The total revenue for the department for 3rd quarter was 21,070,000/=. However, the tota; remittence was 13,708,000 which is 65%. The multi sectral transfer to LLG planned was 2,506,000/= but we realised 1,531,000/= which is 61%. The unconditional grant -none wage transfer to the department was 0% and this affected the our operation on the daily basis. We are grateful for the conditional grant to wetlands which has supported our department activities and the grant was 100% delivered.

#### Reasons that led to the department to remain with unspent balances in section C above

The cumulative uspent balance of 10 % is as a result of delayed procurements which will occcur in the next quarter to concour with the season. That is procuremnt of tree seedlings for the district nursery and beatification of district head quarters

During the second quarter for F/Y 2014/15, Shs.72,932,000 which is 50% of quarterly budget (146,016,000) and 12% of the approved annual budget (584,066,000/-) was available for spending. This low budgetary performance was due to failure to realise central government transfers under the youth livelihood program which was budgeted for. 94% of the total reciepts including unspent balances from previous quarter was spent and this represents 47% of the quarterly planned expenditure hence leaving unspent balances of 16,639,000/- which is 3% of the annual budget.

Reasons that led to the department to remain with unspent balances in section C above

Failure to recommend proposals for transfer of CDD funds to LLGs for disbursment to community groups by the Finance department in time.
