Revenue Performance in 2013/14

The overall revenue performance upto march stood at 78%. The discrepancies of 2% arose as a result of poor donor performance where USAID funded programmes were cut by 60% funding and the low Local Revenue performance was attributable to under performance in Atutur market (a revenue collection point) which was outcompeted by an already established market in a neighbouring district that is Bukedea Market and both are operating in the same day of the week

Planned Revenues for 2014/15

The overall District total revenue for FY2014/15 totals to Ushs 23,299,522,000 and has steadily increased from last financial year (Ushs 20,074,662) The district has budgeted Local revenue at - Ushs.295,640,000 . The major sources of local revenue expected is from market/gate charges, Agency fees, property related duties, sale of produced government properties and from Land fees. The Central Government Transfers have steadily increased from 19,058,817 in the last financial year to shs shs 19,560,415 : The decrement has been attributed to NUSAF II funding which has drastically reduced as district IPF has been utilised effectively ETC. The district also receives budget support from Donors totalling to - Ushs1,299,454 . These include; SDS-OVC - Ushs 68,578,000,000; SUNRISE DANIDA Ushs ; Baylor -OVC 108,000,000 Germany (GTZ/PCY) - 31,5 00,000, Goba Fund Ushs 102,000,000, BVLV Ush 181,705,000, AHIS 20,000,000, PREFPA ,SDS-Health 25,056,000, SDS-Planning unit-6,856,000 and BAYLOR-Health Ush 308,870,000 and SDS Admin 70,938,000. Most of the funds always received fall below average mostly because of disparities in the budgeting and planning cycles and delayed accountability for remitted funds as a condition to access next releases

Expenditure Performance in 2013/14

The overall expenditure performance stood at shs 15,683,251,000 as at March against a budget of shs 20,074,662,000. There was low absorption as a result of NUSAFIII funds that the communities have not absorbed since their trainings are still going on before they actually utilise the funds. Secondly most of the contractors have not accomplished their works and this therefore implied that funds are still on operational accounts. Generally these funds were utilised on the PPAs areas of which Education, Health, production and works took a lead in spending these funds.

Planned Expenditures for 2014/15

The major focus is on infrastructure development and functionality of the existing facilities. For example construction of 8 new classrooms under SFG, 156 desks under SFG normal procured, two 10 stance latrines under SFG normal constructed etc, under Works and technical services: 198m routinely maintained, 10 km rehabilitated, 12km periodically maintained, 18km constructed and one bridge constructed. Food security and pest control interventions are key priorities in the production sub sector and interventions include 200 tsetse traps procured, 30 farmers trained on apiculture pests and disease control, an apiculture and live bait demos under Entomology established, 4 citrus and 4 mango mother gardens established, 310 in post harvest handling trained, 10,000 livestock vaccinated against notifiable/communicable diseases, a community fish hatchery functionalised in Atutur.

Challenges in Implementation

The challenge faced by the district in resource mobilisation is to improve attitude of the populace on tax payment and this poor attitude has led to poor local revenue collection. This has also deterred the implementation levels of the projects. The other challenge is the low capacity of the local contractors where most of them do not have both technical and financial capacity. This has led to huge sums of money being unspent at the end of financial year. Poor accountability has also led to irregular flow of the funds specifically from Donors since timely accountability triggers release of funds to the district. The district is also faced with a challenge of critical shortage of human resources. The critical positions of the district have not been filled and this also affected the implementation and supervision of the projects for example District Engineer, Senior Engineer, District Natural Resources Officer, District Community Development Officer, Principal Personnel Officer, Sub county Chiefs(2), District Production Coordinator, Senior Procurement Officer, etc Details are in the recruitment plan for FY2013/14. These vacant positions are critical for improved service delivery and therefore more resources should be allocated to fill them. The district is also faced with limited Local revenue base to supplement the conditional grants from the centre as major revenue sources i.e market rent was not adequately realised. There is also community fatigue and their participation to participatory planning and budgeting is limited hence delay in project design and implementation. Erratic weather conditions which result into prolonged droughts. The district also is faced with challenges in the procurement process where the process of vetting and approving Members whose contract have expired take long by the Ministry of public service and Ministry Finance. The department of Works is not adequately staffed and even the few who are there are overwhelmed with work to produce B.O.Qs and certificates for construction works and this will bog down implementation levels. Also Technical Evaluation Committee is not well facilitated to kick start procurement process.

Revenue Performance up to the end of June 2013/14

(i) Locally Raised Revenues

The district so far has realised a cumulative local revenue of shs 146,075,000 and translates to 72% performance. The low Local Revenue performance was attributable to under performance in Atutur market (a revenue collection point) which was outcompeted by an already established market in a neighbouring district that is Bukedea Market and both are operating in the same day of the week. However, the attitude towards local revenue payment is still very poor as evidenced by low achieved targets for inspection fees,

Department Revenue and Expenditure Allocations Plans for 2014/15

For the Financial Year 2014/2015, the department had a budget of decrease of budget allocation by 46% from previous year and the reduction was due to the reduction in NUSAF2 Indicative Planning Figure from 2,204,912,000/= to Ushs 500,000,000. The department therefore plans to rehabilitate one staff house, Procure one vehicle and under NUSAFII the implementation of various HISP, CIR sub projects.

Planned Outputs for 2014/15

Most activities planned for implementation in 2014/2015 are recurrent activities rolled from the workplan of F/Y 2013/2014. The outputs mainly include; Key stakeholders sensitised on Local revenue importance, Property owners sensitised on property tax, local revenue collection materials procured, LLGs mentored on local revenue collections and general record & book keeping, monitoring and evaluation of LLGs on local revenue collection, LST collected from institutions within the LLGs and general office operations for the department.

(iii) Details of Off-Budget Activities carried out by NGOs, Central Government, the Private Sector and Donors

Not applicable

(iv) The three biggest challenges faced by the department in improving local government services

1. Improving attitude on tax payment.

The local population has low attitude towards tax payment contributing to poor exploitation of taxable local revenue sources, with a resultant low local revenue collection. Inadequate resources deter LREP implementation.

2. Improve transparency and physical accountability at grass root level.

Transparency and financial accountability is imperative in handling of public funds. Lack of it destroys confidence of the public, especially tax payers.

3. Reducing the default rate.

High default rate are experienced because the bidding companies tend to bid highly or quote unrealistic prices to win, but later fail to fulfil their commitment.

Political oversight by Council and Standing Committees. DSC carries out recruitment. 5 meetings from Contracts Committees in Procurement services.

(iii) Details of Off-Budget Activities carried out by NGOs, Central Government, the Private Sector and Donors

No off -Budget assurance from Partners.

(iv) The three biggest challenges faced by the department in improving local government services

1. Dwindling Local Revenue Performance.

Council Operations are funded by 20% of the local revenue . However local revenue performance has been poor.

2. Increase in costs.

Increase in costs makes running of the adverts for the DSC very expensive.

3. Shortage of funds.

Shortage of funds makes calling of meetings and submissions delay.

Planned Outputs for 2014/15

Provision of the Minimum Health care package (increased deliveries in health facilities, Immunization coverage, latrine coverage, antenatal care). Functionalising comprehensive VHTs strategy that leads to increased care seeking behaviour, reduced morbidity and mortality, increased uptake of FP and RH services including PMTCT. Capital investments include Construction of 2 maternity units, rehabilitation of staff house, renovation of district health office, procurement of medical equipment and engraving of medical equipment

(iii) Details of Off-Budget Activities carried out by NGOs, Central Government, the Private Sector and Donors

Improving the well being of children 0-8 years through IGAs, strengthening VSLA, operationalization of refrall from Tisai by boat, VHTs transport facilitation by provision of bicycles.

(iv) The three biggest challenges faced by the department in improving local government services

1. Low staffing

Hospital and HC IIS are still under staffed.

2. inadequate staff accommodation

Most staff especially in the rural health centers lack accommodation in addition to lack of houses for rent in these rural areas

3. Low uptake health services such as Immunization, FP, RH, SMC

Negative forces in the community decampaigning key services such as FP, Immunization and SMC

Department Revenue and Expenditure Allocations Plans for 2014/15

The Sector budget have increased from shs 1, 721,922,000 in the FY2013/14 to shs 1,978,607,000 in this financial year. The increment have been realised under wage component as result promotion of some staff and planned recruitment. Some Partners are still funding the sector e.g DANIDA and the department still focusses on routine maintenance of roads, rehabilitation of the roads and construction.

(iv) The three biggest challenges faced by the department in improving local government services

1. Under Staffing in Engineering department

Staffing gaps results to inefficiency hence poor service delivery

2. Delay in hiring road equipment for Force Account operations

With the delay in equipping the Zonal Base at Soroti, Periodic road maintenance and Road Rehabilitation activities are hampered.

3. High breakdown rate of the new road equipment

The new road equipment is weak and yet cost of spares from the sole supplier is higher since they enjoy monopoly.

Department Revenue and Expenditure Allocations Plans for 2014/15

The Natural Resources Department total planned revenue is amounting to UGX 147,037/- in the FY 2014/15 and this translates an increment of 1% from last financial year. This increment arose from the wage component where some recruitments have been planned and one staff was as well recruited in the sector.. The department also received additional funds under PRDP programme to complement PAF funds. The main focus is on climatic change awareness and demarcation of wetlands

Planned Outputs for 2014/15

The Department has planned to pay the wages of the staff for the 12 months using the wage allocation. The Unconditional grant will be used to meet footage and welfare of the staff, the Natural resources office operational costs. The local revenue will be used to facilitate Environment and Forestry Regulation compliance monitoring and supervision field visits. The Wetlands conditional grant will be used for conducting wetlands compliance monitoring and supervision visits, conducting mass/community sensitization on wise wetlands use principles and meeting other Wetlands office operational costs. The PRDP-Natural Resources funds will be used to cater for training of district and sub county leadership on Climate Change Adaptation and Disaster Response measures.

(iii) Details of Off-Budget Activities carried out by NGOs, Central Government, the Private Sector and Donors

The Department has off-budget activities to be implemented under support from the Japan International Cooperation Agency (JICA) and Ministry of Water and Environment for Wetland Management under the National Wetlands Management Project in Uganda; this is directly funded and managed by JICA. The Department also an off-budget activity of restoration of Akadot Wetland system that is directly being funded by the National Environment Authority.

(iv) The three biggest challenges faced by the department in improving local government services

1. Under staffing

The Department has few substantially filled up posts with only 4 staff in place compared to the approved ceiling of 18 staff. This is creating a gap most especially when it comes to handling issues of Environment & Natural Resources at Sub County levels

2. Inadequate funding

Vote: 529 Kumi District

Workplan 8: Natural Resources

The Department is inadequately and the least funded in the District. Some Sectors such as Forestry, Environment and Meteorology have no conditional allocation from the centre which leaves them dependant on the meagre local revenue.

3. Low Compliance to Environment & Natural Resources Laws

There is generally low compliance to Environment & Natural Resources laws due to ignorance of the population, overpopulation and poverty which are push factors to environmental abuse and degradation.

Department Revenue and Expenditure Allocations Plans for 2014/15

The Department expects to get funding of shs 643, 988,000 and has increased from shs 440,549,000 in the financial year FY2013/14 to shs 643,988,00 in the FY2014/15. This increase is because the budget includes unspent balances (5,900,000) and a rise from the Donor budget(OVC) from 44,000,000/- to 64,000,000/- given by the SUNRISE project. The major sources of revenues to the department will include; Local Revenues-4,827,000, Un Conditional Grant non wage-8,216,000, Grants for PWD- 19,579,000, Conditional grant for Women, Youth and PWD 9,378, Wage 80,505, FAL 10,281, CDD grant-85,505,000, OVC grant SDS-102,000,000, PCY grant- 31,500,000 and Baylor OVC 108,000,000. These funds are meant to facilitate program implementation in the various departments. The CDD grant is meant to support community groups, while the PWD grant is meant to facilitate PWD groups in IGAs. The OVC grant is meant to support Child protection activities in the district including Juvenile Justice and promotion of general wellbeing of OVC and their households. PCY grant will support youth activities in the district

Workplan 9: Community Based Services

Training of Para Social Workers at the sub-county level will be handled by the SUNRISE project through the TSO-FOCREV-War Child

(iv) The three biggest challenges faced by the department in improving local government services

1. Man Power gaps

The district staffing is Low with the headquarters currently having only two people out of approved total staffing of 6 people as provided for by the structure.

2. Coordination

There are a number of service providers operating at the sub-county levels who do not report to the relevant Administration units. This is mainly a capacity gap at the sub-county to coordinate programs operating in their localities

3. Resource Gaps

This is mainly as a result of failure of some donors to remit funds as per approved workplans. This affects implementation of planned activities.

Department Revenue and Expenditure Allocations Plans for 2014/15

The Department had budgeted for Ushs 296,258,000 but so far it has realised Shs 74,011,000 translating to receipt performance of 25% and this implies that all quarterly planned revenues were remitted to the department. On the expenditure performance, the department only utilised Ushs 55,837,000 Of the released funds translating to 75% performance. However, the under performance in utilisation was that the procurement process have not been concluded to effect the implementation of development projects.

(iii) Details of Off-Budget Activities carried out by NGOs, Central Government, the Private Sector and Donors

The SDS under support from USAID is facilitating the department to Coordinate all interventions under the USAID in the district most especially in coordinating integrated meetings, review meetings, development of action plans, etc

(iv) The three biggest challenges faced by the department in improving local government services

1. Lack of Transport

The department has the mandatory role to give technical support to the LLGs and also track the implementation of development projects but this has been hampered by lack of the transport to facilitate the process

2. Limited skills in planning, budgeting processes and data management

This has been evidenced during internal assessment reports and there has been a problem in linking the plans with budgets at sub county levels. The quality of both reports and minutes is very wanting and evidence based planning is still a very big gap

3. Limited Staff

There has been staff shortage at all levels given increasing tasks under various programmes for example NUSAF, CDD, SDS-USAID. This has brought about staff and community fatigue

(iv) The three biggest challenges faced by the department in improving local government services

1. Thin staffff

The department is under staffed to meet its nadatory obligations to audit all instituitons and have reorted to sampling

2. Lack of transport

The department do not have a vehicle to facitlitate field activities

3. No compliancy from the auditees

These take long to respond to issues raied hence making delays in report production and submission to releavnt authorities
