Quarter 3**Summary of Cumulative Receipts, disbursements and expenditure for FY 2025/26**

The district cumulatively received Ugx 29,706,251,000, and this represented 75% of the approved budget. Locally Raised Revenues cumulatively over performed at 86% and this was attributed to a supplementary budget that was received and implemented in Production and Administration Departments. Discretionary Government Transfers cumulatively performed normally at 75%. Conditional Government Transfers cumulatively performed at 76%. Other Government Transfers and External Financing cumulatively underperformed at 74% and 8%, respectively and this was due to non-realization of OGT and external finances, as planned.

The district's cumulative expenditure was Ugx 24,002,716,000 which represented 60% of the approved budget. Wage underperformed at 70% and this was because some departments had planned to recruit new staff that would consume the wage. However, this had not been done by the time this report was prepared. Non-Wage Recurrent cumulatively underperformed at 55% and this was attributed to the fact that some recurrent activities were carried forward to Quarter 4. Similarly, Domestic Development expenditure cumulatively underperformed at 35% and this was because some development activities were carried forward to Quarter 4.

Quarter 3**Cumulative Performance for Locally Raised Revenues**

The district cumulatively collected a total of Ugx 322,182,000 which represented 86% of the approved budget. Noticeable over performances were registered in Other fees (due to nomination fees collected from aspiring politicians). Additionally, over performance was also recorded in Registration fees for Documents and Businesses, Advertisements/Bill Boards, Local Services Tax-Payable By Individuals, and Business licenses. Critical under performances were registered in Agency Fees, Fees from appeals, inspection fees, land fees, and Other licenses. The aforementioned underperformances resulted from non-realization of local revenue collections from the respective sources, as planned.

Cumulative Performance for Central Government Transfers**Discretionary Government Transfers**

The district cumulatively received Ugx 3,920,919,000 which represented 75% of the approved budget. All the revenues under this category (including District Discretionary Equalisation Development Grant, District Unconditional Grant Non-Wage, District Unconditional Grant Wage, Urban Discretionary Equalisation Development Grant, and Urban Unconditional Non-Wage) performed normally at 75% cumulative.

Conditional Government Transfers

The district cumulatively received Ugx 24,902,220,000 which represented 76% of the approved budget. Both Programme Conditional Grant – Wage Recurrent and Transitional Conditional Grant – Development performed normally at 75% cumulative. However, over Performance was registered in Programme Conditional Grant -

Development (105%) and this was attributed to a supplementary budget that was received and implemented in Production department in Micro-scale irrigation sector. Programme Conditional Grant - Non Wage Recurrent performed at 73% cumulative.

Cumulative Performance for Other Government Transfers

The district cumulatively received Ugx 508,585,000 which represented 74% of the approved budget. Over performance was registered in Support to PLE (UNEB), Uganda Road Fund (URF), and Uganda Women Entrepreneurship Program (UWEP); these cumulatively performed at 100%, 95%, and 176%, respectively. Support to PLE (UNEB) over performed because these funds are sent once to support PLE activities. URF over performed because the ministry sent over and above what the department was expecting to receive in quarter 3. However, underperformance was recorded in Uganda Climate Smart Agricultural, Vegetable Oil Development Project, and GROW Project that cumulatively performed at 52%, 56%, and 0%, respectively. These under performances were attributed to non-realization of these funds, as planned.

Cumulative Performance for External Financing

The district cumulatively received Ugx 52,346,000 which represented 10% of the approved budget. Specifically, these funds were for Global Alliance for Vaccines and Immunization (GAVI).
