Quarter 2

Summary of Cumulative Receipts, disbursements and expenditure for FY 2025/26

By the end of the second quarter, Rukungiri Municipal Council had received Shs 7,548,657,000 representing 49% of the budgeted amount. This is slightly less than the anticipated amount mainly because of the poor performance of local revenue and conditional transfers at 38% and 49% respectively. Most of the local revenue is collected in the third quarter since it's the pick period for tax enforcement. All the received funds were successfully warranted to the respective departments and sections as per the annual work plans and budgets.

Quarter 2

Cumulative Performance for Locally Raised Revenues

By the end of the second quarter, Rukungiri Municipal Council had collected 38% of the projected local revenue which is slightly below the anticipated average (50%). This was mainly because demand notes were still being distributed and actual collection is at its pick in the third quarter.

Cumulative Performance for Central Government Transfers

The Conditional Central Government Funding received was slightly less than the anticipated that is 49%. Developments grants such as the UDDEG, sector development grants for the departments of Education and Health were released at 50% in the second quarter. The transitional development grants were also released at 50% as well. These grants are expected to be released in the forthcoming quarters

Cumulative Performance for Other Government Transfers

By the end of the second quarter, Rukungiri Municipal Council had received 3% of the planned revenue under the Other Government Transfers category. This was mainly due to the 85% receipt of the UNEB support to facilitate the PLE examinations exercise. The URF grand received was also slightly more than the anticipated thus the 61% allocation
