Summary of Cumulative Receipts, disbursements and Expenditure for FY 2015/16

By the end of Q2, the Municipal had received total revenue amounting to 5,556,246,000/= from the different revenue sources out of the planned annual budget of ugshs 12,161,659,000/= for F/Y 2015/2016 representing annual performance of 46%. The performance was average because this is the second quarter of the financial year. Out of the total revenue received of 5,556,246,000/=, Local revenue represented 21%, the percentage was low because there was poor performance and almost no collection in some revenue sources like Business licences, Liquor license, Hotel tax, Agency fees, other licences and this is because in Q1 and Q2 that's when assessment, enumeration and invoicing of business is done and actual collection of business licences, liquor and any other licences takes place in Q3.however revenue moblisation strategies like regular patrols to curb down illegal developer and up date of registers for property rates, LST and business licences

Summary: Overview of Revenues and Expenditures

have been put in place,sale of property like the Municipal grader has not been effected. Discretionary Government transfers were released to a tune of 52%, Conditional transfers released represent 48%, other Government transfers released represent 37% and Local development Grant 46%. The total amount that was transferred to expenditure centres was Ugshs 5,304,221,000/=. Actual expenditure was 5,213,659,000/= of which Ugshs 2,989,594,000 (57%) was allocated to salaries. The difference between cumulative releases and cumulative expenditure 90,562,000/= was for construction of bathrooms at Mukono HCIV here the funds were insufficient to effect payment and will be topped up in Q3, renovations at Katikolo and this is being done under Force on Account arrangement so the funds were already committed and Purchase of material for Kame valley stream (these were committed funds but no pulled the account).

Checklist for QUARTER 2 Performance Report Submission

This is an automated checklist which shows whether data has been entered into the areas which are required for a complete quarterly submission. It does not verify the quality of the data that has been entered. A complete checklist is therefore a necessary, but not sufficient condition for a satisfactory submission.

Revenue Performance

The tables below show whether information has been for revenue performance and the associated narrative section:
