Summary of Cumulative Receipts, disbursements and Expenditure for FY 2013/14

By the end of second quarter, Oyam District had a cumulative release of ushs. 11,933,252,000 which represents 39% of the annual budget worth shs. 30,790,010,000. This was less than the expected 50% because only 4% of expected donor funds worth shs.264,470,000 was released out of the annual plan of shs.7,400,973,000. This was because NUDEIL which is the biggest donor did not release fundings due to delay in approval of the workplan submitted by the District to them. More so, other government transfers performed by only 38% ie only shs.370,830,000 was released because District Livelihood support program funds were not released in the first quarter. Shs. 11,933,252,000 (39%) of the approved budget was released to departments out of which shs. 9,560,116,000 (80%) of releases were spent.

(i) Cumulative Performance for Locally Raised Revenues

By end of Second Quarter 2013/14 Oyam District realised a total Locally Raised Revenue worth Ushs.589,129,000 only. This was 47% of the annual estimate worth shs. 1,264,367,000. This was because Uganda Wildlife Authority released the entire annual estimate of Royalties worth Ushs.317,700,000 in the second quarter. Other revenue sources however registered very low outturn due to the fact that sources like Sale of non produced government properties, Rent and rates- Produced assets from private entities, Local Service tax all performed at 0% because the centre did not send Local Service Tax, other sources in the same way did not perform well because the Finance department lacks a means of transport for revenue mobilisation.

(ii) Cumulative Performance for Central Government Transfers

Cumulative Central Government transfers to recurrent and development expenditures of the District In the Second quarter was shs.11,079,654,000. This overall was 50.1% of the total Central Government transfer budget worth shs. 22,124,670,000 of which, Discretionary transfers was shs.811,212,000, 47% of the annual budget worth shs.1,721,402,000; Conditional transfers worth shs.9,529,072,000, 51% of the annual budget worth shs. 18,685,603,000; Other central government transfers stood at shs.370,830,000, 38% of annual budget worth shs.980,585,000 and LGMSDP worth shs.370,830,000. Other sources like Conditional grants to District Service Commission Salaries and CAIIP 3 were not released by the centre. This is partly because there is no substantive Chairperson DSC

(iii) Cumulative Performance for Donor Funding

Donor Funding in the Second quarter to the District was shs. 12,587,600 which was (0.7%) of shs.1,850,245,193 which was planned to be received from Donors in the quarter. Cumulatively, by half year, the district had a total receipt of shs.264,469,600 reflecting 3.6% of the annual plan worth shs.7,400,972,773. This was as a result of zero percent performance of donor funds like from NUDEL, UNFPA and ALREP. NUDEL funds could not be released because of delay in approval of the NUDEL workplan by USAID.

The half year outturn for Administration Department was ushs. 672,523,000 which represented 40% of the annual budget allocation worth shs.1,697,407,000 and actual quarterly receipt was shs.323,269,000 76% of the quarterly plan worth shs. 424,352,000. This disparity was because Locally raised revenue under development component performed by 0% as sources like Sale of non produced government properties, , Rent and rates- Produced assets from private entities, miscellaneous and Local Service tax all performed at 0%. The Department cumulatively spent shs. 216,528,000 representing 13% of the annual budget release leaving unspent balance worth shs. 455,995,000 which represent 27% of the annual departmental budget. To be spent on Construction of Administrative Block at Abok Sub County, Procurement of office furniture for office of CAO and LC V Chairperson which were still under procurement.

Reasons that led to the department to remain with unspent balances in section C above

Outstanding obligations like recovery for grants garnished by URA last financial year and lack of transport for revenue mobilisation caused delays in procurement process.

By end of second quarter, cumulative outturn for Roads and Engineering was ushs.651,917,000 which represented 13% of the annual budget allocation worth shs.5,094,718,000. This disparity was because donor funding which was expected to be shs. 3,675,000,000 in the year performed at 0% due to delays by USAID in approving NUDEIL project workplans. The Department managed to spend Ushs.140,882,000 3% of the annual budget leaving unspent balance worth shs.511,035,000 10% of the annual budget allocation. Meant for Road works that were yet being procured.

Reasons that led to the department to remain with unspent balances in section C above

Late release of funds under DLSP which were released at once in the second quarter for 1st and 2nd quarter led to delay in project activity implementation.

The second quarter outturn for community based services was ushs. 469,222,000 which represented 73% of the annual budget allocation worth shs.641,317,000 . This disparity was because donor funding and DLSP grants for first and second quarter were released in the second quarter and Uganda Wild Life Authority released 100% of the Annual estimates for Royalties in second quarter. The department spent shs 408,230,000 Which was 64% of the annual budget leaving shs.60,992,000 10% of total releases as unspent balance.

Reasons that led to the department to remain with unspent balances in section C above

Late release of funds under DLSP which were released at once in the second quarter for 1st and 2nd quarter led to delay in project activity implementation.

The second quarter total outturn for Internal Audit Department was ushs. 2,379,000 which represented 6% of the annual budget allocation worth shs.42,911,000 and 13%. This disparity was because all the revenue sources performed at 0% except unconditional grant non wage which released one million three hundred seventy nine thousand four hundred shillings in second quarter. Even wage performed at 0% because there is currently no substantive staff of internal audit in the district and the one caretaking the office is a Senior Accounts Assistant who draws salaries from the Finance departmental wage allocation. The Department was able to spend all the amount released to them leaving no unspent balance.

Reasons that led to the department to remain with unspent balances in section C above
