## Summary of Cumulative Receipts, disbursements and expenditure for FY 2025/26

Amuru District Local government Budgeted for Ushs. 28,759,772,000 during the Financial Year 2025/2026 and by the end of first and second quarter, Ushs. 13,729,101,000 (48%) had been realised of which Ushs. 11,772,773,000 (41%) of the funds realised were absorbed. Only Discretionary Government Transfers releases from Ministry of Finance, Planning and Economic Development performed as expected i.e. at 50%. The other remaining revenue sources from Ministry of Finance, Planning and Economic Development performed slightly below the expected 50% by the end of Q2 as follows; Conditional Government Transfers performed at 48%, Other transfers from Central Government performed at 41%. However, there was under performance registered from the two sources of Local Revenue (Ugx. 158,781,000 out of approved budget of Ugx. 604,868,000) and external financing (Ugx. 93,161,000 out of approved budget of Ugx. 340,630,000) with 26% and 27% respectively. Local Revenue performance was very low as the District did not realise any good revenue collection from sources such as; Advertisements/Bill Boards (17%), Business licenses (26%), Land Fees (5%), Local Services Tax-Payable by Individuals (7%).

In regard to expenditure, the overall absorption level stands at 41% which was fair with Finance, Statutory bodies, Health and Planning having performed best at since most funds were spent under Recurrent and Development Revenues. The District did not equally absorb all the wage due to some staff whose positions became vacant during the financial year arising from transfer of service, retirement, death and lack of a fully filled functional District Service Commission, an issue that is being addressed by way of submission to Ministry of Public Service for recruitment on replacement basis and submission of the new Chairperson to the commission.
