FOREWORD

It is with great pleasure that I present the Budget Framework Paper (BFP) for Bugiri District Local Government for the Financial Year 2023-2024. The BFP has been prepared in fulfillment of Article 190 of the Constitution of the Republic of Uganda and the Local Government Act 1997, Section 78 (1) that mandates Local Governments to formulate, approve and execute their plans and budgets, provided the budgets are balanced.

The BFP has been derived from the NDP III and the District Development Plan III in accordance with the guidelines provided. The five objectives are: i) Enhance value addition in key growth opportunities;

ii) Strengthen the private sector capacity to drive growth and create jobs;

iii) Consolidate and increase the stock and quality of productive infrastructure;

iv) Enhance the productivity and social wellbeing of the population; and

v) Strengthen the role of the state in guiding and facilitating development.

Bugiri District Council therefore; has focused the BFP for FY 2023-24 to achieving the national budget strategy by prioritizing interventions in their mandate aligned to the above priorities.

The BFP has been prepared in an all-inclusive manner and I take this opportunity to convey my sincere gratitude to all stakeholders who have participated in the process of formulating these estimates of revenue and expenditure; the technical staff in the district, NGOs, donors and other partners in development.

I wish to extend my special thanks to the Government of Uganda and the Ministry of Local Government for the support provided through UMFSNP (Uganda Multi-Sectoral Food Security and Nutrition Project) to the district which focuses on improving the livelihoods of the people of Bugiri through improvement in agriculture and nutrition in schools, not forgetting other programs like ACDP (Agriculture, Cluster Development Project) and the Parish Development Model (PDM). It is my humble prayer that the programmes continue to deliver on the same in FY 2022-23.

On the same note, I wish to express my gratitude towards the development partners especially UNICEF, RHITES-EC, GOAL, URMUDA,

MUCOBADI and World Vision among others for the support geared towards improving the quality of life of the people of Bugiri.

Special thanks are also extended to the district citizens who actively participated in identifying the district priorities for the period 2023/24 that are here presented in these budget estimates.

I wish also to thank the Central Government for the continued technical guidance and support and provision of funds towards the development of Bugiri District.

For God and My Country
