### Summary of Cumulative Receipts, disbursements and Expenditure for FY 2016/17

Council received a cumulative of 1,304,217,000/= in first quarter as grants from the Central Government and locally collected revenue. The performance of 24% mainly is due to little receipts on other Government Transfers which comprise of youth livelihood and women entrepreneurship. The funds were disbursed to the Departments leaving a total of 57,867,998/=. Out of 57,867,998/= not disbursed 4,681,702/= was on the municipal general fund, 20,696,460/= on the property rates account and 32,489,836/= on division general and operations accounts because divisions do not have departmental accounts. Council had an unspent balance totaling to 225,093,000/= with the undisbursed inclusive. This was because most capital projects had not yet kicked off because they were still under procurement. The expenditure performance is because council is still procuring materials for road works to start and the community department is still being trained and mobilising groups to benefit from the youth livelihood and women entrepreneurship programmes. It is the community groups to submit their project proposals for funding and the other funds were

Administration received a total of 111,931,000/= in Q1 with a percentage performance of 19 and 87 percent. The poor performance was because General Public Service Pension Arrears was paid and also less local revenue was given to the department at the divisions. But much more was received as local revenue at the municipal. All the funds received were spent but Pension and Gratuity for Local Governments was not paid because it was little.

*Reasons that led to the department to remain with unspent balances in section C above*

No unspent balance

The annual and quarterly receipt performance of 17 and 70 percent respectively was because the department at the divisions and at the municipal received appropriate funding. The department received a total of 60,292,000/= by end of Q1, spent 57,426,000/=. This gives an annual and quarterly expenditure performance of 17 and 67 percent respectively.

*Reasons that led to the department to remain with unspent balances in section C above*

The 2,866,000/= not spent was little and waiting for more funds to accumulate to fund more activities.

Production and Marketing department received a total of 12,065,000/= in Q1 with a performance of 17 and 78 percent. The performance was because of no transfer of local revenue to department both at the municipal and divisions. Also the recruitment of a PCO planned on the Urban Unconditional Grant (Wage) is not yet done. Funds received were spent apart from the Sector Conditional Grant (Non-Wage) giving an expenditure performance of 13 and 58 percent.

*Reasons that led to the department to remain with unspent balances in section C above*

The unspent funds of 3,053,000/= was because it was received late. It remained on the general fund account by end of Q1.

Education department received a total of 543,048,000/= in Q1. Sector Conditional Grant (Non-Wage) over performed because more was received as USE and UPE. Urban wage over performed because of a transfer on a promotion basis. Little local revenue and more Urban Non-Wage was transferred to the department. Most of the funds received were spent apart from the development grant.

*Reasons that led to the department to remain with unspent balances in section C above*

The unspent balance of 21,057,000/= was because the projects were still under procurement. But the money reached the account in Q2.

Natural Resources department received a total of 7,250,000/= in Q1 with a receipt performance of 18 and 71 percent. The poor performance was mainly because no local revenue was transferred to the department both at the municipal and division level. All the money received was spent apart from the Sector Conditional Grant (Non-Wage).

*Reasons that led to the department to remain with unspent balances in section C above*

The unspent balance of 13,000/= was awaiting transferring of more funds to be utilised. It remained on the general fund account.
