### Summary of Cumulative Receipts, disbursements and expenditure for FY 2017/18

The District by end of fourth quarter of the FY 2017/18 received a cumulative sum of UGX 26,921,600,000 against a planned total budget of UGX 30,571,000 which represent performance of 89% which is below the expected 100%. The Low revenue performance was due to under realization of Locally raised revenue which was only 75%, under release of both sector conditional and unconditional grant wage and non release of other Government Transfers such as YLP, UWEP and VODP2. However, dispite the low revenue outurn, NUSAF3 and Agricultural extension grant were over release because NUSAF3 introduced a new component of their activity called Sustainable livelihood programme which received UGX1,152,000,000 outside the planned NUSAF3 allocation thereby giving the outturn of 106%.

By end of the fourth Quarter, a cumulative total sum of UGX 24,255,142,000 was distributed to the user departments implying that a balance of UGX 2,666,458,000 remained in the General fund accounts. This includes the UGX 1,152,000,000 remittance for NUSAF3, allocated LRR receipts among others.

The overall cumulative expenditure by the end of fourth Quarter of the FY 2017/18 by the user departments was UGX 20,465,154,000 against total Receipt of UGX 26,921,600,000. This unspent balance was largely attributed to unpaid vouchers to the tune of UGX 450,000 because of the system closure at the end of the Financial year, allocated fund to the tune of UGX1,152,000,000 for NUSAF 3 among others and NUDEIL program funding of UGX 1464,206,000 that could not be reported through PBS donor development under Roads and Engineering. Other unspent balances are coming from YLP, unpaid pension and gratuity and salary arrears among others.

### **Cumulative Performance for Locally Raised Revenues**

The District by the end of June 2018 realised UGX 539,683,000 as Locally Raised Revenue against planned revenue of UGX 721,533,000 representing 75% of the total Budget of Locally Raised Revenue. The deviation was mainly due to poor remittance from LLGs and generally declining revenue performance in the District.

#### **Cumulative Performance for Central Government Transfers**

N/A

#### **Cumulative Performance for Other Government Transfers**

The District by the end of June 2018 received a total sum of UGX 24,656,783,000 as Central Government Transfers against Planned revenue of UGX 28,540,038,000 representing 86% of the total Central Government transfers Budget. The deviation was due to under release of both conditional and unconditional grant wage, sector conditional grant non wage, OWEP and YLP and non release of FIEFOC and VODP. Despite the low central government outurn, Other transfers like NUSAF 3 received UGX 1,152,000,000 over and above the approved budget due to the introduction of a new component of the programme (Sustainable livelihood Programme). There was also additional release of fund under Support to the agricultural extensional services to the tune of UGX 291,284,000.

### **Cumulative Performance for Donor Funding**

The District by end of June 2018 received UGX 1,725,134,000 as donor funding against approved budget of UGX 1,128,000,000, representing 153% of the total Donor Budget.

The deviation was due to the balance from the NUDIEL Programme funding that was suspended and remained un-utilised since 2014/2015 FY, but after obtaining a letter of no objection from the funder (USAID) part of the money was spent and the balance was to be returned to BOU in the account of the Programme. Despite the high performance other donor programme remain poor in remittance including non release from SDS, UNFPA and WHO.
