All Local Government Accounting Officers

LOCAL GOVERNMENTS THAT HAVE NOT SENT WARRANTS FOR QUARTER THREE EXPENDITURE LIMITS FY 2020/21

Reference is made to the Circulars issuing the Third Quarter (Q3) expenditure limits for FY 2020/21 dated 16th December, 2020 and Additional Q3 expenditure limits for FY 2020/21 dated 20th January, 2021 and 4th March, 2021 respectively. These expenditure limits were issued to facilitate timely implementation of the Third Quarter planned activities for FY 2020/21.

However, I note with concern that to date, some Accounting Officers have not submitted requests to utilize these funds. Some of the outstanding warrants relate to funds for, conducting final Exams, semi-candidates, schools' maintenance and inspection capitation education funds yet schools have re-opened and final Examinations are ongoing.

The purpose of this letter, therefore, is to request you to provide explanations to this Ministry by **16th April 2021** for your continued failure to warrant for the funds under the categories attached.

Please note that, failure to provide satisfactory explanations on time will attract sanctions.

Patrick Ocailap
