***Summary of Cumulative Receipts, disbursements and Expenditure for FY 2015/16***

The cumulative outturn for the first quarter was shs. 6,182,159,000 which was 28% of the approved budget of shs. 21,722,401,000. Over performance was due to salary arrears for May and June due to erroneous transfer of wage fund to URA. Of the shs. 6,182,159,000 received, shs 6,145,035,000 (99.3%) was disbursed to the spending accounts across departments as detailed above leaving 37,123,000 (UNICEF release came late and had not been transferred by 30th/9/2015). The cumulative expenditure across departments was shs. 6,014,539,000 reflecting 98% absorption of the funds released and this is attributed to improved release arrangements by the MoFPED to LGs. The unspent balance of shs. 167,620,000 is mainly for projects under departments due to procurement process delay and procedures.

The department outturn for the Q1 was shs. 84,128,000 which was 22% of the approved budget of shs. 381,420,000 and 88% of the planned budget for the period under review of shs. 95,355,000. Under performance was due to low outturn for Local revenue, non allocation of unconditional wage, and other government transfers and multisectoral transfers for LLGs. However, despite that there was an over outturn for wage due salary arrears for the month of June 2015 which was not paid due to erroneous transfers of wage funds to URA by the office of the Accountant general.

The cumulative expenditure for Q1 was shs. 72,150,000 which was 19% of the approved expenditure and 76% of the planned expenditure for Q1. Under performance was attributed to the reasons above and also delays in procurement process for projects across department.

The balance on account was shs.11,979,000 for projects whose procurement process was still ongoing.

*Reasons that led to the department to remain with unspent balances in section C above*

Unspent balances of shs 11,979,000 is for Production procurements which was still on going, amounting to the Unspent Balance for the Quarter, which is currently insufficient to execute the procurements, until quarter 2 releases are realised.

The district planning unit outturn as at 30th/9/2015 was shs 37,862,00, which was 31% of the approved departmental budget of shs.122,314,000 and 124% of the planned budget of shs.30,579,000. Over performance was attributed to wage arrears for the month of June 2014 which were not paid and thus paid in July 2015 and also LGMSD allocations to the departmental to address retention obligations for the projects implemented during FY2014/15 (pit latrine at the district headquarters). The cumulative expenditure as at 30th/9/2015 was shs. 37,505,000 which was 31% of the approved expenditure of shs122,314,000 and 123% of the planned expenditure for the first quarter of shs. 30,579,000. The unspent balance as at 30th/9/2015 was only shs. 356,000 as part of the retention commitments.

*Reasons that led to the department to remain with unspent balances in section C above*

The balance was for projects under retention implemented under the district planning unit.

The departmental quarterly outturn for first ended 30th September 2015 was shs.22,145,000 which was 27% of the approved budget of shs. 81,527,000 and 109% of the planned budget for the period under review of shs.20,383,000. Over performance was attributed to higher outturn for unconditional nonwage for the quarter and the multisectoral transfers to LLGs. Mainly due to higher allocation of urban unconditional grant to auditor the section in Sironko Town council.

The departmental expenditure for the period under review was shs 221,145,000 which was 27% of the approved expenditure and 109% of the planned expenditure for period under review. This reflected 100% funds absorption in the sector. No account balance remained. Over expenditure above the planned was not matched to the allocation to the sector for the period under review.

*Reasons that led to the department to remain with unspent balances in section C above*

No account balance remained.
