Revenue Performance in 2013/14

The cumulative receipt up to the end of financial year was U shs 10,875,871,000 representing only 68% budget performance as opposed to the estimated 100%. The performance has general been low because out of the estimated USMID grant of 7.2 billion, only 3.036 billion Ugandan shillings was received in the entire financial year and the estimated 132 million from UN- Habitat and other Donors was not received during the period of review. But insteady Un- habitat opted to do the planned activities themselves contrary to the earlier arrangement of allowing the council to implement the projects. Local revenue performed at 92% . Central government transfers performed at 67% budget performance and this is due to the budget cut in USMID grants from the planned 7.65 billion to only 3.036 representing 60% budget cut. The cumulative disbursement upto the end of the financial year was U shs 8,227,304,000 representing 68% of the cumulative budget so far leaving a balance of Ushs 3,338,835,000 on general fund account, USMID account, and other departmental accounts meant for capital projects representing 31% of total cumulative receipts and projects meant to benefit from these funds were at the last procurement stage of contract award and signing of contract. Hopefully works are expected to start at the beginning of the current financial year.

Planned Revenues for 2014/15

Arua Municipal council has projected to collect UGX 16,529,645,000 from all revenue sources for financial year 2014/15 representing 3% increase from approved budget for the FY 2013/14. This is basically because there has been general increase in salaries. Locally raised revenues constitute UGX 1,873,379,000 to the representing 11.3 % whereas Central Government projected at UGX 14,357,037,000 representing 88.7% of the total budget from both conditional and unconditional grants. The bulk of this revenue projections is USIMID, projected at UGX 3,658,4420,000. and other government transfer. Arua Municipal council leadership shall continue to lobby for more government programmes and offer timely and transparent accountabilities of these funds as much as possible to reduce on delays in releases.

Expenditure Performance in 2013/14

The cumulative expenditure upto the end of the financial year was U shs 7,537,036,000 representing 51% expenditure performance. The unspent bances were mainly in the departments of Works, Health and Education which are fund meant for capital developments and this is brought about by delayed procurement process as well as the low capacity of local contractors.

Planned Expenditures for 2014/15

The expenditure plans for financial year 2014/15 focusses on the following:- infrastructural development, which includes roads, drainages, street lighting, market redevelopment, sanitation programmes, beautification programmes, up grading of slums, Primary health care services, education, survey, lease and titling of council plots. Administration deparment expenditures focus on human capital development interms of staff training in short and long courses, Health expenditures shall focus on infrastructure development, Preventive and curative services, health promotions and out reach services as well as environmental health care management services. Education expenditures focus on infrastructure dev't in schools, school inspection, embracing universal primary and secondary education as well as provision of scholastic materials through UPE and USE, monitoring and supervision of school managent. Engineering expenditure shall focuss on routine and periodic road maintenance, street lighting and construction works, Natural resources expenditure shall focus on survieying, leasing and titling of land and structructure planning.

Challenges in Implementation

The major constraints in implementing future plans include:- changes in government policies and programmes, lack of commitment by of funders, geometric population growth rate that may divert resources and In adequate capacity of local political in lobbying for more resources, poor attitudes of communities towards government programmes, local politics and as well as corruption, resistance by the leadership of the neighbouring subcounties in the expansion and planning the greater Arua and delayed degazzetment proces of Arua central forest reserve (barifa) and conflicts in the neighbouring countries of DRC congo and southern Sudan.

Planned Revenues for 2014/15

(i) Locally Raised Revenues

Arua Municipal council has projected to collect UGX 1,873,379,000 from Locally raised revenues representing 12% of the total budget and these are expected to be collected from the various local revenue sources such as park fees, market gate fees, property rates and land relate fees, Animal husbandry related levies, Business licences, fines and other charges and fees which have been contracted out to private contractors. Targets have been set to division administration to ensure that all the revenues are collected and banked. Spending at source has been discouraged by the chief executive officer. Plans are underway to boost own source revenue with support from USMID in terms of Institutional capacity building grant. Massive tax education and revenue mobilization have started and shall continue through out the period. Plans are underway to conduct radio talk shows, field visits and ward to

ward revenue mobilizations. Enforcement shall be beefed by recruiting more enforcement staff and hire of police forces

(ii) Central Government Transfers

UGX 14,357,037,000 is projected from central Government transfers representing 87,999% from both conditional and non conditional grants as well as other government transfers that come from line ministries. Arua Municipal council leadership is committed to continue lobbying for more government programmes and offer timely and transparent accountabilities of these funds and as much as possible reduce delays in disbursement of funds to lower local government levels for effective service delivery.

(iii) Donor Funding

UGX 1,000,000 has been estimated as donor funding representing 0.001% of the overall budget and this is expected to come from Mayors charity. Arua Municipal council leadership shall continue to lobby for donors to finance some of its programs. So far Arua municipality is in partnership with UN- Habitat, Cities alliance and baylor uganda in implementation of programmes. A lot of projects have been worked on by these development partners.

Communicating government policy issues to council, Clearing the council tax area

(iii) Details of Off-Budget Activities carried out by NGOs, Central Government, the Private Sector and Donors

N/A

(iv) The three biggest challenges faced by the department in improving local government services

1. Ban on recruitment of staff

The council is understaffed especially in health and enforcement, where the thin staff can not effectively carry out enforcement of laws and regulations in the municipality. Leading to illegal developments and rampant road side sales.

2. Increasing day population

he planning figure used by the municipality and the line ministries is the night population of 2002, but the population the municipality serves is more than three times the night population hence putting pressure on the services provided.

3. High debt burden and tax arrears on council

This mounts pressure on council, leading to reduction in service delivery as most of the funds realized are committed to refunds and debt payments

(iv) The three biggest challenges faced by the department in improving local government services

1. Low local revenue base

Local revenue base is very narrow because of level of development. The major source of revenue are the markets which are agro based mainly by peasants who are not willing to part with a coin.

2. Rising cost of service delivery

This tends to affect budget implementation as it results into several variations in project costs.This affects the budgeting process of the council

3. Lack of central data management system on local revenue sources

Vote: 751 Arua Municipal Council

Workplan 2: Finance

This affects effective planning and budgeting process. This leads to under performance of local revenue against planned

(iv) The three biggest challenges faced by the department in improving local government services

1. High cost of adverts

The cost of running adverts relating to works, supplies and services on national media has greatly affected the department given the little resources

2. Delays in approval of procurement request by Solicitor general

This has an impact on planned project implementation where todote no contract has never been awarded.solicitor general delays with approval of procurement requests of 50 million and above

3. Low capacity of contractors

Most of the local contrators have low capacity interms human, capital and financial resources which has greatly affected the workmanship and implementation of projects

(iv) The three biggest challenges faced by the department in improving local government services

1. understaffing

The department is being under staffed to handle all the activities in the department.

2. Low local revenue performance

This department entirely depends on local revenue, hence affecting the performance of this department as there are no central government funding to this department.

3. Poor attitude of population towards urban agriculture

The community perceive agric to be a rural activity, hence they do not easily adopt to the urban farming methods, thereby affecting the performance of this department.

Stengthening disease prevention and health promotion, maternal and child health services, consolidation of infrastructure development at Oli HC IV and prevention of disease outbreaks.

(iii) Details of Off-Budget Activities carried out by NGOs, Central Government, the Private Sector and Donors

Off budget activities undertaken by NGOs Donors and Central Government are geared towards HIV/AIDS services especially for ARVs and Vaccines and coartem for malaria treatment with a possibility of investing in net distribution.

(iv) The three biggest challenges faced by the department in improving local government services

1. Rising population

Population growth results from rural to urban migration and effects of neighbouring countries of DRC and South Sudan. This bears down on the meager resources for health services delivery hence lowering quality.

2. Effect of day time population

Large day time population means large quantities of waste generated and the subsequent burden of managing the waste;

Workplan 5: Health

increase in theft and accidents.

3. Poor waste management

Lack of onwership of waste leads to pouring of solid waste on the roads and this inreases breeding grounds for disease vectors hence high burden of communicable diseases.

homes or rented houses this promotes absenteeism and late coming

2. High pupil classroom ratio

Pupil classroom ratio in the municipality is still very high standing at 147:1 as compared to the national. This leads to poor academic performance in schools as pupils lack concentration in class.

3. Inadequate sanitary facility

The pupil toilet stance in the municipality is still very high (105:1 for girls, 101:1 for boys) as opposed to the national 75:1

(iv) The three biggest challenges faced by the department in improving local government services

1. Difficulty in road opening and drainage works

Resistance from the community especially in road opening exercise has greatly affected the road sector in implementing the planned activities

2. Rigid regulation concerning uganda road fund

Vote: 751 Arua Municipal Council

Workplan 7a: Roads and Engineering

Uganda road fund act limits expenditure on upgrading roads into bitumen standards contrary to council's priorities

3. Difficulty in recruiting and maintaining a registered engineer

There are no registered engineers in the region and the council lacks capacity to attract and maintain registered engineers

Vote: 751 Arua Municipal Council

Workplan 8: Natural Resources

1. Outdated structure plan

The existing structure plan can not withstand the current level of development, and yet the cost of producing a new structure plan for the greater Arua is so high that the council can not afford

2. High rate of illegal structures

These pose a challenge in implementing the existing structure plan where people require compensation for developing their land

3. Encroachment on council property

There has been so much encroachment on council property like school lands and public open spaces.

(iv) The three biggest challenges faced by the department in improving local government services

1. High expectation of the community

This is common among the youth, PWDs and women who expect more than what the department can afford hence creating disharmony.

Vote: 751 Arua Municipal Council

2. High level of unemployment

There is high level of unemployment especially among the youth, who have become a source of insecurity.

3. Inadequate data and information

This affects planning for the community as proper planning required adequate and accurate data.

2. Poor attitude of the community towards planning meetings

Being an urban setting the community has poor attitude towards planning meetings especially where there are no allowances, this makes the technical officers think for the community at time of planning.

3. Low capacity of politicians in planning

This leads to unscientific distribution of resources as every politician struggles for his/her constituency.

Department Revenue and Expenditure Allocations Plans for 2014/15

The total work plan revenue and expenditures for 2014/15 is UGX 44,859,000 compared to UGX 28,433,000 last financial year 2013/14 representing 57% increase in indicative planning figure of the departments budget. This increment is due to increased scopes of works as a result of the implementation of force account in works which requires close on spot checks to ensure value for money.

N/A

(iv) The three biggest challenges faced by the department in improving local government services

1. Negative attitudes towards audit queries

Accountability for funds advanced are not done in time.

2. Delayed implementation of audit recommendations

There has been laxity by management in implementing audit recommendations.

3. Lack of transport for the department

Lack of transport to carry out routine audit functions in schools and health centres.
