# FY 2021/22

### Foreword

Section 35 of the local Government Act Cap243 which designates District councils as planning authorities for

the District and this is where the District Council mandate is derived. For the FY 2021/22 being the second year of the Development Plan III which was as fully discussed and analyzed by the statutory committees and further approved on 30th March 2021 by the District Council

The budgeting and planning process started with issuance of the 1st BCC by PS/ST-MoFPED and also during the National Budget Conference and the various Budget Consultative Workshops held in October and November 2020

Our DDPIII was developed in alignment with the National strategic direction and our Vision statement remained as "A transformed population of Buikwe District accessing improved quality of life by the year 2025

"The goal of this plan is "Sustained and Inclusive Human Capital Development, Local Economic Development for Improved Quality of Life in Buikwe District" and it will pursued under the overall theme of Sustainable Industrialization for inclusive growth, employment and sustainable wealth creation. Therefore, the Strategic direction of Buikwe District in the coming 5 years shall be driven by the following Strategic objectives;

1. Enhance value addition in key growth opportunities (agro-enterprises),

2. Strengthen the private sector capacity to drive growth and create jobs

3. Consolidate and increase the stock and quality of productive infrastructure;

4. Increase productivity, inclusiveness and wellbeing of the District Population,

5. Strengthen the role of the District and LLGs guiding and facilitating development

With that, the District conducted a bottom up planning process where all LLGs convened their budget Conferences in November 2020 following the the COVID 19 Pandemic that affected the country since March 2020 to date. On 4th November 2020, the District convened its budget conference for FY2021/22 which was attended by a cross-section of people (80M, 40F) including Women, Youths PWDs and the elderly this resulted in to formulation of the District BFP which was approved by Council in January 2021

Next FY2021/22, our projected budget is Ushs42bn indicating a 5% reduction in the resource envelop from 44 bn for the current Financial year 2020/21. This was as a result of a reduction of funding from external financing from Ushs15bn for the coming FY. Also, reduction in Conditional Government Transfer from Ushs19.4bn to 18bn resulting from Gratuity for Local Governments from Ushs2.3bn to Ushs500m

The District commits to inclusiveness in service delivery for all LLGs involving Men, Women, children, youths, people with disabilities and will put emphasis on environmental and social safeguards, COVID19, HIV/Aids among others.

Some of the Key outputs of our next Financial year plan will focus on wetland restoration which is currently at 70% and our target will be to reduce it to 60%. Improved learning environment for learners in 30 primary schools of the LLGs of Nyenga, Najja, Ssi and Ngogwe, increased uptake of the clean energy by establishment of sustainable energy solutions demonstration site equipped at the District Headquarters, Increased agricultural productivity through demonstration of good fish harvesting practices in Buikwe sc, Ngogwe sc, Ssi sc and Nkokonjeru Tc using fish sampling and harvesting nets, training of 2,400 farmers establishment of 420 demos, and supporting 29 parish based model farmers and 28800 house holds

In addition the District has received funding under DDEG-EU funding, where all the 4 Sub counties and the District have benefited, this funding will enable us sensitize on COVID 19 prevention, provide handwashing facilities in public places, health facilities, improve health facilities to be able to manage the pandemic

Therefore, I thank the embassy of Iceland for the continued support to the District and also other donors like World vision for enabling us have extensive and inclusive service deliverly in the District. I again thank the District Council, Technical staff for the great work done in preparation of this budget

For God and my Country
