LAUNCH OF THE INTEGRATED BANK OF PROJECTS, 18TH APRIL, 2019

The Ministry of Finance, Planning and Economic Development through Project Analysis and Public Investment Department contracted Cambridge Resources International (CRI) from March, 2018 – April, 2019 to develop an Integrated Bank of Projects (IBP) which will serve as a repository database that contains all information about Public Investment projects from inception to closure. The first phase of the IBP to be launched will cover the pre-investment phase that includes concept, profile, pre-feasibility and feasibility stages. The development of the second phase covering the implementation to ex-post evaluation is expected to commence in July, 2019.

In that regard, a high-level breakfast meeting to launch the IBP system has been scheduled for Thursday, 18th April, 2019 at the Ministry of Finance, Planning and Economic Development Conference Hall, 1st Floor at 7:30 am.
