Quarter 2

Summary of Cumulative Receipts, disbursements and expenditure for FY 2025/26

Revenue: By the end of 2nd quarter, amount received by Masaka City was Ug. shs 21.533bn representing 45% of the projected annual income. This was slightly below expectation due to poor performance of Locally Raised Revenue (27%) and External Financing (2%). Almost all receipts by the city were disbursed to departments and Lower Local Governments in the quarter. The aggregate out turn for wage was 50% while utilization was at 43% of the annual budget due to low staffing and some staffs' salaries failing due to missing records. The outturn for non-wage recurrent was lower than the projection for the quarter due to low LRR(27%), 14% of External. Other conditional Grant non-wage recurrent were all released as planned. Domestic Development grants were also adequately released.

Expenditure: By end of quarter, it stood at 35% of the released funds including expenditure under multi sectoral transfers to Lower Local Governments. A decomposition by revenue category, total expenditure as a percentage of the budget during the FY under review stood as follows: wage: 43%, non-wage recurrent: 29%, domestic development: 36% and External funding: 0%.

Quarter 2

Cumulative Performance for Locally Raised Revenues

Significant deviation was due to the low collections for Locally Raised Revenue. The total LRR collections warranted in the 2 quarters amounted shs 1,723,224,086 compared to the annual budget of 6.37bn. Performance was thus 27% of budget. Major cause for poor collections was because most taxpayers pay toward close of calendar year and at its start.

Cumulative Performance for Central Government Transfers

NA

Cumulative Performance for Other Government Transfers

The high performance of 65% of the annual was due to the high performance on support to PLE (UNEB) at 99% and on URF at 80%. However, the other two sources performed poorly lowering the overall percentage.

Cumulative Performance for External Financing

The deviation was due to non release of money from al funders save for GAVI which also performed poorly (14% of annual target).

SECTION B : Summary by Department

Summary of Department Revenues and Expenditure by Source

By the end of 2nd quarter, the department had received a total of shs 8.165bn including wage of 452.54m. This was 45% of the annual projection. The low performance was basically due to the poor Local Revenue which hindered adequate allocation to both city headquarter activities for the department and the adequacy of transfers to divisions. Otherwise, all other sources performed up to the expectation of 50% at half year mark. As such, 190m had so far been allocated for purchase of a grader (development), only 27% to recurrent LR, shs 1.116bn was transfer of LR to LLG, 3.653bn was for pension and gratuity. Nevertheless, pensions and gratuity arrears of shs 175,963,902 appear as a release on PBS but not on the IFMS. Shs 62.39m was Unconditional Grant-Nonwage. Development release included the 2bn for MRG, 190m LRR for the grader, 248.26m for division DDEG, 15.11m for city DDEG.

Expenditures: These covered all statutory obligations and other supervision activities as well as coordination.

Reasons for unspent balances on the bank account

Wage: A balance of shs 68.68m remained due to delays in paying December Salary caused by some Staff who are yet to be migrated from IPPS to HCM challenges and the numerous staffing gaps existent compared to the approved structure. Recruitment process not yet complete;

Non-Wage: A total of shs 2..11bn remained for pensioners and gratuity due to incomplete files and the arrears that skipped not warranting.

Development: sh 190m saved for purchase of the motor grader to be purchased on higher purchase together with the 2 divisions while 3.00m first allocation for the purchase of a computer estimated at 6m.

Highlights of physical performance by end of the quarter

Wages paid, Pension and gratuity partly paid, welfare costs met, Transfers to LLGs done, Coordination expenses met, assessments of LLGs AND mock assessment for city level done, Board of Survey conducted, court cases handled.
