Locally Raised Revenues

Local revenue performance as at end of March 2020 was 529,381,000/= out of 942,267,000/= annual budget hence actual receipt performed at 56%. Local revenue performance was low because of bad weather conditions that affected crop and animal production in addition to the closure of markets due to COVID-19 pandamic. However, other remedies are being put in place in order to enforce local revenue collection.

Central Government Transfers

The Central Government transfer performance as at the end of March 2020 was; 12,733,229,000/= actual receipts performing at 80% out of the annual plan of 28,910,081,000/=most of the central Government releases were got slightly above the quarterly allocation more on development grants. Poor performance was only realised from other government transfers where funds for resilience were not realised in addition to NUSAF3 project funds.

External Financing

The donor budget performance by the end of March 2020 was 22,8294,000/= out of the planned budget of Ug Shs 570,000,000/= performing at 44%. The performance is low because most donors did not honor their financial obligation and some had closed down.

ii) Planned Revenues for FY 2020/21

Locally Raised Revenues

The Local Revenue forecast for FY 2020/21 is Ug Shs 1,002,366,000/= representing 6% increase as compared to the budget of FY 2019/20 of 942,267,000/= The increase of 6% is because areas of untapped revenue sources have been identified and clear strategies for mobilization and collection have been put in place. The Local Revenue estimate or share is 3.6% of the overall District total budget.

Central Government Transfers

The district expects to receive Ug Shs 33,175,973,000/= as central transfers for this FY. It has increased by 3% from FY 2019/20 Budget of Ug Shs 28,679,932,000) The budget increase is because of the pension and gratuity grants and other conditional grants for water, Health and Education.
