Quarter 2**Summary of Cumulative Receipts, disbursements and expenditure for FY 2025/26**

By close of the quarter, the district had a cumulative receipt of shs 16,560,886,000 which represents 50% budget performance. These were funds from Locally Raised Revenues (38% budget performance), Discretionary Government Transfers (50% budget performance), Conditional Government Transfers (48% budget performance), Other Government Transfers (271% budget performance) and External Financing (101% budget performance). These performances were averagely expected by mid-year expectations except for Other Government Transfers which received supplementary funding for emergency works and external financing that had funds released for vaccination from GAVI under supplementary budget hence an outstanding performance.

These receipts were spent under 12 National Development Plan Programs including Agro-Industrialization (38% budget released), Tourism Development (24% budget released), Natural Resources, Environment, Climate Change, Land And Water Management (49% budget released), Private Sector Development (36% budget released), Integrated Transport Infrastructure And Services at 79% and Sustainable Urbanization And Housing at 33% budget released each, Digital Transformation at 58% budget release, Human Capital Development at 47% budget released, Public Sector Transformation at 30% budget released, Governance And Security at 83% budget released, Regional Balanced Development at 20% and Development Plan Implementation at 22% budget released.

Additionally, of the total cumulative releases of shs 16,560,886,000, a total of shs 15,326,861,000 was spent within the above programs. The interventions there in included shs 10,321,554,000 for wages, shs 3,716,856,000 for non-wage recurrent interventions, only shs 833,198,000 on development interventions while shs 455,254,000 was spent on external financing interventions. The highlighted expenditure for development projects was due to the fact that most of the projects were in their first implementation and procurement phases.

Quarter 2**Cumulative Performance for Locally Raised Revenues**

By close of second quarter of FY 2025/26, the district had a receipt of shs 270,297,000 representing 38% budget performance. The deviation is observed in property related taxes which were overrated at budgeting and realization is dwindling, therefore Budget Desk shall in Third quarter, consider revision of the LR budget estimates for some of the poorly performing sources.

Cumulative Performance for Central Government Transfers

By close of the second quarter FY 2025/26, the district had cumulatively received shs 13,442,386,000 (48% budget performance) for Conditional Government Transfers as well as shs 1,946,979,000 (50% budget performance) for Discretionary Government Transfers.

These were as expected at 50% performance except for Conditional Government Transfers due to a 44% budget performance from Programme Conditional Grant - Non Wage Recurrent specifically affecting Agro-Industrialization whose funds are released seasonally hence Q2 had no such releases made.

Cumulative Performance for Other Government Transfers

By close of quarter two FY 2025/26, the district had a cumulative receipt of shs 436,765,000 of the revised budget of shs 616,009,000 from other government transfers. This was due to the supplementary budget from Uganda Road Fund for handling emergency works as well as the District, Urban and Community Access Roads which had not been communicated during the Budgeting period due to the RAPEX undertaken last financial year. Additionally, sources such as Support to PLE (UNEB) performed at 94% while funds from National Oil Seeds Project were received to the tune of 28% annual budget. However, sources such as Micro Projects under Luwero Rwenzori Development Programme, Uganda Women Entrepreneurship Program (UWEP), and Youth Livelihood Programme (YLP) were yet to disburse resources to the district.

Cumulative Performance for External Financing

By the close of the second quarter for the FY 2025/26, the district had a cumulative receipt of shs 464,460,000 from external financing. These were funds from both United Nations Children Fund (124,430,000) and Global Alliance for Vaccines and Immunization (340,030,000), a 101% annual budget performance of 462,097,000 may 2025 approved budget. This more than the expected budget performance was due to the boost of half of the expected annual budget from United Nations Children Fund (UNICEF) to support in activities targeting 5 health facilities of Bumooli HC III, St. Matia HC III, Isinde HC III, Mutumba HC HC III and Lolwe HC III as well as supplementary funds for vaccination across the district.
