#### **Cumulative Performance for Locally Raised Revenues**

The District received a total Shs 106,162,171/= as Local revenue against a budget of Shs 829,106,000/= representing only 13% local revenue performance. This poor revenue performance is because key sources like LST, LHT, Business licence, land fees, advertisement and quarry charges performed very poorly due to newly recruited staff posted to the sub counties. However appropriate training were conducted and we hope for improved performance.

#### **Cumulative Performance for Central Government Transfers**

N/A

#### **Cumulative Performance for Other Government Transfers**

In the first quarter of the FY 2017/18, the district received Ushs 2,890,786,872= as Central government transfers (CGT) against an approved annual budget of UGX 11,563,147,883= representing only 25% performance. The reason for good performance is that urban wage, salary and gratuity for political leaders, Agric extension salaries and road rehabilitation grant performed averagely at 25% only. Urban unconditional grant wage also performed poorly because staffing remained only at 54% of the approved establishment. Other grants from the center were released averagely at 25% except for NUSAF 3, YLP that performed poorly in the quarter with no remittance of UWEP fund.

In the first quarter of the FY 2017/18 the district received UGX 136,204,000= as other government transfers (OGT) against an approved annual budget of UGX 3,237,283,467= representing only 4%

performance. This is because NUSAF 3, UWEP, YLP didn't disburse project fund but only operational fund. Similarly PRELNOR only performed at 8% for unclear reasons. Receipt of Shs 71,916,000/= under URF was also recognized as OGT because it wasn't included among the central government transfer where it was budgeted for.

## **Cumulative Performance for Donor Funding**

In the first quarter of FY 2017/18, the District received a total of UGX 99,208,000= as Donor funds although not budgeted for. This funds where from UNICEF UGX 29,762,000/= for Birth registration and Shs 38,208,000/= was from UNSAID/NTD for neglected tropical disease, Shs. 31,876,000/= were received from other donors. This have been recognized as a supplementary to the budget
