FY 2020/21

i) Revenue Performance by March FY 2019/20

Locally Raised Revenues

The cumulative receipt of locally raised revenue up to the end of Q3 ending March 2020 for the FY 2019/2020 was UGX 353,097,000 against the approved budget of UGX 1,170,478,000 representing 30% of revenue performance. However, there was poor performance in animal & crop husbandry related levies caused by animal quarantine due to disease outbreak (FMD), incomplete sourcing of lands documents from Masindi District to fully empower Kiryandongo collect revenue from lands, Business licenses, registration of birth, fees from the hospital private wing among others. There was minimal collections from land fees, and from other fees and charges, however revenues were realised from local service tax, agency fees and market/gate fees.

Central Government Transfers

A cumulative total of UGX 3,128,498,000 against the annual budget of UGX 7,859,507,000 was received for the three quarters under discretionary government transfers performing at 40% the short fall was caused by non-release of USMID_AF, a cumulative total of UGX 12,802,853,000 against the annual budget of UGX 16,481,710,000 was received for the three quarters on Conditional Government transfers performing at 78%, it performed as planned for the three quarters.

The deviation in receipts in revenue was due to the non-release of USMID_AF under district discretionary development equalisation grant which performed at 24% and the rest of the sources performed as expected.

A cumulative total of UGX 3,027,840,000 against the annual budget of UGX 18,788,628,000 was received for the three quarters on other government transfers performing at 16%.

The deviation in receipts was due the following sources which did not perform as planned and they are as follows:- Northern Uganda Social Action Fund performed at 0%, Uganda Wild Life performed at 0% because the funds have not been released from UWA, Youth Livelihood programme performed at 0% waiting for resources from MGLSD, Uganda Multi-Sectoral Food Security & Nutrition Project (UMFSNP) at 0%, Support to production extension services performed at 0%, Development Response to Displacement Impacts Project (DRDIP) performing at 20% whereas Vegetable Oil Development project performing at 22%, Infectious Disease Institute performing at 15%, however some of these were not released because the focal point persons had not fulfilled the requirements of releasing the funding to various departments.

External Financing

Cumulative donor funding receipts was shs 273,736,000 against approved budget of shs 2,892,864,000/= resulting into 09% performance coming majorly from WHO (106%), and minimal release from UNICEF (04%), UNPF (16%) and no release from UNDP.

ii) Planned Revenues for FY 2020/21

Locally Raised Revenues

In Comparison to FY 2019/2020, local revenue is anticipated to decrease by 28.996% in the FY 2020/2021. The decrease in local revenue is as a result of proper assessment of revenue sources, unpredicted closure of cattle markets due to FMD in the neighboring sub counties and districts and new rates to be charged on acquiring land titles since other files in Masindi District Local Government, prolonged drought due to the changes in the weather among others.

Central Government Transfers

Basing on the IPFs received from the MoFPED and MDAs, transfers from Central Government are anticipated to increase by 38.277% in the FY 2020/2021 as compared to this FY 2019/2020. However the increase has been caused by more funding from sector development grants, DRDIP, agricultural cluster development project among others.

External Financing

Vote :592 Kiryandongo District**FY 2020/21**

In comparison to this FY 2019/2020 and basing on commitments so far received from Donors, a decrease of 32.476% is anticipated in the FY 2020/2021. The decrease in funding is as a result of transferring funds from Donors like UNICEF across departments of Health, water, Community based services and education and WHO which will not include the unspent balances unlike this FY which included the previous balances for the FY 2018/2019.
