**Summary of Cumulative Receipts, disbursements and expenditure for FY 2022/23**

During the quarter under review and cumulatively the local government received shs 10,714,735,000 which represents 23% of the approved budget. Conditional government transfers performed at 25% and this was because it constitutes more of sector wages including the enhanced scientist component.

Discretionary transfers and others performed below expectation and this was because; DDEG as a component was at 0% because of the Ministry of Finance not releasing all development grant during the first quarter. Locally raised revenue performed poorly because of the delays by contracts committee to award contract for the revenue collector and this was caused by political interference in awarding of contract. Other government transfers performed at 4% because apart from ACDP which released funds for the projects, all others did not send funds and did not communicate. For UNEB this quarter was not for the implementation of intended activities. External financing performed at 6% cumulatively because apart from UNICEF, other partners did not send funds during the quarter and without any official communication.

The district transferred shs 10,681,969,000 living shs 32,469,000 not warranted to departments.

Of the funds received, the district spent shs 8,888,852,000 representing 83% of the receipts and 19% of the approved budget. Of the Total spent, shs 6,838,780,000 was for wages, 2,036,602,000 was for recurrent nonwage, shs 13,470,000 was for external financing and no money was spent on domestic development.

The unspent balance of shs 1,825,586,000 of nonwage recurrent was funds for pension and gratuity of which files had been sent to the ministry of Public service for verification awaiting clearance.

The poor Local revenue collection was because of the delays by the contracts committee to award contracts for the revenue collector's cause by political involvement in awarding of tenders.

District DDEG and Urban both performed at 0% and this was because of the Ministry of Finance not releasing development grants in the first quarter of the FY. District and urban nonwage recurrent both did not yield much as planned and this was as designed by ministry of Finance to release on 12% of the recurrent funds. On the centrally however, the district and urban wage both performed at 29% above planned and this was because of the enhancement of salaries for the scientist during they FY after approval of the budget.

**Cumulative Performance for Other Government Transfers**

Other government transfers performed at 4% because apart from ACDP which released funds for the projects, all others did not send funds and did not communicate. For UNEB this quarter was not for the implementation of intended activities.

**Cumulative Performance for External Financing**

External financing performed at 6% cumulatively because apart from UNICEF, other partners did not send funds during the quarter and without any official communication.

**SECTION B : Summary by Department**

The department realized 28% of the approved budget. This was generally above the expected 25% and because of the additional funds for pension and gratuity released by the Ministry of Finance. Urban wage, district wage and unconditional grant nonwage performed nearly as planned. On the contrary, Locally raised revenue and multi-sectoral transfers to LLGs recurrent all performed at 0% and this was because for LRR all the collected funds had not been allocated to departments and for LLGs, they preferred allocating their funds under the Finance department. DDEG and LLG Development are both at 0% because the Ministry of Finance did not release development grants in the first quarter of the FY. Of the funds received, the department spent shs 1,448,922,000 representing 17% of the approved departmental budget and 61% of the quarterly receipts.

**Reasons for unspent balances on the bank account**

The unspent balance of shs 939,465,000 of which shs 23,164,000 was for wages was for PAYE deduction for the October month not yet paid because of IFMS challenges. . shs 916,301,000 was for gratuity for retired staff whose files had been forwarded to the Ministry of Public service for verification

The department cumulatively realized 18% of the approved budget. as opposed to the expected 25%. district wage performed as planned at 25%. However, on the contrary, other sources performed poorly because;

1, for LRR was because all the collected revenue was not distributed to departments. for unconditional grant nonwage wage because the Ministry of Finance released only 12% of the recurrent funds and this also affected the allocations of the lower local governments to departments finance inclusive. The department spent shs 36,262,000 leaving unspent balance of shs 38,619,000 of which shs 31,602,000 was under multisectoral transfers.
