Summary of Department Revenues and Expenditure by Source

The education department has an approved budget of 6,316,520,000 but the amount released for Q1 was 1,029,495,000 amounting to 16% of the approved budget. The releases are categorized in terms of unconditional grant wage which was 18,178,000 amounting to 26% of its total as approved while the non wage was 162,316,000 amounting to 33% of its approved total for the quarter one. The recurrent wage amount released was 849,001,000. This amount was 25% of the total amount approved for Q1 and is meant for salaries for both primary and secondary school teachers for quarter one of FY2023/2024. The expenditure was such that the salaries for both primary and secondary staff took 663,512,000 amounting to 19% of the amount earmarked for wages in Q1. The performance was minus 6% of the planned for Q1. Our non wage expenditure was 157,911,000 meaning we performed well. The deviation here was only minus 1% from the plan for Q1 of the non wage planned expenditure.

Reasons for unspent balances on the bank account

The request for inspection for Q1 delayed due to the involvement of the inspector of schools in other activities. This activity will be carried in the second quarter. The unspent monies was a result of some teachers who had cross transferred to other districts and their monthly salaries were stopped from being paid. Replacements for their vacancies are being planned before the end of this financial year.

Highlights of physical performance by end of the quarter

The main activities of the Q1 done in department were the DEO's monitoring of schools. The monitoring covered 27 primary schools and 02 secondary schools in the district. A report has already been produced on the monitoring and shared with other stakeholders in the district. We also took a district choir to the national music festivals in Hoima in August. It was our first appearance as a district given to us as an affirmative action slot for the next three years. We ended up allocating money meant for sports to cater for music festivals. Some money was also spent on buying for stationery for the department in Q1 TO enable the office run its activities well in terms of printing paper among other materials necessary for carrying our work effectively. There were also monitoring visits to the newly constructed seed secondary school in Loroo sub county where we involve other stakeholders to monitor progress on works being undertaken at the site. Those monies went for allowances for officials
