## Summary of Cumulative Receipts, disbursements and expenditure for FY 2025/26

The District realized shillings 30,319,636,000 out of the projected annual budget of shs 60,266,727,000 which is 50% performance. The central Government transfers performed up 49% for the conditional government transfers while the Discretionary government transfers performed at 50%. The underperformance was on the education conditional grant non-wage where 33% was released. The rest of non-wage both conditional grants and unconditional grants were released at 50% as expected. The overall local revenue performed up to 53% of the projected annual revenues by the end of the second quarter. The over performance was mainly due to Local service tax where 213% had been collected by the end of the second quarter. This is so because the Local service tax is paid in the first and second quarters of the Financial Year and for increased Jobs in the hotels and tourism sector due to a new tarmac road in the District. Other Government transfers performed up to 80% of the projected funding from other Government transfers. The over performance was due to Uganda Wild life Authority releasing 90% of the projected funds and the supplementary budget for the road maintenance under the Uganda Road Fund. External Financing performed up to 213% by the end of the quarter. This was so because of the supplementary budget that was received from UNICEF to support the refugees in matanda transit center. Regarding expenditures, all the realized funds worth 30,319,636,000, shillings were released to different programs by the end of the second quarter. Out of the released funds to departments, shillings 26,476,648,000 were utilized by the end of the quarter, which is 87.33% absorption capacity. As regards expenditures in programs the least in utilization of funds was noted under sustainable urbanization and housing, tourism development and private sector development, while governance and security was ranked high at 114%, followed by ITRS at 82%.

## Cumulative Performance for Locally Raised Revenues

The overall local revenue performed up to 53% of the projected annual revenues of shillings 1,594,995,000 by the end of the second quarter. The over performance was mainly due to Local service tax where 213% had been collected by the end of the second quarter. This is so because the Local service tax is paid in the first and second quarters of the Financial Year and for increased Jobs in the hotels and tourism sector due to a new tarmac road in the District

## Cumulative Performance for Central Government Transfers

The central Government transfers performed up 49% for the conditional government transfers while the Discretionary government transfers performed at 50%. The underperformance was on the education conditional grant non-wage where 33% was released. This as a resulting of releasing capitation grant to schools on a termly basis. The rest of non-wage both conditional grants and unconditional grants were released at 50% as expected

## Cumulative Performance for Other Government Transfers

Other Government transfers performed up to 80% of the projected funding from other Government transfers. The over performance was due to Uganda Wild life Authority releasing 90% of the projected funds and the supplementary budget for the road maintenance under the Uganda Road Fund

## Cumulative Performance for External Financing

External Financing performed up to 213% by the end of the quarter. This was so because of the supplementary budget that was received from UNICEF to support the refugees and communities in matanda refugee transit center
