Summary of Cumulative Receipts, disbursements and Expenditure for FY 2014/15

During the financial year the District received 95 percent (30.534 Billion) of the expected 32.112 Billion; which is less than total expected estimate for the financial year. Shortfalls were mainly in conditional grant, donor funding local revenue.

Shortfalls in conditional transfers were mainly as a result of government suspension of NAADS grant to the District

Throughout the year UNICEF releases continued to be less than expected, it is not clear why this has happened, however, it may be as a result of program wind up and the fact that a new program is being designed. In addition some projects in water were paid directly at UNICEF headquarters without transferring the money to the District. Local revenue collection continued being below the expected amount and three major challenges have been singled out as probable reason for

Vote: 513 Kabarole District

2014/15 Quarter 4

Summary: Overview of Revenues and Expenditures

underperformance. These challenges are:

(i)The District and all LLGs have continuously failed to implement the Revenue Enhancement Plan which was thought to help in raising local revenue.

(ii)Failure by LLGs to collect local revenue in addition to town councils taking up markets which were a big source of local revenue.

(iii)Lack of Parish Chiefs in most Parishes

It is hoped that during next financial year the district will put modalities to address the three concerns. For example recruitment of all parish chiefs is going on.

At the end of the year 30.531 Billion, was transferred to respective departments leaving a balance of 3 million which had been deposited on account from sub counties at the end of June.

Despite delays in procurement and other implementation issues such as heavy rains, difficult contractors and inaccessibility of some construction sites departments managed to utilize all the funds by the end of the year. One of the major reasons that led to this good performance is the multisectoral approach in implementation of projects that has come up as a result of team work in the District where both the political executive committee and the district technical people work very closely and in most cases have joint meetings.

(i) Cumulative Performance for Locally Raised Revenues

By the end of fourth quarter The district had received only 713 Million out of the expected 1.286 Billion. The biggest challenge in collection of revenue was failure by the District to implement the local revenue enhancement plan and failure by LLG government to collect all the revenue. In addition the District had planned to get revenue from billboards but due to failure by finance department to follow up with private business and owners of the billboards this tax was not collected. Furthermore revenue was expected for telephone telecommunication masks in the District but the district was later on advised by MoLG not to collect this tax. Also the expected pozolana taxation has continued to have challenges because of the infighting by transporting companies. Last but not least the 2% development tax has started getting resistance from contractors that it is illegal. A case in point is the contractor for the District headquarters who has applied for a refund. All these and the fact that the District has six town councils have continuously made collection of taxes difficult.

Despite the challenges local service tax which is deducted from salaries has performed above average. Market gate charges because of the aggressiveness of procurement unit and LLG leadership regarding market administration has also performed well. In addition application fees receipts were higher than expected. It might be possible that these sources were underestimated.

(ii) Cumulative Performance for Central Government Transfers

By the end of fourth quarter 100% and 97% of discretionary government transfers and conditional transfers respectively had been received. Other transfers from central government were much higher than expected because of the additional funds for Kijura town council. Despite the high figures the district never received planned NAADS funds which had earlier on been planned. Also CAIIP funds were not remitted to the District.

(iii) Cumulative Performance for Donor Funding

Donor funding continued to perform below the expected. Apart from UNICEF which has reduced its funding due to the winding up of the program the District is not fully aware why the other donors have not funded 100 percent. However the District is optimistic that during next financial year most of the donors including UNICEF will meet all their commitments.

Total Unspent Balance (Provide details as an annex)		0	0%			

High receipts of PAF and unconditional grant were due to unexpected expenditure for CAO, CFO and PPO to travel to Kampala every month to pay salary. This quarter LLG reflected to have spent much of their money in administration and accordingly this reflected a higher figure for multisectoral transfers. Exact wage paid was lower than the estimate because of using the exact figure from individual staff payslips. The department never received LGMSDP funds because all LGMSDP was received in third quarter.

Reasons that led to the department to remain with unspent balances in section C above

All the funds received by the department were spent and at the end of the quarter, there was no substantial amount to report against.

The department did not receive all the expected funding, especially unconditional grant and PAF funding because most of it went to Administration department for salary processing under human resources management. Due to the same reason development fund for purchase of safes were not released. Receipts for wage were higher than the estimate because of using the exact figures on individual staff payslps which was higher than the estimate. Also the department did not reflect money received under multisectoral transfer because LLG did not report funds spent on finance.

Reasons that led to the department to remain with unspent balances in section C above

At the end of the quarter there was no substantial amount of money to report against.

The department received less than 100% of the expected funding. PAF receipts were low because most of it was taken to human resource and management to cater for salary payments and payroll management. However, higher receipts of local revenue and unconditional grant were due to payment of councilor's backlog of arrears which was a resolution of council in form of supplementary budget. In addition higher expenditure was due to the differences in planned salaries and actual received because of the difference in estimates and the actual payments as reported by individual salary earners and also the fact that political leaders gratuity and salary was paid during the quarter.

Reasons that led to the department to remain with unspent balances in section C above

There was no substantial amount of funds to report on.

04 District council meetings were held in 4 quarters and council minutes in place.

48 Weekly District Executive committee meetings were held.

192 mobilization and supervisory meetings were held in all LLGs.

02 District public accounts committee meetings were held to consider audit reports for councils.

376 land applications reviewed.

DSC held one meeting to organize the recruitment of staff, advertised for vacancies and shortlisted the candidates.

Candidates were interviewed and recruited several new staff despite the fact that some positions failed to attract some suitable staff.

DSC held one meeting to consider discipline of some errant officers.

The department never received all the expected funding. Major shortfalls were in local revenue, extension grant, Production and marketing services grant. The district received technologies under the operation wealth creation office. For local revenue the explanation was that there was a poor performance in revenue collection as a result of low man power in the field. Naads money was not received because the programme was phased out. Conditional Grant to extension was not received because they had no staff to pay on this grant.

Reasons that led to the department to remain with unspent balances in section C above

Most of the funds allocated were spent according to the planned activities in the sector. No significant amount of money were left.

The department received most of the expected funding. There was high receipt and expenditure of wage during the quarter, this was as a result of paying arrears which had been cleared by MoFPED. Also during the quarter there was low receipts of PHC because most of it was received during the last three quarters. Donor funding was also low than expected because of some of the activities being paid directly by UNICEF at the headquarter.

Reasons that led to the department to remain with unspent balances in section C above

By the closure of the FY 2014/15, funds worth 1.5 for PHC development was not utilized due to the failure by the contractor to supply all the furniture as per the LPO raised and the incomplete construction works of Nyarugongo HC II OPD and BTC 4.5m

The department conducted integrated support supervision where all the 65 facilities were visited. District Quality Improvement Committee conducted additional support supervision where 3(three) Quality improvement committees were formed and functionalized in three more Health Center IIIs.

Vote: 513 Kabarole District

2014/15 Quarter 4

Workplan 5: Health

Additionally District Ambulance management committee meeting was also held to plan for the referral system of the district

Bwanika HC II OPD was finally completed. Completion of Kisomoro General Ward was also concluded. This contractor was awarded at 37M, above the 9M initial budget after further evaluation by the technical team and this was approved by the District Executive. Construction of OPD Block at Nyarugongo ,Kabonero Sub-county did not progress well following the failure by the contractor to execute the works as per the contract and the works are to be planned for in FY 15/16.

Retentions for Kiboota HC OPD block was also paid and commissioned

Training in leadership and management for lower level managers, mentorship in HMIS tools, Quarterly review and planning meetings were carried out under the support of BTC/ICB

Construction of a maternity ward in Bukuuku with support from Baylor Uganda is still ongoing

All the VAT component for construction works in FY 14/15 were paid

Health department received one a motorcycle from WHO to boost Immunization and disease surveillance. Also additional six (6) motor cycles were received from BTC/ICB Project to boost service delivery in health facilities.

Low receipts in local revenue was as a result of poor collection because of lack of parish chiefs in most parishes. Also non receipt of funds under multisectoral was due to the fact that most LLg's never reported on spending money under education. Also the department never receiver funding from non wage and there was not any justifiable reason given by budget desk. However the department feels tha the budget desk is not doing a good job. Funds meant for desks from LGMSDP were not realized because the money was used to works in water department which were ready to be paid.

Reasons that led to the department to remain with unspent balances in section C above

No balances were on the account by 30th June 2015

Total Unspent Balance (Provide details as an annex)		75	0%			

The department received all the expected funding. Local revenue and unconditional grant was more than 100 percent because of the need to complete the three sub county headquarters and Loan recovery. High receipts on the wage grant was the inclusion of LLG staff in the actual figures yet during planning the department had considered only staff at District . Most of the development grant was not received because of high receipts in recurrent section.

Reasons that led to the department to remain with unspent balances in section C above

At the end of the quarter there wasn't substantial amount of money on the departmental account to report against

Non-receipt of local revenue and unconditional grant was because most of the money from the two sources was used under the roads and engineering section due to damages to road spots after heavy rains in the district. LGMSDP funding was not received because Rwetera gravity flow scheme which is meant to be paid from the grant was still under construction. The Wage component reflected over expenditure because salaries were paid from actual figures on payslips but the budget estimate for FY 2014-15 for wages was less than required. NGOs such as SNV, HEWASA and JESE did not provide financial expenditure figures and this contributed to under performance of the donor budget. In addition, UNICEF paid some service providers for the gravity flow schemes construction and rain water harvesting systems installation from the centre (Kampala). These figures are not reflected herein.

Reasons that led to the department to remain with unspent balances in section C above

There were no unspent balances on account at the close of forth quarter.

Six shallow wells were constructed at Nyamiseke II, Irinda, Bukuba, Rukongo, Rwengoma B and Kagote D. A 3-stance lined VIP latrine was constructed at Mugusu trading centre. Gravity flow scheme piped water was constructed under the following project names Busokwa (4 tapstands) , Iboroga, Mukanamura (2 tapstands), Mujunju trading centre (3 tapstands), Mitandi (11 tapstands), Nsura (14 tapstands), Kibwooro (4 tapstands), Rusona (2 tapstands) and Busamba (3 tapstands). A 40,000 ltr. reservoir tank, pump house and transmission mains was constructed at Rwetera for the Rwetera water supply project. 20 Rain water harvesting tanks of 10,000 ltr. Capacity each were installed in 20 primary schools and 4 latrines constructed in 4 primary schools with support from UNICEF program.

Home Improvement Campaigns were conducted in Rwimi and Bukuuku sub-county leading to an improvement in hand washing practice and latrine usage in 25 villages. Home Improvement Campaigns were also conducted in Katebwa sub-county leading to an improvement in sanitation in 11 villages.

Advocacy and planning meetings were conducted in 36 villages, 3 sub-counties and at district level.

Water and Sanitation committees were formed and trained in 20 primary schools and around 39 community water sources.

The department received most of the expected funding. However, there was low receipts of unconditional grant because most of the money was used to pay councilors allowance. In addition expected local revenue was received by the department. Multi sectoral transfers to LLGs were not provided for because all sub counties did not report that they had put money under Natural resources management.

Reasons that led to the department to remain with unspent balances in section C above

No substantial balances on the account to report on.

The department did not get all the expected funding for the quarter. Major shortfalls were in Local revenue, and funding from CDD and UNICEF was not received. Failure to receive all local revenue was due to poor collection as a result of most parishes not having parish. All the appraised Groups that met the eligibility criteria did not receive funds for support under CDD (LGMSDP) due to non emittance of funds. Also the department did not receive expected funding for youth support from MGLSD probably due to roll out of the programme to other districts while await for recovery from the pilot districts save for operational costs. However, there was higher expenditure during the quarter than expected. This was due to: 1. Difference between the planned wage and the exact paid wage as evidenced from individual staff pay slips, 2. The forty million carried forward which was also spent during the quarter.

Reasons that led to the department to remain with unspent balances in section C above

No funds were on the account as all funds received had been spent according to the budget by the end of the quarter

Most of the expected funds were received by the Unit . Major shortfalls were in Local Revenue because most of the revenues raised locally were allocated to Administration and Works Departments to cater for Court fines and completion of three sub county headquarters. Also low receipts fro other transfers from central government were due to census funding that was received in total during the second quarter. Myltisectoral receipts were not there because LLG never reflected any funding to planning section.

Reasons that led to the department to remain with unspent balances in section C above

All the funding received by the department was spent.

Total Unspent Balance (Provide details as an annex)		6	0%			

The department did not receive all the expected funding Local revenue receipts were low because of poor collection due to lack of parish chiefs PAF and unconditional grant was used on human resource department to pay salaries. Wage allocation was high because of payment of arrears.

Reasons that led to the department to remain with unspent balances in section C above

All fund received was spent.

(ii) Highlights of Physical Performance

<i>Function, Indicator</i>	Approved Budget and Planned outputs	Cumulative Expenditure and Performance
Function: 1482 Internal Audit Services		
No. of Internal Department Audits	21	24
Date of submitting Quarterly Internal Audit Reports	15/july/2015	8/June/2015
Function Cost (UShs '000)	122,362	66,448
Cost of Workplan (UShs '000):	122,362	66,448

One quarterly audit report for all District department and lower local government for the fourth quarter of the financial year prepared, shared with management and eventually submitted to the District executive committee..

Output: Shallow well construction

No. of shallow wells constructed (hand dug, hand augured, motorised pump)	02 (Two shallow wells to be constructed in the sub-counties of Kasenda and West Division)	7 (Teffe company Ltd was paid for the water source constructed at Kyakabaseke village in FY 2013-14 whose payment was rolled over into this financial year. Kahora Technical Services was paid for three shallow wells constructed. The balance payment was rolled into FY 2014-15.)	350.00	Over expenditure on shallow wells is because more shallow wells were constructed (06) than those planned for (04). This enabled the district to address issues emerging from the typhoid outbreak in the district.
Non Standard Outputs:	Revitalised water user committees in 16 villages.	New hand pump technologies have been introduced on a pilot basis by HEWASA into the community for testing.

Vote: 513 Kabarole District**2014/15 Quarter 4****Checklist for QUARTER 4 Performance Report Submission**

This is an automated checklist which shows whether data has been entered into the areas which are required for a complete quarterly submission. It does not verify the quality of the data that has been entered. A complete checklist is therefore a necessary, but not sufficient condition for a satisfactory submission.

Revenue Performance

The tables below show whether information has been for revenue performance and the associated narrative section:
