### Summary of Cumulative Receipts, disbursements and Expenditure for FY 2014/15

The second quarter of the FY 2014/15 (October to December) saw a fair performance Council had collected UGX 8,064,530,000(35%). The expected proportion of estimate of local revenue by the end of December 2014 was UGX 4,034,244,554 however UGX 2,815,356,211 was realized giving us a short fall of UGX 1,221,225,554 thus 35% performance. This performance is attributed to the unspent balance from the previous FY of UGX 750,000,000. The revenue centres that performed poorly include Education/Instructional related levies which is normally received in 4th quarter when students are registering for UCE and UACE, Property Related Duties/Fees, Educational/Instruction related levies Public Health Licenecs, Fees from appeals, and Royalties where no money had been collected at all, then Advertisements/Billboards, Application fees, property rates, and rent and rates from Government and private entities where collections were less

than 15%.

Government receipts by the end of the quarter were expected to be UGX 7,359,252,500 however UGX 5,067,174,000 was actually received (cumulative performance). The notable fair performance in Government receipts is attributed to failure to receive USMID grant worth UGX 2,292,078,318 thus affecting Government performance.

As noted earlier Council had collected UGX 8,064,530,000 (35%) by the end of second quarter of the amount collected i.e. UGX 6,859,076,000 had been spent by the end of Quarter two representing only 29% of the budget performance. The expenditure allocations were as follows Education had spent UGX 2,464,066,000, Health with UGX 772,261,000 Administration with UGX 1,399,675,000 the rest of the departments shared the remaining percentage. Failure to utilize all amounts disbursed is because funds for capital development were for all still on department accounts while Council outsources for service providers and contractors where necessary.

There is a notable poor performance in Roads and Engineering (19%), this is attributed to Council's failure to receive USMID Grant worth UGX 2,215,407,500 thus affecting Roads and Engineering sector performance.

It should also be noted that the good performance in Community department is attributed to receiving all the anticipated TSUPU Grant at ago i.e. 100% release thus the 52% performance in the release to the department.

### (i) Cumulative Performance for Locally Raised Revenues

Generally most of the tenderers had not paid by the end of December 2014. Collections from Jinja Central Market had not started because the contractor for its construction has not handed it over to Council. Property rates from Uganda Land Commission are likely not to be received due to under provision in the National Budget of FY 2014/15.

### (ii) Cumulative Performance for Central Government Transfers

Government receipts by the end of the quarter were UGX 5,034,029,000. The notable good performance in other Government receipts 54% is attributed to Council receiving all the anticipated TSUPU Grant for the Financial Year. It should also be noted that the USMID grant worth UGX 2,215,407,500 was not received during the quarter under review as Government transfers. It should also be noted that most of medical workers received their allowances during the quarter under review thus more payment this also happened to science teachers for both Secondary and Tertiary institutions.

### (iii) Cumulative Performance for Donor Funding

By the end of second quarter FY 2014/15 Council had received a cumulative amount of UGX 182,000,000 from BIDCO and the whole amount was tagged on bursaries. Quarter 2 only UGX 62,000,000 was disbursed to Council accounts from BIDCO

During the quarter under review Health department was allocated a total of UGX 408,238,0000 as seen above.

However it should also be noted that PHC Salaries were below by 15% because all medical workers did not receive their allowances during the quarter under review thus less payment. The poor performance in other areas is due to poor local revenue performance by council.

**li) The major expenditure allocations for the departments**

This comprised of UGX 242,622,000 as Conditional Grant to PHC Salaries for wage, UGX 12,290,000 as Conditional Grant to PHC- Non wage, UGX 8,649,000 as Urban Non-wage, UGX 10,427,000 Local Revenue for non-wage recurrent activities and UGX 15,830,000 as Conditional Grant to PHC - Development bringing the total Head office sector revenues for Quarter 2 to UGX 281,692,000 while that for the Multi-Sectoral Transfers to LLGs is UGX 380,849,000 for both capital and recurrent expenditure.

*Reasons that led to the department to remain with unspent balances in section C above*

Retention, Pending payments to be cleared by the bank and committed funds for on-going projects i.e. Clinic in Masese III.

**Ii) The major expenditure allocations for the departments**

The major expenditures in the department is Salaries UGX 19,380,000 which is beyond by 30% this is attributed to the increment which cuts across for all staff.

The poor performance in the department is attributed to many reasons but most importantly failure Uganda Land Commission to pay Council as property rates and after realizing the Council equipment would wear out thus a ban on hiring equipment lastly poor local revenue performance affected the department's performance.

*Reasons that led to the department to remain with unspent balances in section C above*
