Quarter 2

Cumulative Performance for Locally Raised Revenues

As at the end of the quarter, the district had collected UGX. 219,060,000 as Locally raised revenue achieving a performance level of 36% against the annual budgeted estimate for the year. Much of the collected funds in nominal terms arise from Miscellaneous receipts/income with UGX 196,168,000 and performing at 245%. This was followed by Local Service Tax of UGX 8,753,000 (6%), Business licenses receipts of UGX 6,390,000 (13%) and Market/Gate charges with UGX 5,793,000 (4%). The overall performance of LRR is below the expected 50% target by the end of the second quarter of the fiscal year. This is perhaps attributable to some inefficiencies in revenue administration and management by the LGs.

Cumulative Performance for Central Government Transfers

The district received UGX 18,398,180,000 as a cumulative total of Central Government Transfers by the end of the quarter which was 23.6% performance against annual budgeted figure. Of this revenue UGX 2,141,127,000 was Discretionary Government Transfers (DGT) and UGX 16,037,002,000 was Conditional Government Transfers (CGT). The Discretionary transfers performed at 50% while the Conditional Government Transfers performed at 49% of the annual budgeted figures. Generally, all specific recurrent grants under DGTs category performed at 50% of the planned annual revenue while for the conditional grants only one (nonwage recurrent performed at 46%. The conditional development grants all performed at 50% of the planned annual estimate at the end of the quarter.

Cumulative Performance for Other Government Transfers

By the end of the quarter, the district had cumulatively received UGX 220,051,000 as Other Government Transfers. This amounted to 54% performance against the annual budgeted figure. The greater bulk (in nominal terms) of the funds received in this category so far is from the Uganda Road Fund which had performed at 75% followed by UNEB release for PLE examinations with 105% performance. The other funds received were for Youth Livelihood Programme (YLP).

Cumulative Performance for External Financing

By the end of the quarter the district had received nothing as External Financing and therefore the performance still stands at 0%.
