tororo Municipal Council****Quarter1**

---

By end of quarter one quarter the municipality had realized a total of 4,958,880,011 from central government transfers. Out of the total central government transfers, discretionary government transfers were 309,863,000 that is, shs 66,611,00 were urban unconditional grant non-wage performing at 25% as expected, shs 148,282,00 was urban wage also performing at 25% as expected, shs 94,970,00 Urban Discretionary Development Equalization Grant performing at 1% and the reason for the low performance was because of USMID grants that hadn't been released by end of quarter that made the over all performance of discretionary government transfers at 4%. Conditional government transfers were 2,186,935,000 that included Sector Conditional Grant (Wage) shs, 158,831,000 being 25 %, Sector Conditional Grant (Non-Wage) 148,171,000 being 31 % performance, Sector Development Grant 30,609 being 33 % performance, General Public Service Pension Arrears (Budgeting) 603,773,000 being 100 % performance, Salary arrears (Budgeting) 45,256,000 being 100 % performance, Pension for Local Governments 77,183,000 being 25 % performance, Gratuity for Local Governments 123,113,000 being 25% performance. The over all performance of conditional grants is 33% and the reason for over performance is because of pension and gratuity arrears and salary arrears that were all remitted in quarter one

The reasons for under performance for most central government transfers is due to DDEG (USMID) that was budgeted but not by first quarter quarter for the current Financial Year.

**Cumulative Performance for Other Government Transfers**

The department expected to receive total road fund of shs 140,837,777 but by end of the quarter the funds had not yet been released and warranted and therefore nothing received and spent by end of quarter one

**Cumulative Performance for External Financing**

No Donor funds expected and received in Quarter 1 FY2019/2020

## Workplan : 12 Trade, Industry and Local Development

Outputs and Performance Indicators (Ushs Thousands)	Annual Planned Outputs	Cumulative Output Performance	% Performance	Quarterly Planned Outputs	Quarterly Output Performance
Reasons for over/under performance:	Lack of transport facility for the department to effectively help in implementation of activities Inadequate funding to the department Late induction process thus this made it hard to start off with the planned activities. However the department performed slightly below average due to the above reasons
