#### **Terms and Conditions**

Pursuant to the Public Financial Management Act of 2015, Part VII – Accounting and Audit, Section 45 (3), the Accounting Officer shall enter into an annual budget performance contract with the Permanent Secretary/Secretary to the Treasury.

The performance contract consists of two parts – Part A and Part B. Part A outlines the core performance requirements against which my performance as an Accounting Officer will be assessed, in two areas:

- 1. Budgeting, Financial Management and Accountability, which are common for all Votes; and
- 2. Achieving Results in five Priority Programmes and Projects identified for the specific Vote

I understand that Central Government Accounting Officers will communicate their 5 priorities of the vote within three months of the start of the Financial Year and the priorities for local governments will be established centrally.

Part B sets out the key results that a Vote plans to achieve in **2020/21**. These take the form of summaries of Ministerial Policy Statement (MPS) for central government AOs and budget narrative summaries for Local government AOs.

I hereby undertake, as the Accounting Officer, to achieve the performance requirements set out in Part A of this performance contract and to deliver on the outputs and activities specified in the work plan of the Vote for FY 2020/21 subject to the availability of budgeted resources set out in Part B.

I, as the Accounting Officer, shall be responsible and personally accountable to Parliament for the activities of this Vote. I shall also be personally accountable for a function or responsibility that is delegated, inclusive of all work performed on behalf of staff that I have authority and control over.

I understand that my performance will be assessed to ascertain whether I have met the requirements specified under Part A.

I also undertake to prepare and submit quarterly financial and physical performance progress reports to the Ministry of Finance, Planning and Economic Development on the outputs set out in the workplans, and to provide quarterly workplans and release requests by the specified deadlines (PFM Act of 2015, Section 16(1) and 21(3)). I understand that the Ministry of Finance, Planning and Economic Development will not disburse funds unless it has received complete submissions of the aforementioned reports.

I commit to adhering to the responsibilities laid out in the letter appointing me as an Accounting Officer from the Permanent Secretary/Secretary to the Treasury for FY 2020/21.

I will submit performance reports on or before the last working day of the first month after the close of each quarter. I understand that budgets and performance reports will be posted on the Uganda Budget Website (www.budget.go.ug) to ensure public access to budget information and that this information will also be accessible from the budget hotline (0800 229 229). In addition, I will respond, within two weeks, to any comments or feedback posted on the budget website on any issues that pertain to my Vote. I also commit to ensuring required procurement information is posted and up to date on the Government Procurement Portal (gpp.ppda.go.ug).

I understand that failure to comply with these requirements will result in my appointment as an Accounting Officer being revoked.

FY 2020/21

#### PART A: PERFORMANCE REQUIREMENTS OF ACCOUNTING OFFICERS (start on new page)

Part A outlines the core performance requirements against which my performance as an Accounting Officer will be assessed, in two areas:

- 1. Budgeting, Financial Management and Accountability, which are common for all Votes; and
- 2. Achieving Results in five Priority Programmes and Projects identified for the specific Vote

#### PERFORMANCE AREA #1: Budgeting, Financial Management and Accountability

Preamble: All Accounting Officers are expected to perform their job responsibilities in accordance with the Public Finance Management (PFM) Act 2015 and the Public Procurement and Disposal Act (PPDA) 2003 along with the Constitution and other laws that govern the Republic of Uganda.

Accounting officers will be required to perform and their performance will be assessed annually in the following areas:

- 1.1 Adherence to Budget Requirements: Adherence to key budget requirements specified by MoFPED in the various Circulars during budget preparation. For local governments, this also includes adherence to budget requirements agreed between local governments and the ministries responsible for sector conditional and unconditional grants and the Discretionary Development Equalisation Grants.
- 1.2 Complete and timely submission of budget documents: Sector Budget Framework Paper, Ministerial Policy Statement, annual workplan, detailed budget estimates, annual cashflow plan, annual recruitment plan, annual procurement plans, accounting warrants and annual procurement plans that are submitted on time in accordance with the designated due date.
- 1.3 Open and Transparent Procurement: Annual procurement plans and required information on tender prepared and posted on the PPDA procurement portal.
- 1.4 Prompt Processing of Payments: Monthly salaries, wages, invoices, certificates and pensions on time in accordance with the designated due date.
- 1.5 Implementing the Budget as Planned: Adherence to the annual budget and work plan and associated budget requirements for the financial year; adherence to the annual cash flow plan; and no new arrears incurred by the Vote.
- 1.6 Complete and timely submission of reports: Annual and half yearly accounts and quarterly performance reports prepared in accordance with the designated due date.
- 1.7 Transparency, Monitoring and Follow up: Quarterly monitoring activities undertaken by the vote and reports published; follow up actions taken and documented on the budget website; list of staff on payroll and pension recipients published on the budget website.
- 1.8 Internal and External Audit Follow up: Actions are planned and taken in response to the recommendations of the Audit Committee and Public Accounts Committee.

#### PERFORMANCE AREA #2: Achieving Results in Priority Projects and Programs

Preamble: Accounting Officers are held accountable and are expected to oversee the implementation and delivery of physical outputs of all projects and programs regardless of their stage and/or status. An Accounting Officer's performance in the planning and implementation of five priority Programmes and projects will be assessed.

Central Government Accounting Officers must identify and specify five priority programmes (recurrent) or major infrastructure projects (capital development) for their individual Votes and list them at the beginning of this Performance Contract. The top 5 projects, whether projects or programs, should be the ones that contribute significantly to the achievement of sectoral or national goals. They should be selected on the basis of their size and/or policy priority.

It is critically important for AOs to track the performance of these Projects/programmes and ensure they are managed effectively. For each priority Programme or Project, Accounting Officers will be assessed on performance in the following areas:

- 2.1 Alignment of plans with Policy: The alignment of priority Programmes and Projects workplans with vote, sectoral and national strategies (NDP).
- 2.2 Achievement of planned results: The extent to which annual key performance indicators and targets are achieved for key projects and/or programs.
- 2.3 Timely and Predictable Implementation: The consistency of actual expenditures with budgeted cash flow and procurement plans; the degree to which results are achieved within budget and without cost overruns.
- 2.4 Procurement and Project Management: Adherence to all aspects of the PPDA Act and Regulations for procurements relating to priority Programme/Project expenditure.
- 2.5 Monitoring & Follow Up: The adequacy and timeliness of information on priority Programmes and Projects in vote quarterly monitoring and evaluation reports; follow up on performance issues identified relating to the Programme/Project identified via monitoring, inspection, audit and feedback processes.

FY 2020/21

#### NOTE:

Accounting Officers' performance will be assessed annually. MoFPED will distribute compliance and assessment tools to Accounting Officers within three months of the start of the financial year. These tools will set out how Accounting Officers can comply with performance requirements and how they will be assessed.

National priorities for Local Governments will be identified centrally in consultation with the Local Government Associations, Office of the Prime Minister, National Planning Authority and Ministry of Local Government.

#### Expenditure Performance by end of March FY 2019/20

By end of quarter 3, the Vote had spent 5,675,597,000 across all the Department and Lower Local Governments. this indicated 72% expenditure against the nine months budget realized.

#### Planned Expenditures for the FY 2020/21

The vote will spend its estimated resources worth 11,924,245,000 departmentally as laid down in the expenditure part of this document (page 9-25). Out of this, 5,900,890,000 will be spent on staff wages, 3,670,189,000 for non-wage recurrent activities, 2,118,165,000 for domestic development and 235,000,000 for externally Financed activities. There are no Major changes in the resources to the work-plan of this financial year as compared to the previous despite the current IPFs falling short of the previous by 2% due to the locally collected revenues worth 1,971,000,000 that Parliament had appropriated to the vote in FY 2019/2020.

#### **Medium Term Expenditure Plans**

The medium term plans are provided for in the District Development Plan (DDP) of Kapelebyong DLG that is still under development.

#### **Challenges in Implementation**

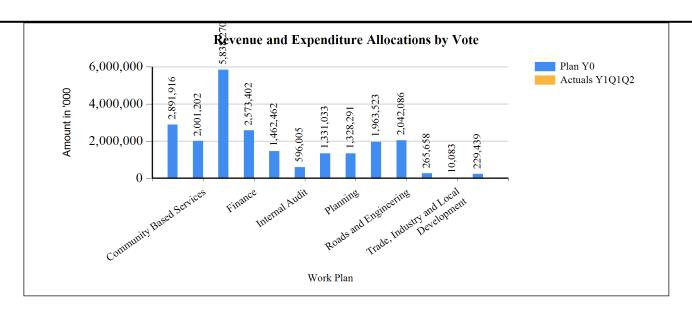

Capacity gaps resulting from a hostile environment that makes it difficult attracting qualified staff for specialized areas of need.

Hostile weather that has both wet and Dry extremes always causing havoc to the citizens across the district throughout the year.

Poor road network as the district still lacks a road unit.

FY 2020/21

#### i) Revenue Performance by March FY 2019/20

#### **Locally Raised Revenues**

By close of quarter two, the district had cumulatively collected 165,407,368 locally, this was only 8 percent of the annual Local Revenue budget. It was clearly seen that Market revenues continued to perform much better than other local revenue sources. The overall poor performance in local revenue performance against planned was attributed to over appropriation of locally collected revenues by Parliament of Uganda during planning and budgeting period. this was far for than the actual estimate of the Council.

#### **Central Government Transfers**

Overall, the vote received a total of 4,763,453,000 as central government transfers to the District. This funds were composed of; wage and non-wage further categorised as Conditional Government transfers, Discretionary Government transfers and unconditional transfers as clearly presented in the table.

#### **External Financing**

Quarter two closed with receipts worth 118,395,000, with TASO remitting; 15,875,600, UNICEF; 37,000,000, and WHO; sending 65,808,400 to the District for various activities in Education and Health Department.

#### ii) Planned Revenues for FY 2020/21

#### **Locally Raised Revenues**

In 2020/2021, The Vote forecasts to collect 452,513,000, this is far lower than the estimated amount for FY 2019/2020 that stood at 1,970,518,000 which Parliament of Uganda had appropriated for Kapepebyong DLG.

#### **Central Government Transfers**

The Vote expects to receive 10,251,969,000 from Central Government for financial year 2020/2021. This is broken down in to 2 components;

Discretionary Government Transfers that are 2,455,697,000 and Conditional Government Transfers that are expected to be 7,796,962,000. The District also expects to receive 8,000,000 from other Government Ministries/Departments to run the Primary Leaving Examinations of 2020.

#### **External Financing**

The Vote expects to receive 135,000,000 from various sources for implementation of a number of activities in Education and Health departments. the major funders will be; United Nations Children's Fund (UNICEF) that is expected to contribute 50,000,000 for Implementation of activities in Education Department, The Aids Support Organization (TASO) and Global Alliance for Vaccines and Immunization (GAVI) that will remit 120,000,000 and 65,000,000 to Health department respectively.

#### Narrative of Workplan Revenues and Expenditure

The department expects to receive a total revenue of UGX 610,025,000. This revenue is more than UGX 333,875,000 for the current F/Y. The increase is because there is an increase in IPFs from Uganda Road Fund and the department has also received IPFs for development funds under RTI this financial year. Of the total expected revenue, UGX 264,211,000 is for development activities while UGX 345,812,000 shall be spent on recurrent activities

The department plans to utilize development revenues for low-cost sealing while recurrent revenues shall be used for district and community access maintenance, payment of staff salaries, operational costs including monitoring and supervision costs.

#### Narrative of Workplan Revenues and Expenditure

The department expects to receive a total revenue of UGX 412,724,000 in F/Y 2020/2021. This expected revenue is more than UGX 263, 403,000 for F/Y 2019/2020. The increase in the expected revenue is attributed to the increase in IPFs for both recurrent and development grants. Of the expected revenue, UGX 324,657,000 is for development activities while UGX 88,067,000 is for recurrent activities.

The department plans to utilize development revenues for deep borehole drilling and rehabilitation and vehicle repair. Recurrent revenues shall be used for payment of staff salaries, training of Water user committees, monitoring and supervision activities and general office operational costs.
