### Revenue Performance in 2013/14

The overall revenue performance in the past four quarters in Adjumani District for FY2013/14 was 92% i.e out of the UGX 22,851,374,000 budgeted UGX 20,922,133,000 was received/realized. This includes; Local revenue whose performance against the planned by end of June 2014 was 97% i.e out of UGX 319,344,000 a total of UGX 310,280,000 was realized. The under performance of local revenue was from other fees and charges collection, Animal and crop Husbandry related levies etc. However, there was good revenue mobilization in disposal of assets, miscellaneous sources, Land fees, Rent and rates from other government units. Only UGX 2,911,791,000 was released against budget of UGX 2,821,264,000 making a performance of 103% under Central Government transfer to LG under Discretionary due to wage, up to UGX 11,311,118,000 was released against the budget of UGX 11,847,016 forming budget performance of 95% under Conditional government transfers by end of June 2014, while under other government transfers only UGX 4,531,422,000 was realized out of UGX 5,593,174,000 forming 81% budget performance by close of quarter four and up to UGX 1,059,174,000 was received against UGX 1,059,173,000 making budget performance of 100% of the Local Development Grant by close of quarter four. These was a good budget performance under central government transfers to Adjumani probably due to government commitment to release funds meant for service delivery to the people of Adjumani District and the country at large. The cumulative donor fund performance was quite low as only 66% of funds approved were actually released to the district by the Donors by the close of quarter four i.e only UGX 798,349,000 out of the approved budget of UGX 1,211,403,000 was realized as no funds was released under Uganda Aids Commission, Belgium Fund, and Gavi Fund. However, there was good performance by UNHCR and UNICEF to release funds to the District probably due to influx of refugees into the district and WHO and NTD also did fulfill their budget obligation.

### Planned Revenues for 2014/15

The total revenue forecast has increase from that of last FY 2013/2014 of UGX. 22,851,374,000 to UGX. 24,720,577,000 for FY 2014/2015. This increase in revenue was mainly due to increase in wage across departments and increase in Equilisation grant, Hard to reach allowance, District unconditional grant Non wage. However, the total locally generated revenue is expected to be UGX. 387,144,000 = which is arise from the previous of UGX. 319,344,000 by 21% on account of other sources of revenue being activated for next FY 2014/2015 namely, Development fee, Forest royalties, Registration of CBOs, and rent from government facilities as more refugees flock in the District. Total Donor funding also rose from UGX. 1,211,403,000 to UGX. 2,309,618,000 an increase of 109% as Donors have increased their IPFs to cater for refugee influx in the district mainly from the sources of NEGLECTED TROPICAL DISEASE, TPO/TSO, UNICEF, WHO, and UNHCR. Conditional government transfers rose from UGX 11,847,016,000 to UGX 14,257,608,000 due to wage increment across departments and the Discretionary government transfers also rose by 34% i.e. from UGX 2,821,264,000 to UGX 3,775,595,000 due to wage and to reach allowance, and District non Wage increment. while Other Government transfers reduced by 49% from UGX 5,593,174,000 to UGX 2,753,353,000 due to reduction of NUSAF II funds and Local development Grant also reduced from UGX 1,059,173,000 to UGX 1,010,381,000 forming a reduction of 5%.

### Expenditure Performance in 2013/14

Out of the funds received by Adjumani District Local Government of UGX 20,922,133,000, only UGX. 19,605,332,000 was spent by the various departments in Adjumani District by the end of Quarter four, forming 96% of funds released spent. Water and Audit department had low expenditure of 83% (643,935,00 received and spent 537,034,000) and 84% (50,406,000 received and spent 42,182,000) respectively due to the non payment of Rehabilitated/Drilled boreholes as a result of error made in IFMS and expenditure in Town council not effected by the end of quarter four. While Production department had an excellent performance of 102% as UGX 1,665,053,000 was spent against received of UGX 1,637,572,000, these performance was attributed the worth of supplies made under Restocking programm spearheaded by OPM. Key areas of Expenditure across departments among others development projects: Most expenditure were on development projects that were rolled over from the previous year but paid in this Financial year. The rolled over projects expenditure incurred on were: Four classroom block under construction in Magara Primary School, completion of drainable VIP latrine stances in Magara, Okangali, Rende, Biyaya, and Pakele Army Primary Schools and completion of staff house in Magara P/S accomplished. Mungula Junction - Zoka Road section of 5 km completed; Installation of culverts on Esia-Atura road completed; Vented drifts of Leiya, Miingwe, Odraji and Opi completed. Etc. The unspent funds across department were as result of; delayed certification of works, delayed award of contracts. Recurrent upset balance due to technical challenges of advance processing on IFMS , accumulation of salary meant for non recruited 4 in production department. Under Health it was due to Contract committee taking long to award contract beside early initiation, Contractors taking long to take off project work, un invoiced fuel LPO, LGMSDP work done but no certification was made. The rest of the Departments other than Natural resources and community services performed well as they were paying off rolled over projects and or implementing routine activities.

### Planned Expenditures for 2014/15

The planned expenditure for FY 2014-2015 was UGX. 24,720,577,000 which is an increase from 22,851,374,000= budget for FY 2013-2014 by 8%. This increase was attributed to mainly Wage increase across board. All departments IPFs were increased above that of FY 2013/14 as result of general increase in IPFs for FY 2014-2014. Generally, the funds were allocated to few new projects as outlined under every department. The highlights of the key expenditure priorities were: Construction of Itirikwa Sub County Headquarters, Continuation of the District Council Hall Extension, Stocking of Mirieyi fish pond in Ofua LLG, Procurement of 50pcs of conference chairs and 2 peaces of conference

## Challenges in Implementation

Very low staffing level in the district hampers the required level of service delivery and the existing staff is over stretched beyond their limits to deliver and even so only one HoD was substantive, meaning decision making is curtailed ultimately. It is even hard to attract staff especially in health department. The wage bill also worsened the situation by prohibiting more recruitment to fill the critical staffing positions and this adds to low service delivery that the expected. Unplanned activities from Line Ministries hinder smooth implementation of planned local governments' programmes.

### Revenue Performance up to the end of June 2013/14

#### (i) Locally Raised Revenues

The cumulative Local revenue collected accounts for 97% (310,280,000) of total amount of revenue realized by the end of Quarter four against the approved budget of 319,344,000. This was a reduction in performance from the previous quarters due to low revenue collected from Application fees, Market charges, other fees and charges, Animal and crop Husbandry related levies etc. However, there was good revenue mobilization in miscellaneous sources like forest products, Bank Interests, Hire of plants,

Recoveries from staff.

### *(ii) Central Government Transfers*

The cumulative Central Government transfer performance against the budget was 103% (UGX 2,911,791,000 received against planned of UGX 2,821,264,000) under Discretionary transfers and 95% (UGX 11,311,118,000 received against planned of UGX 11,847,016,000) under conditional government transfers and 100% (UGX 1,059,174,000 received against planned of UGX 1,059,173,000) under Local Government Grant, while under Other government Transfers up to 81% (UGX 4,531,422,000 received against planned of UGX 5,593,174,000). The central Government performance was good because of government commitment to release funds meant for service delivery to the people of Adjumani District and the country at large.

### *(iii) Donor Funding*

The cumulative donor fund performance was quite low as only 66% of funds approved was actually released to the district by the Donors i.e only 798,349,000 out of the approved budget of 1,211,403,000 was realized. There was good performance by UNCICEF and UNHCR to release funds to the District by the end of the year, these was probably due to influx of refugees into the district who need more medical attention and other non medical support. However, poor performance was registered in release of funds under Belgian Fund, UAC, and Gavi Fund

### **Planned Revenues for 2014/15**

#### *(i) Locally Raised Revenues*

The total locally generated revenue is expected to be UGX. 387,144,000 in FY 2014/2015 which was a rise from that of This FY 2013/2014 of UGX.319, 344,000. The reason for this rise in locally generated revenue was the inclusion of Forest royalties, Registration of CBOs, Development fee, Revenue from lower local governments, hire of plants, bank interests, rent from government facilities, and Miscellaneous Sources.

#### *(ii) Central Government Transfers*

Central Government transfers revenue forecast increased from Shs. 11,847,016,000 to Shs. 14,257,608,000= under Conditional Government Transfers from that of last FY 2013/2014, other government transfers planned to reduce by 49% from 5,593,174,000 to 2,753,353,000 from that of FY 2013/2014, LDG reduced by 5% from 1,059,173,000 to Shs. 1,010,381,000 in FY 2014/2015, and Budget increased by 34% from Shs. 2,821,264,000 to Shs. 3,775,595,000 = for discretionary Government transfers. The reduction in central government transfers was as a result of NUSAF 2 being drastically reduced from 4.8 billion shillings to 659,971,000/= as the allocation for the district in the five year Budget for NUSAF2 is reached while the increase in Central government transfers was as a result of increase in Wage, Equilisation Grant, Hard to reach allowance and District unconditional Grant non wage.

#### *(iii) Donor Funding*

Total Donor funding also rose from UGX. 1,211,403,000 to UGX. 2,536,496,000 = as Donors have increased their IPFs to cater for refugee influx in the district mainly from the sources of GLOBAL FUNDS, NEGLECTED TROPICAL DISEASE, TPO/TSO, UAC, UNICEF, WHO, and UNHCR.

### Planned Outputs for 2014/15

Completion of the Extension/Construction of Council Hall, construction of Itirikwa Sub-County Headquarter, preparation and submission of reports (i.e performance appraisal reports, performance agreement reports, support supervision and quarterly reports) to line ministries, coordination and monitoring implementation of development programs, staff development/training, staff recruitment, handling of staff discipline, submission of pay change reports to Ministries, submission for terminal benefits, preparation of appointments, confirmation and deployment letters, support supervision, consultations with regional and Central Government. Also planned is clearance of tax arrears to URA, relocation of the IFMS generator to a more convenient location, operationalising of Pakele Town Board and procurement of a laminating machine to produce staff identity cards.

### (iii) Details of Off-Budget Activities carried out by NGOs, Central Government, the Private Sector and Donors

None

### (iv) The three biggest challenges faced by the department in improving local government services

#### 1. Delay in procurement process.

Untimely initiation of procurement process ultimately delays service delivery.

#### 2. Understaffing especially at Sub Counties.

Vacant positions cannot be filled due to inadequate Unconditional Grant- Wage. Thus understaffing has a negative implication on the level and quality of service delivered.

#### 3. Insufficient funds for operations and maintenance.

A number of planned activities fail to be implemented as a result of insufficient funds and delays in release of funds, coupled with poor local revenue base and yet inadequate collection and enforcement exacerbate the problem.

### (iii) Details of Off-Budget Activities carried out by NGOs, Central Government, the Private Sector and Donors

Village Health Team training, Issues of Hepatitis B disease, emerging non-communicable diseases

### (iv) The three biggest challenges faced by the department in improving local government services

#### 1. Inadquate critical Staff at both District Hospital and H/C IV

Failure to attract the Critical cadres of health workers like Radiographer, Anaesthetic Officers, Dispensers, Midwives which has lead to non functionalization of the H/C IV, suspension of radiology department where patients are forced to go for private

#### 2. Inadequate staff accommodation

The Inadequate staff accommodation is cause by increased staffing levels to 75% but Only 23.6% have been accomodated yet some areas have no rental houses. Ever reducing IPF for PHC development

#### 3. Very poor soil texture (sandy) & torential rains

These causes collapse of many pit latrines in the communities and schools leading to increased diahrreal diseases especially cases dysentery and threats of epidemic prone diseases

### (iv) The three biggest challenges faced by the department in improving local government services

#### 1. Water stressed areas

Some areas have very low ground water potential and hence it is difficult to provide safe water for communities living in such areas

#### 2. Inappropriate roofing materials

Most people in the villages do not have suitable roofing materials for collecting rain water; hence it is difficult to promote Rainwater Harvesting, especially in water stresses areas

#### 3. Inactive water committees

Some water committees become inactive and hence do not collect funds for O&M, leading to breakdown of boreholes
