### Summary of Cumulative Receipts, disbursements and Expenditure for FY 2016/17

By the end of Q2, the Municipal received a total revenue of 7,260,883,000/= from the different revenue sources out of the planned annual budget of ugshs 13,158,499,000/= for F/Y 2016/2017 representing annual performance of 55%. The performance was average because this is the second quarter of the financial year. Out of the total revenue received of 7,260,833,000/=, Local revenue represented 20%, the percentage was low because there was poor performance and almost no collection in some revenue sources like Business licences, Liquor license, Hotel tax, Agency fees, other licences and this is because in Q1 and Q2 that's when assessment, enumeration and invoicing of business is done and actual collection of business licences, liquor and any other licences takes place in Q3. However revenue mobilisation strategies like regular patrols to curb down illegal developer and up date of registers for property rates, LST and business licences have been put in place. Discretionary Government transfers were released to a tune of 58%, Conditional
