### **FOREWORD**

I am glad to present this Budget Framework Paper for Mbale City for FY 2023/24 to all the stakeholders of Mbale City. This budget framework paper was prepared on the understanding that, the bottom-up planning process is critical in deepening decentralization and addressing the concerns of the Mbale community we serve in particular.

This now kicks off the planning process cycle where the Annual work-plans (Performance Contract-Form B) and Annual Budget FY 2023/24 will be extracted. This paper is a product of many stakeholders consultative meetings conferences held right from the Ward Investment Committees up to the City Council Budget Conference where sectoral priorities were agreed upon. It is my considered opinion that; what is contained in here is a basis for producing good implementable plans to address the challenging development issues facing this City. This however shall call for the support of both central Government support and donors.

May i urge the concerned persons to be mindful of the planning cycle and ensure that; the Annual Work-plans are approved by the end of the month of March and the Annual Budget laid before 31st May.

I also implore all those charged with the responsibility of monitoring to perform this with great zeal and vigilance for better future of the citizens of this great City
