VOTE: 119 Uganda Registration Services Bureau (URSB)

Quarter 4

Table 4.3: Vote Crosscutting Issues

i) Gender and Equity

Objective:	URSB workforce represents 56% females and 44 males, Gender mainstreaming at URSB is anchored on Uganda gender policy (2007) and its activities both internally and external initiatives are gender inclusive. Reporting formats and stakeholder workshops report on gender representation, working environment at UBFC incorporates of gender representation. future plans are to provide safe space for nursing mothers at the new premises to improve working conditions for breast feeding mothers.
Issue of Concern:	Integration of equal treatment in steering processes
Planned Interventions:	Gender budgeting capacity enhancement and promotion of gender sensitization at work place
Budget Allocation (Billion):	0.002
Performance Indicators:	ratio of male to female staff recruited
Actual Expenditure By End Q4	0.002
Performance as of End of Q4	
Reasons for Variations	

ii) HIV/AIDS

Objective:	The Bureau prioritizes awareness and sensitization on HIV/AIDS spread and prevention measures at workplace. Demystifying stigma through a functional HIV/AIDS committee. The committee celebrates world AIDs day annually, provides periodic reminders on the pandemic and protection Kits available at URSB workplace places of convenience.
Issue of Concern:	protection of employees with HIV/AIDS against discrimination, victimization and harassment
Planned Interventions:	sensitization of staff on HIV/AIDS
Budget Allocation (Billion):	0.031
Performance Indicators:	Number of HIV /AIDS trainings conducted
Actual Expenditure By End Q4	0.01
Performance as of End of Q4	The HIV/AIDs committee continues to raise awareness to staff about HIV/AIDs.
Reasons for Variations	No Variation

iii) Environment

Objective:	URSB focus on preserving the environment through optimum use of resource , limited use of paper through adopting automation in all registration systems, use of managed print solution for centralized printing to reduce on paper usage. undertake CSR activities in tree planting by staff to promote environmental awareness.
Issue of Concern:	To promote environmental conservation practices at workplace
Planned Interventions:	Automation of services conduct community social responsibility events sensitization of staff on environmental protection
Budget Allocation (Billion):	0.050
Performance Indicators:	whether community social responsibility event conducted
Actual Expenditure By End Q4	0.05
Performance as of End of Q4	URSB has automated 90% of its services, significantly reducing paper usage and promoting eco-friendly operations. Enviromental sustainability remains a key issue for URSB.
Reasons for Variations

Quarter 4

Performance highlights for the Quarter

Budget Performance:
a) Expenditure on Wage: All wages released were spent at end of the FY; this was because all newly recruited staff accessed the payroll.
b) Expenditure on Non- Wage Recurrent: UGX 0.706bn unspent due to delayed clearance of letters of administration for the estates of the deceased staff(for payments of pensions/gratuity), balances on vehicle repair.
c) Dev't budget: UGX 0.110bn not spent, due to savings from purchase of land; arrears were not paid to a service provider who could not provide EFRIS invoice timely.
d) Non-Tax Revenue (NTR): The NTR projection for the FY 2024/25 is UGX 437.7bn (by MoFPED). At the end of Q4, UGX 351.139bn in NTR generated; this is only 80.2% of the annual projection.
e) Other Physical Performance:
i) 10,229 immigrants investigated, 211 regularized stay, 394 were removed/deported.
ii) 226 suspects were arraigned before court and 174 were convicted and fined; other cases are still on-going before court.
iii) 174 Appeal cases were verified/investigated and processed for the attention of the Minister; 2 cases were rejected
iv) 100% clearance of travelers at all gazette border entry points (A total of 4,693,186 travelers comprised of 2,331,102 arrival & 2,362,084 departures.
v) 1,030 snap checks were conducted whereby 2,585 illegal immigrants were intercepted and some forwarded to courts for prosecution and others returned to their countries.

vi) 928 border patrols (806 Land and 122 marine) conducted, and surveillance reports provided.
vii) 100% of applicants for immigration facilities processed for issuance. (Work permit-15,004, Dependent passes-7,044 Student passes-15,567; Certificate of residence - 629 granted).
viii) 91% of eligible applicants issued passports(241,273 citizens issued passports out of 264,905 applications)
ix) 6,052 CTDs issued out to deserving refugees to travel to 3rd country
x) 339,465 visas issued; comprised of EATV -15,366, single entry ordinary visas -317,503 and the rest transit / multiple visas

Variances and Challenges

Budget implementation during the year was overall good. To note is that all the approved budgets were released for implementation of planned activities. A supplementary budget of UGX 28.94bn was received during the second quarter to support implementation of activities and initiatives expected to generate more non-tax revenue. In summary the following were key milestones registered:
a) The construction of Gulu Regional Immigration offices completed and ready for commissioning.
b) On enhancing its institutional capacity to deliver immigration services, NCIC recruited 44 new immigration officers following the approval of a new staffing structure in October 2024.These new officers had to be trained for a compulsory 3-month period; this necessitated a variation in the workplan since their training was not earlier budgeted; this constrained implementation of other earlier planned training activities.
c) On enhancing functionality of e-systems, upgraded the application server platform from JBoss-EAP to WildFly (HQ)-successfully deployed.

However, the entity experienced a number of challenges such which include;
i) Systems security encountered a small setback in form of cyber malware that led to an unexpected timeout affecting continuity of essential system services sometimes in October 2024; but was later resolved for continued stability. Scam websites on the e-visa system has remained a challenge depriving many unsuspecting visa applicants of their cash when they use the portals.
ii) The country remained on high alert following the outbreak of epidemics such as Mpox, Ebola, and Marburg across in neighboring DRC; these continued to pose a health threat to staff and travelers.
iii) Limited cross border collaborations at Ishasha, Bunagana, Butogota and Busanza borders with DRC due insecurity.
iv) The use of the electronic travel authorization by Kenya has led to compliance issues with the EAC protocols, particularly regarding free movement and non-discrimination.

100% clearance of travelers at all gazetted immigration entry/ exit points conducted	i) A total of 1,182,002 of Travelers were cleared at gazetted points of entry (Arrivals: 595,404 and Departures: 586,598) i) 16,807 Labour Migrants mainly destined to Saudi Arabia, UAE and Qatar. ii) 66 suspected victims of TIP intercepted. iii) 87 denied entry on grounds of adverse records as per alert list, fake visa travel authorization, imposters, deportation history and suspicious routing. iv) 67 Removals (58 deported and 9 organized departures) originating from HQ and regional courts upon conviction. v) 04 National IDs and 36 Refugee cards, 02 attestation forms withdrawn from offloads. vi) 93 Travelers (72 Ugandans with suspected travels and 21 foreigners) denied exit. vii) 200 labor migrants repatriated. viii) 38 imposters found with fake Canadian & Bulgarian visa and passports and apprehended.	
15 marine patrols conducted	- 57 patrols carried out on water borders; intercepted irregular migrants were sent back to countries of origin or prosecuted in courts of law. -Routine Patrols prevented irregular migration through interception while communities were mobilized for collaboration in information sharing.	Due to the increased insecurity in some parts of the DRC-Uganda Border line, this necessitated more patrols on the borderline along the water bodies.
402 Land Patrols conducted	297 patrols carried out on Land Borders leading to reduced irregular migration, identified common porous routes and movement patterns.	Following the M23 capture of Goma in DRC and other parts of DRC borders, patrols at Ishasha, Mpondwe, Butogota, Busanza and Bunagana were restricted to UPDF due to security risks, hence a variation from the planned target.

PIAP Output: 18010601 Enhanced Local Revenue			
Programme Intervention: 180106 Deepening the reduction of informality and streamlining taxation at national and local government levels			
PIAP Output Indicators	**Indicator Measure**	**Planned 2024/25**	**Actuals By END Q 4**
Percentage of LG Budgets financed by LR (Average)	Percentage	%	
Proportion of LGs implementing the Local revenue enhancement management plans	Percentage	%	

VOTE: 122 Kampala Capital City Authority (KCCA)

Quarter 4

Programme:18 Development Plan Implementation

SubProgramme:04 Accountability Systems and Service Delivery

Sub SubProgramme:02 Economic Policy Monitoring,Evaluation & Inspection

Department:003 Executive support

Budget Output: 000015 Monitoring and Evaluation

PIAP Output: 18040403 Capacity built to conduct high quality and impact - driven performance Audits

Programme Intervention: 180404 Enhance staff capacity to conduct high quality and impact-driven performance audits across government

PIAP Output Indicators	Indicator Measure	Planned 2024/25	Actuals By END Q 4
% of planned training activities undertaken	Percentage	%	94%
Percentage increase in Audits undertaken.	Percentage	%	97%
Proportion of MDA/LG internal audit staff trained to conduct high quality impact driven performance audits.	Percentage	%	97%

VOTE: 122 Kampala Capital City Authority (KCCA)

Quarter 4

Performance highlights for the Quarter

Created 265 and 38 maps for Internal and external Clients respectively
1,133 properties updated on the CAM/CAMV System
190 New house numbers allocated to clients
Installed 90 signage units in Central division
292 development applications received and 212 processed
35 temporary structures and kiosk on major roads and public spaces cleared
Construction of a 9-classroom block at Nakivubo Primary School completed (Phase 2)
Completed renovation of a classroom block at Munyonyo Primary School
Construction of a 9-classroom block at Nakivubo Primary School completed (Phase 2)
Completed renovation of a classroom block at Munyonyo Primary School
400 teachers sensitized on SNE during the PLE analysis training.
21/32 tertiary institutions; 35/70 secondary schools, 223/310 primary schools, 141/139 nursery schools were inspected
3,132 active case search field visits were conducted during active surveillance of high priority sites
289 Health facilities covered during the routine HMIS support supervision and mentorships sessions
Completed 93% of civil works for Phase 3 of the Maternity unit at Kiswa HCIII
96% of KCCA health facilities with 96% availability of 41 basket of EMHS
Collected Ugx. 31,218,451,393 out of the target of UGX. 32,506,584,648 which is a 96% performance
7,413 new tax payers added to the KCCA Tax register
56.16% of 2,100 Kms of road network maintained across the city
46% of the planned 12.8km city road network upgraded/ reconstructed
80.9% progress attainment on street lighting availability was registered
85% progress attainment on traffic signal availability was registered
45% junctions with power backup systems was registered
363 PAPs relocated and 47 utility lines relocated
8,090 Households captured on PDMIS
Completed 169.5sq meters pothole patching in Nakawa Division at: Katalima (59.5sqm); Saddler way (57 sqm); Semawata (25sqm) and Marty way (28sqm).
38.9% progress attained on 204km of road maintenance, grading and levelling 5.448kms,

Variances and Challenges

Under absorption of the warrant payment in the IFMS awaiting payment processing

VOTE: 122 Kampala Capital City Authority (KCCA)

PIAP Output: 1203010501 Blood products available

Programme Intervention: 12030105 Improve the functionality of the health system to deliver quality and affordable preventive, promotive, curative and palliative health care services focusing on:

Epidemic diseases timely detected and controlled	All the 106 high priority sites were covered during active search and surveillance as planned 135 screening tests were performed by Q3

PIAP Output: 1203010501 Basket of 41 essential medicines availed.

Programme Intervention: 12030105 Improve the functionality of the health system to deliver quality and affordable preventive, promotive, curative and palliative health care services focusing on:

8 KCCA Managed and NGO facilities optimally functional	A total of 199,612 attendees registered at OPD at KCCA facilities. 83.2%of the target ODP attendances were registered at 8 KCCA directly managed units 31 baskets of essential medicines had been availed

PIAP Output: 1203010501 Basket of 41 essential medicines availed.

Programme Intervention: 12030105 Improve the functionality of the health system to deliver quality and affordable preventive, promotive, curative and palliative health care services focusing on:

8 KCCA Managed facilities and NGO facilities optimally functional	75 outreaches out of the 80 were made by the NGO hospitals. This 93.8% of annual target achieved.

VOTE: 122 Kampala Capital City Authority (KCCA)

Quarter 4

Annual Planned Outputs	Cumulative Outputs Achieved by End of Quarter
PIAP Output: 1203010505 Blood products available	
Programme Intervention: 12030105 Improve the functionality of the health system to deliver quality and affordable preventive, promotive, curative and palliative health care services focusing on:	
Epidemic diseases timely detected and controlled	2/4 planned but only two screening points were operationalised due to reduced epidemic threat. 50% performance which was cost effective given the limited threat.
PIAP Output: 1203010507 Human resources recruited to fill vacant posts	
Programme Intervention: 12030105 Improve the functionality of the health system to deliver quality and affordable preventive, promotive, curative and palliative health care services focusing on:	
-317 additional health workers recruited	No recruitments were made due to wage limitations
PIAP Output: 1203010508 Quality medicines and health products on the market	
Programme Intervention: 12030105 Improve the functionality of the health system to deliver quality and affordable preventive, promotive, curative and palliative health care services focusing on:	
-8 KCCA Managed and NGO facilities optimally functional-PPEs for 424 health workers	PPE equipment procured for 352 health workers which is 83% of the target due to budget constraints.
-90% of all Children under one year received 3 doses of Penta Valent Vaccine(DPT3)-150 outreaches conducted -Use of quality data at Health facilities increased(500 HW trained and 400HF assessed)	73% of Children under one year received 3 doses of Penta Valent Vaccine(DPT3) below the target of 90%. This was amidst 261 outreaches were conducted above target of 150 due to support from partners and MoH during ICHDs. Resistance from parents was one of the reasons for less than target performance on immunisation. 728 Health workers (574 Females; 154 Males) were trained in data analysis, interpretation and dissemination to ensure collected data is well utilized. 357health facilities were covered during the Data Quality Assurance and Assessments
Malaria morbidity and mortality reduced in the city-65% of 1st ANC visitor given LLINs Emergency medical service and referral system strengthened-All (100%) calls received and resolved	An average of 35.4% of all Ist ANC vistits were provided LLNs. There were more numbers attending antenatal than anticipated. The effect of migration and refugees All 1903 calls received at the KCCA call dispatch center were resolved
-HIV morbidity and mortality reduced in the city --60% of ART sites have atleast 1 differentiated service delivery model --2 million condoms distributed --All (100%) of HIV positive pregnant women	7.52million condoms distributed with support from partners 100% of the HIV positive pregnant women were initiated on ARVs for EMTCT 95% of ART sites with at least 1 differentiated service delivery model
-800 Private Health facilities inspected -HMIS tools distributed to 1200 HFs -100 HF covered under SPARS	967 private health facilities were inspected beyond the 800 target . more surveillance and reporting from community. 252 HFs received key HMIS tools by Q3. No new HMIS were distributed by MoH 50HFs were covered during the SPARS exercise and 50 were not covered due to lack of funding
Public health laws and standards promoted and enforced in the city -24000 food Handlers examined -150 sensitisations -300 meat facilities inspected -200 milk facilities inspected	Medically examined food handlers were 14,399 below the target of 24000 483 meat facilities were inspected across the entire city 290 milk facilities were inspected across the entire city All the 921 of the sensitization and awareness raising activities were undertaken

Sub Programme: 02 Resource Mobilization and Budgeting

0.790	Bn Shs	Department : 001 Finance and administration
		Reason: The reason for the unspent balance on the budget outputs by the end of the quarter revolves around failure to conclude the recruitment exercise. The staff was less that anticipated, meaning less spend on salaries, social Security contributions, gratuity, medical expenses on staff, as well as Incapacity, death benefits and funeral expenses. Also work execution was affected by the mere fact that there was nor enough personnel to effect the implementation leading to low absorption.
Items		
0.177	UShs	212101 Social Security Contributions
		Reason: Staff recruited halfway through the Financial Year and remittances for the for the other half could not be spent.
0.018	UShs	273102 Incapacity, death benefits and funeral expenses
		Reason: The budget targeted a higher staffing level but with the encumbrances faced during recruitment staff numbers increased slightly and the budget could not be spent
0.040	UShs	223001 Property Management Expenses
		Reason: The portion of the budget for Regional offices was not spent the Financial Year ended before coming into operation
0.004	UShs	223006 Water
		Reason: The portion of the budget for Regional offices was not spent the Financial Year ended before coming into operation
0.002	UShs	222002 Postage and Courier
		Reason: Postage related expenses to regional offices/operations were not incurred since the Financial Year ended before coming into operation

Quarter 4

(i) Major unspent balances

Departments , Projects

Programme:18 Development Plan Implementation

Sub SubProgramme:02 Policy, Planning and Support Services

Sub Programme: 04 Accountability Systems and Service Delivery

Reason: No variation and the budget was released 100%

Items

0.023	UShs	227001 Travel inland
		Reason: Reason was regional offices did not start and the planned audit activities in regions could not be implemented

Sub SubProgramme:03 Strategy and Corporate Affairs

Sub Programme: 01 Development Planning, Research, Evaluation and Statistics

0.071	Bn Shs	Department : 002 Research and Planning
		Reason: Very small/negligibly

Items

0.015	UShs	227001 Travel inland
		Reason: Budget released as approved. It was not all spent because Regional Offices did not come into operational cause of delays in staff recruitment and other needed logistics
0.021	UShs	221008 Information and Communication Technology Supplies.
		Reason: Budget released as approved, though not all spent because it was meant to be spent on the new rented offices and we move into it in July thus the funds are to be spent during first quarter

VOTE: 123 National Lotteries and Gaming Regulatory Board

Quarter 4

Performance highlights for the Quarter

Board Approved the Boar's Strategic Plan for 2025/2026 - 2029/2030 that will be used as a planning framework for National Lotteries and Gaming Regulatory Board for the Medium Term.

Enforcement and compliance in the Gaming Industry conducted a process that culminated into a tax revenue of at least 306,171,112,861/= and Non Tax revenue of 8,791,384,890/=.

The Board managed to recruit staff and was able to improves the staffing levels from 35 to 73. This is a 108% between the start and the end of the Financial Year 2024/2025.

Three regional officer/centres were opened to be operational during first quarter of FY 2025/2026. This is aimed at scaling up the Board's services to Ugandan will contributing towards domestic revenue collection for the country.

Compliance visits have been conducted to protect the population from exploitation and tax eversion by the gaming operators.

Care for the players has been ensured through the promotion of responsible gaming programme of community mobilization, sensitization/education, while identifying and supporting those struggling with effects of gambling addiction. Referrals are continuously made for psychosocial and treatment.

the National Central Electronic Monitoring System (NCEMS) has been implemented and operationalized assisting the Board and the entire government to truck and regulate gaming activities, enforcing standards and safeguarding the Ugandans from exploitation and the adverse effects for gambling.

During the Financial Year 2024-2025 the Board managed to secure a new temporary home (with more office space) now accommodating the increased number of staff that is facilitating execution of the Boar's planned activities more conveniently and efficiently.

Formulated the gaming fees Act of 2024, it was gazetted and came into force on 8th November 2024.

Developed and approved the complaints handling manual, Compliance enforcement policy, corporate Social Responsibility policy and the Human Resources manual

Variances and Challenges

A substantial number of illegal operators in the gaming industry and the Board is constrained by staffing capacity and logistics gaps

Growing challenges in the digital space and yet there if limited collaboration with other government agencies. We must break the seal of working in silos to leverage on our diverse human and technological capacities.

The Board lacks security, and the absence of metal detectors taking too long to identify those not complying with standards
Operators in the gaming industry are expanding in rural areas making a big challenge to access/identify and apprehend

Table 4.3: Vote Crosscutting Issues

i) Gender and Equity

Objective:	To promote employment of special interest groups in the sector
Issue of Concern:	Less employment of PWDs
Planned Interventions:	Sensitize operators on benefits of employing PWDs
Budget Allocation (Billion):	0.050
Performance Indicators:	All the licensed gaming operators sensitized on employment of PWDs
Actual Expenditure By End Q4	
Performance as of End of Q4	In house capacity building on gender and equal opportunity integration into gaming activities
Reasons for Variations	

ii) HIV/AIDS

Objective:	To contribute to the fight against HIV/AIDS and reduce stigma for people living with HIV/AIDS
Issue of Concern:	Limited information and awareness about HIV/AIDS
Planned Interventions:	Sensitization and awareness seminars and testing services. Counseling services and ensuring confidentiality of HIV-related personal information. Promoting openness to break stigma and silence surrounding HIV/AIDS.
Budget Allocation (Billion):	0.050
Performance Indicators:	104 employees sensitized about HIV/AIDS and tested, and treatment given to anyone found with it.
Actual Expenditure By End Q4	
Performance as of End of Q4	Staff Sensitized on HIV and AIDS specifically on prevention and Treatment after one has tested positive are received results/counseling
Reasons for Variations	

iii) Environment

Objective:	To contribute to national environmental preservation and conservation efforts
Issue of Concern:	Environmental degradation by human activity
Planned Interventions:	Conduct regular inspections to ensure a safe workplace environment. Encourage openness with employees by improving communication. Sensitize the staff on the new technologies that save energy and others.
Budget Allocation (Billion):	0.050
Performance Indicators:	Open door policy conducted to improve communication. Employees sensitized on the different technologies.
Actual Expenditure By End Q4	
Performance as of End of Q4	SOPs are maintained at office, COVID-19 Effects integrated into the Board's Strategic Plan
Reasons for Variations	

iv) Covid

Quarter 4

Performance highlights for the Quarter

MDAs and a comprehensive assessment report on Compliance with Gender and Equity Requirements for the Financial Year (FY) 2025/26 was produced. The Commission assessed all the 18 programmes, Out of the Eighteen (18)Programme BFPs, 16 Programme met the minimum requirements while two did not submit their BFPs for assessment. (Agro-Industrialization and Sustainable Urbanization and Housing). The National average compliance of the National BFP for the FY 2024/25 is 59%.

The Commission validated three Special Audits on mainstreaming gender and equity in 18 Regional Referral Hospitals in Uganda with representatives for the Regional Referral Hospitals and selected Members of Parliament, Local Economic Growth Support (LEGS), Uganda National Bureau of Statistics (UNBS) under Private Sector Development Programme, Human Capital Development and Regional Development Programme

A total of four (4) issues of The Equity Voice newsletter were produced, along with 600 embroidered polo T-shirts, 2,000 copies of fact sheets, brochures, and banners. These materials were disseminated to vulnerable and marginalized individuals, as well as duty bearers, to raise awareness and promote the principles of equity, inclusion, and social justice.

23 radio talk shows were conducted targeting the vulnerable group in the 4 sub-regions of Uganda. 3 digital/social media campaigns conducted on; Impact of high school charges on vulnerable students; launch of the ARSEO and gender and Equity factors hindering women from massively participating in electoral process.

9 laws, Bills & policies were reviewed & reports prepared pending final submission to the respective persons.

A total of 40 Guidelines were developed.

The 11th Annual Report on the State of Equal Opportunities was produced, launched, and disseminated at Sheraton Hotel under the theme “Fostering Inclusive Growth for Sustainable Development.”

Variances and Challenges

There is still a challenge for the Commission to comprehensively build the capacity 20 programmes Secretariats, 162 votes and 176LocalGovernmentsin terms of building capacity and Assessments of budgets on gender and equity requirements as required by PFMA, 2015.

Limited access to information on government programs by the populace especially vulnerable and hard to reach areas which limit their accessto, participation in and benefit from government programmes for inclusive development.

Low funding has affected the scope of operation and the depth of programmes that the Commission undertakes, this is in view of its mandate.

The training of MDAs and LGs was halted due to limited funding, some districts were left out and need to be covered with comprehensive training

Budget cuts during the financial year further incapacitates the realization of Commission’s mandate

Increase in case backlog leading to delay in dispensation of social justice has become rampant and this is as a result of underfunding and staffing gap

The embargo on travel abroad and workshops/seminars has affected the operations of the Commission Parliament of

Uganda has consistently made recommendations to the Ministry of Finance Planning and Economic Development to increase the EOC budget MTEF ceiling over the years. However most of the recommendations have never been put into consideration

Non-competitive and low remuneration. As a result, the turnover of the staff has remained high leading to loss of skilled staff

Validation meetings for the 3 gender and Equity specialized Audits in selected Development Programmes of Human Capital Development, Regional Development and Private Sector Development were conducted	The Commission validated the Special Audit on mainstreaming gender and equity in 17 Local governments in Uganda with representatives from the Local governments officials. Some of the recommendations include; 1. It was recommended that gender and equity discussions should be anchored in concrete data, rather than just outlining challenges. For instance, when addressing infrastructure development, sharing specific estimates and figures is essential. The absence of such quantifiable details may prevent effective solutions and hinder progress in addressing the issue. 2. As a key member of the National Task Force, the EOC should prioritize continuous capacity-buildings for Local governments enhancing their ability to effectively address gender and equity (G&E) issues. This includes training on G&E planning, budgeting, and the dissemination of relevant guidelines to support the successful integration and implementation of G&E principles in local government services.

Feedback session with the institutions' management and sign off improvement plans conducted	Feedback session was conducted and it to review the outcomes of the gender and equity assessment of the BFP, identify gaps in compliance, and discuss strategies for improvement. It provides a platform for stakeholders to share insights, reflect on the assessment findings, and collaborate on actionable recommendations to enhance gender and equity responsiveness in the budgeting process, during the session the commission identified some of the issues like; 1. During the budgeting and planning phases, the Commission observed a significant misalignment between national priorities and regional development needs, noting that many programs lack clear, targeted interventions to support regional growth. 2. Budget allocation to key development program areas that can accelerate and ignite economic growth, such as agro-industrialization, innovation, technological development and transfer, manufacturing and tourism development, received inadequate allocation.	
Annual Stake holder dialogue on gender and equity planning and budgeting in Uganda conducted	The Commission has carried out a high level dialogue addressing gender and equity issues in Uganda through strategic engagements with the parliamentary Committee on Gender, Labor and Social Development and these were dome of the key highlights; a) Regional income disparities (Acholi 68%, Karamoja 66%, Bukedi 35%, Busoga 29%, Kigezi 28%) (UBOS, 2022); b) High youth unemployment rate at 13.3% of Ugandans aged 15-24, (UBOS, 2020) c) Continued marginalization of vulnerable groups; despite government efforts to taking affirmative action redress imbalances. d) The rampant land evictions and land grabbing against the poor leaving the rural poor with hardly any means of survival.	
Staff trained in gender and equity, focussing on emerging areas of Climate change	Staff trained in gender and equity, focusing on emerging areas of Climate change	
Vote Specific guidelines for 40 selected MDAs developed	5 Vote Specific guidelines for selected MDAs developed	
special/Adhoc assignments conducted	Special and ad-hoc assignments were undertaken to address emerging institutional priorities and support timely decision-making on critical issues.	
the adequacy of The systems of Internal Control in mitigating risks evaluated	Evaluated the adequacy and effectiveness of internal control systems in mitigating organizational risks and ensuring compliance with established policies and procedures.

Joint Tracking exercise on the implementation of the climate change commitments by Local Government and MDAs conducted	The Compliance Department successfully tracked four programmes on the implementation of gender and equity commitments for FY 2023/24. Findings highlighted commendable efforts by some MDAs and LGs, particularly under the Agro-Industrialization Programme, to promote gender equality and empower vulnerable groups. However, significant service delivery gaps were noted, including funding shortfalls for disability grants, limited access to health and education services in rural areas, unaffordable specialized healthcare, non-operational government investments, mismanagement of grants, and low community awareness of initiatives like the Parish Development Model. A detailed report was disseminated to the respective programme secretariats for action.

Local Government Budget Framework Papers gender and equity compliance Assessment FY 2025/2026 conducted	• Assessment of LGBFP was carried out in the fourth quarter of FY 2024/25. The department carried out both desk review of the LGBFP and regional based assessment. • The assessment of LGBFPs commenced with comprehensive review the assessment tool to align it with NDP IV 2025/26 – 2029/30. • The highlights of the findings of assessment include; i. Non alignment of existing policies during planning and budgeting. ii. Program Design and implementation is not based on analysis i.e. targeting all categories of people iii. Limited Stakeholder Participation and Engagement during planning, budgeting and subsequent implementation of activities. iv. Limited Budget and Resource Allocation to LGs v. Delayed Implementation of projects. vi. Limited Institutional Capacity to address gender equality. vii. Decline in Revenue Collection in LGs. viii. Direct implementation of projects by the centre. A draft report is available for internalization.

Joint Tracking exercise on the implementation of the Gender and Equity commitments by Local Government conducted.	In FY 2023/24, the Compliance Department successfully tracked four programmes on the implementation of gender and equity commitments. Findings highlighted commendable efforts by some MDAs and LGs, particularly under the Agro-Industrialization Programme, to promote gender equality and empower vulnerable groups. However, significant service delivery gaps were noted, including funding shortfalls for disability grants, limited access to health and education services in rural areas, unaffordable specialized healthcare, non-operational government investments, mismanagement of grants, and low community awareness of initiatives like the Parish Development Model. A detailed report was disseminated to the respective programme secretariats for action.
Capacity of Gender and Equity focal persons on G&E Planning and budgeting conducted	Capacity-building sessions were conducted for Gender and Equity (G&E) focal persons to enhance their skills and knowledge in G&E-responsive planning and budgeting, aimed at strengthening integration of equity considerations in institutional programs and activities.
176 Local Governments Consulted	The Commission staff actively participated in consultative meetings across the four regions (Western, Northern, Eastern, and Central), guiding Local Governments on mainstreaming gender and equity in planning and budgeting. A comprehensive report highlighted key challenges affecting service delivery, including boundary disputes, abandoned water sources, declining local revenue, human-wildlife conflicts, inadequate staffing in new sub-counties and health centers, salary disparities among public servants, recruitment challenges for critical healthcare roles, and lack of staff accommodation in schools and health facilities.

Programme Intervention: 180102 Alignment of budgets to development plans at national and sub-national levels	
Councils in gender and equity planning and budget in 40 Local Governments orientated	Trainings were conducted in selected Local Councils among which include; Iganga, Buikwe, Njeru MC, Kayunga, Bugweri, Bududa, Butaleja, Kibuku, Budaka, Mukono, Mukono MC, Jeru MC, Lugazi MC, Butambala, Gomba among others. Key areas of concern among others include; i. Lack of gender and equity disaggregated data to guide planning and budgeting ii. Lack of general Hospital to offer health services iii. Lack of primary schools in most parishes iv. Corruption and embezzlement of government funds. v. Limited consultations during planning vi. Political influence in delivery of services A comprehensive orientation report in available for perusal.
Commissions Executive monitoring, and oversight of interest groups Marginalised communities conducted in selected local government	In fulfillment of the Minimum Deliverable by His Excellency the President, the Commission conducted Executive Monitoring in selected districts across Uganda with the objective of assessing the level of inclusion of Persons with Mental Health Disabilities in development programmes. The exercise was carried out in the districts of Nwoya, Adjumani, Alebtong, Mbarara, Kisoro, Kabale, Kasese, Fort Portal, Hoima, Kakumiro, Sheema, Lyantonde, Mubende, Buikwe, Kayunga, Mukono, Iganga, Mbale, Jinja, Tororo, and Bugiri. A detailed report was compiled to inform policy recommendations and strengthen inclusion of Persons with Mental Health Disabilities in national development initiatives.
Commissions Executive monitoring, and oversight of interest groups Marginalised communities conducted in selected local government	Developed Compliance Guidelines, a Compliance Checklist, and a Compliance Improvement Plan Framework for the private sector, with a focus on the manufacturing industry, industrial parks, and financial inclusion programmes. These tools are aimed at strengthening adherence to gender and equity requirements, promoting inclusive practices, and enhancing accountability within private sector development initiatives
Commissions Executive monitoring, and oversight of interest groups Marginalised communities conducted in selected local government	Impromptu Checks for compliance in G&E commitments were conducted in human Capital development programme, manufacturing, Tourism and Agro-industrialization.

PIAP Output: 18010211 Aligned budgets to Gender and Equity Outcomes	
Programme Intervention: 180102 Alignment of budgets to development plans at national and sub-national levels	
Compliance guidelines and checklist and compliance plan framework for the private sector focusing on Manufacturing , industrial parks and Financial inclusion programmes deleoped	Feedback session was conducted and it to review the outcomes of the gender and equity assessment of the BFP, identify gaps in compliance, and discuss strategies for improvement. It provides a platform for stakeholders to share insights, reflect on the assessment findings, and collaborate on actionable recommendations to enhance gender and equity responsiveness in the budgeting process, during the session the commission identified some of the issues like; 1. During the budgeting and planning phases, the Commission observed a significant misalignment between national priorities and regional development needs, noting that many programs lack clear, targeted interventions to support regional growth. 2. Budget allocation to key development program areas that can accelerate and ignite economic growth, such as agro-industrialization, innovation, technological development and transfer, manufacturing and tourism development, received inadequate allocation.
Impromptu checks using the checklist to establish status of compliance in selected manufacturing areas conducted	Impromptu compliance checks were conducted in selected manufacturing areas using a standardized checklist to assess and establish the level of adherence to set regulations and guidelines.
Feedback sessions with the institutions' management and sign off improvement plans conducted	The feedback session targeted Parliament Committee of Equal Opportunities and key areas of discussion include; i. Mismatch between national priorities and regional development needs. ii. Inadequate budget allocation to key development program areas. iii. High cost of debt repayment at 34trillion out of 72trillion. iv. Huge wage bill which is equivalent to 11% of the total annual budget which affects service delivery. v. Most MDAs and LGs return unutilized money or funds to the treasury. vi. Delays and high cost of implementing of Government Projects in almost all sectors ranging from education, infrastructure, health.
Annual Stake holder dialogue on gender and equity planning and budgeting in Uganda conducted	The Commission has carried out a high level dialogue addressing gender and equity issues in Uganda through strategic engagements with the parliamentary Committee on Gender, Labor and Social Development and these were dome of the key highlights; a) Regional income disparities (Acholi 68%, Karamoja 66%, Bukedi 35%, Busoga 29%, Kigezi 28%) (UBOS, 2022); b) High youth unemployment rate at 13.3% of Ugandans aged 15-24, (UBOS, 2020) c) Continued marginalization of vulnerable groups; despite government efforts to taking affirmative action redress imbalances. d) The rampant land evictions and land grabbing against the poor leaving the rural poor with hardly any means of survival.
Gender and Equity issues papers and mainstreaming guidelines developed focusing on delivery of decentralised Services or programmes in local governments developed	Developed Gender and Equity Issues Papers and Mainstreaming Guidelines focusing on the delivery of decentralized services and programmes in Local Governments, aimed at strengthening inclusiveness, addressing disparities, and promoting equitable access to public services for all population groups.

Project:1325 NAGRC Strategic Intervention for Animal Genetics Improvement Project

Budget Output: 010004 Animal Feeds Production

PIAP Output: 01010102 Cooperative societies, communities supported with cleaning, drying, grading and processing equipment

Programme Intervention: 010101 Establish post-harvest handling, storage and processing infrastructure including silos, dryers, warehouses, and cold rooms of various scale and capacities at subcounty, district and zonal levels.

PIAP Output Indicators	Indicator Measure	Planned 2024/25	Actuals By END Q 4
Number of animal feed production, packaging, and storage facilities on 7 NAGRC&DB centre farms	Number	3	1

VOTE: 125 National Animal Genetic Resource Centre and Data Bank (NAGRC&DB)

Quarter 4

Performance highlights for the Quarter

1. The agency registered great achievements especially under animal feed production and processing. Given the fact that animal feeds constitute almost 80% of the total livestock production costs, the agency continued to prioritize animal feed production on government farms and ranches. By the end of the Financial Year, a total of 580 MT of compounded animal feeds had been processed at Kasolwe feed mill- Kamuli. Over 28,171 hay bales and 2,370 tons of silage had been made/ produced and availed for both internal and external dry season feeding countrywide.

2. The agency has developed a new Uganda National Animal Breeding Strategy and Action Plan (NABSAP) to transform Animal breeding through science, partnerships and sustainable innovations. This is a very critical strategy that is supposed to guide the livestock breeding ecosystem in the country.

Variances and Challenges

1. The demand for high-performing animal seed is ever-increasing due to the fact that farmers continue to access PDM funds meant to acquire inputs such as poultry and piglets. The agency being the chief government breeder and the most reliable source of such inputs continues to experience an overwhelming demand beyond its production capacity due to limited funds to massively breed, multiply and avail such inputs to PDM farmers. This skyrocketing demand for inputs calls for sufficient funding of the agency.

2. The agency experienced public outcry as a result of the breakdown of liquid nitrogen plants in Entebbe, Mbarara and Buikwe. This challenge crippled the production of liquid nitrogen that is very critical in livestock breeding and production.

3. Mass encroachment on government farms and ranches continues to cripple the agency’s livestock breeding and production efforts.

PIAP Output: 01040704 Animal breeding,production, administrative units and research facilities constructed and equipped		
Programme Intervention: 010407 Strengthen agricultural research and technology development		
Construct and renovate seventeen (17) assorted farm structures to support breeding and production (cattle sheds, cattle crushes, paddocks, spray races, goat houses, pig stys, calf pens, poultry growers' units, spray races, farm residential units, etc) in Ruhengyere, Nshara, Sanga, Lusenke, LES, Bullstud, Rubona, Bulago, Maruzi, Kasolwe, Aswa Zebu, Got Apwoyo, Aswa, Njeru, Wakiso NPDC	1. Repaired 8 kraals in Maruzi, Ruhengere, Sanga and Nshaara 2. Constructed four (4) paddocks and two (2) crushes at Sanga stock farm 3. Established a water system from the dams to the water troughs to support livestock welfare at Sanga 4. Repaired five(5) goat rearing units at Sanga, Ruhengyere and Maruzi	No significant variations

Project:1325 NAGRC Strategic Intervention for Animal Genetics Improvement Project		
PIAP Output: 01040705 Demand driven agriculture technologies developed		
Programme Intervention: 010407 Strengthen agricultural research and technology development		
a)Routine management and maintenance of the semen laboratory and liquid nitrogen plants b) Conduct countrywide training of farmers in livestock breeding and production techniques with emphasis on NAGRC&DB products and services c)Training fish breeders, farmers and extension workers in fish breeding and management technologies d) Monthly fish stock assessments, sorting, grading and selection and spawning/multiplication e) Community outreach to support farmers in fish breeding and production f) Training of sub-county AI Technicians to support livestock farmers under the PDM g) Facilitation for community breeders h) National coordination of data collection on AI and calves born under CBBP i) Procurement of a liquid nitrogen delivery truck with a 1000 litre tank j) Training of 25 AI technicians k) Conduct bull breeding soundness evaluation l) Delivery of AI inputs to the districts m) Semen collection n) Monitoring of semen use in the field and ensuring quality control	1. Produced and availed 125,372 of farmer preferred multipurpose scavenging chicks to farming communities 2. A total of 19,462 litres of liquid nitrogen were produced at Buikwe, Mbarara and Entebbe LN2 plants 3. A total of 16,059 doses of semen were produced at the National Bull stud and genetic evaluation center 4. Procured drugs and vaccines for Government farms and ranches to maintain desirable animal health. Several activities such as spraying, vaccination, deworming , dehorning, castration, disease diagnosis and treatment of sick animals were conducted 5. A total of 3,547 heads of cattle were inseminated and this benefited about 529 farmers countrywide 6. A total of 40 Artificial Insemination technicians were skilled and equipped at Ruhengyere AI training centre in Kiruhura 7. A total 612 livestock farmers and students from various universities were skilled in the best animal farming and breeding practices 8. Procured twentyfive(25) boran breeding bulls for Govt ranches	The breakdown of liquid nitrogen plants which are very costly to repair affected the production and supply of liquid nitrogen and semen

Project:1325 NAGRC Strategic Intervention for Animal Genetics Improvement Project

Budget Output:010004 Animal Feeds Production

VOTE: 125 National Animal Genetic Resource Centre and Data Bank (NAGRC&DB)

Quarter 4

Outputs Planned in Quarter	Actual Outputs Achieved in Quarter	Reasons for Variation in performance
Project:1325 NAGRC Strategic Intervention for Animal Genetics Improvement Project		
PIAP Output: 01010102 Cooperative societies, communities supported with cleaning, drying, grading and processing equipment		
Programme Intervention: 010101 Establish post-harvest handling, storage and processing infrastructure including silos, dryers, warehouses, and cold rooms of various scale and capacities at subcounty, district and zonal levels.		
a) Process assorted compounded animal feed at Kasolwe feed mill- Kamuli b) Manage the established gardens (weeding, fertilizer application, harvesting, storage etc) c) Bush clear one (1) square mile in Ruhengyere, Nshara, Sanga, Lusenke, Rubona, Maruzi, Kasolwe, Got Apwoyo, Aswa Government ranches and farms for animal feed production	1. During this quarter, the agency was able to conduct bush clearing of over 900 acres of farm land on various government farms and ranches, to prepare land for animal feed production 2. The agency processed and availed over 120 MT of compounded animal feeds at Kasolwe feed mill- Kamuli. This is an effort to combat the rampant animal feed scarcity and high costs of animal feeds in the country. Almost a half of the feeds were internally consumed by government livestock 3. The agency also engaged in hay and silage making in which over 6,215 hay bales and over 547 tons of silage have been made and availed for both internal and external dry season feeding countrywide	Inadequate farm machinery for mechanized farm operations

Quarter 4: Cumulative Outputs and Expenditure by End of Quarter

Annual Planned Outputs	Cumulative Outputs Achieved by End of Quarter
Programme:01 Agro-Industrialization	
SubProgramme:01 Institutional Strengthening and Coordination	
Sub SubProgramme:01 Breeding and Genetic Improvement	
Departments	
Department:002 Finance and Administration	
Budget Output:000005 Human Resource Management	
PIAP Output: 01910102 Finance and Accounting coordinated	
Programme Intervention: 019101 Strengthen government institutions for effective and efficient service delivery.	
Strengthening financial, accounting and administrative processes (three(3) financial reports prepared at head quarters, asset and equipment management, four(4)utility bills cleared, revenue mobilization, governance and meeting other administrative costs)	a) Paid for medical insurance b) Conducted Board oversight activities at headquarters and government farms/ranches c) Paid utilities for all office premises d) Provided guard and security services to headquarters and government farms/ranches e) Mobilized revenue for improved programme performance f) Audited the implemented activities on Government farms/ranches g) Procured office stationery
PIAP Output: 01910103 Procurement and Disposal Services coordinated	
Programme Intervention: 019101 Strengthen government institutions for effective and efficient service delivery.	
Strengthen procurement and disposal function for standardized Gov't procurement and disposal processes(produce twelve(12) procurement reports and one(1)disposal plan, coordinate contracts and evaluation committee activities, contract management etc.)	1. Monitored procurement contracts at headquarters and government farms/ ranches for procurement efficiency 2. Facilitated contracts and evaluation committee meetings to enhance contract management
PIAP Output: 01910106 Planning and Budgeting Services coordinated	
Programme Intervention: 019101 Strengthen government institutions for effective and efficient service delivery.	
Strengthen planning and budgeting function for outcome-oriented implementation of government projects and programmes (prepare four(4) progress reports, prepare one(1) budget framework paper and one(1) ministerial policy statement etc.)	1. Prepared the Budget Framework Paper for the FY 2025/26 2. Successfully held the internal budget conference for the FY2025/26 3. Participated in programme planning and budgeting events under Agro industrialization programme 4. Prepared the Ministerial Policy Statement(MPS) for the FY2025/26 5. Finalized the budget estimates for the FY2025/26 6. Prepared quarterly progress reports
PIAP Output: 01910107 Monitoring and Evaluation conducted	
Programme Intervention: 019101 Strengthen government institutions for effective and efficient service delivery.	
Effective implementation of agro-industrialization programme objectives (Conduct four (4) project and programme M&E exercises, organise four(4) performance reviews, execute data collection activites etc)	1. Prepared progress report on ongoing project activities 2. Monitored planned activities on government ranches/farms

VOTE: 125 National Animal Genetic Resource Centre and Data Bank (NAGRC&DB)

Quarter 4

Annual Planned Outputs	Cumulative Outputs Achieved by End of Quarter
PIAP Output: 01910108 Staff Salaries and related benefits paid	
Programme Intervention: 019101 Strengthen government institutions for effective and efficient service delivery.	
Strengthen human resource function for effective public service delivery (pay staff salaries, gratuity and NSSF to atleast 566 staff, supervise human resource personnel on government ranches and headquarters, managing staff welfare, capacity building etc)	1. Paid contract staff salaries 2. Paid staff gratuity and NSSF for all the project staff

Annual Planned Outputs	Cumulative Outputs Achieved by End of Quarter
Project:1325 NAGRC Strategic Intervention for Animal Genetics Improvement Project	
PIAP Output: 01040705 Demand driven agriculture technologies developed	
Programme Intervention: 010407 Strengthen agricultural research and technology development	
Support farmers (youth, women and men) with Artificial Insemination inputs (semen, hormones, liquid nitrogen etc), restock Gov't ranches and farms for Parish Development Model(atleast 500 animals introduced), management of livestock on Government ranches	1. The agency introduced 5,000 parent stock of Kuroiler and Rainbow roosters for multiplication and availing of farmer preferred multipurpose scavenging chicks 2. Procured drugs and vaccines for Government farms and ranches to maintain desirable animal health 3. Produced and availed 226,744 of farmer preferred multipurpose scavenging chicks to farming communities 4. A total of 89,441 litres of liquid nitrogen were produced at Buikwe, Mbarara and Entebbe LN2 plants 5. A total of 90,902 doses of semen were produced at the National Bull stud and genetic evaluation center 6. Over 17,588 heads of cattle were inseminated and this benefited about 2,402 farmers countrywide 7. A total of 164 Artificial Insemination technicians were skilled and equipped at Ruhengyere AI training centre in Kiruhura 8. Over 4,449 livestock farmers and students from various universities were skilled in the best animal farming and breeding practices 9. Procured twentyfive(25) boran breeding bulls for Govt ranches

Cumulative Expenditures made by the End of the Quarter to Deliver Cumulative Outputs *UShs Thousand*

Budget Output:010007 Conservation and utilization of indigenous Animal Genetic resources

VOTE: 125 National Animal Genetic Resource Centre and Data Bank (NAGRC&DB)

Quarter 4

Annual Planned Outputs	Cumulative Outputs Achieved by End of Quarter
Project:1325 NAGRC Strategic Intervention for Animal Genetics Improvement Project	
PIAP Output: 01040701 Animal breeding stock multiplied and distributed to farmers country wide for cattle, poultry, goats, pigs, fish	
Programme Intervention: 010407 Strengthen agricultural research and technology development	
Support animal genetic resources conservation programmes to preserve biodiversity (maintenance of the regional gene bank, characterization of livestock species, selection and acquisition of the germplasm for gene banking etc)	1. Collected 200 blood samples of Zebu and Ankole long horned cattle from Eastern and Northern Uganda for characterization 2. Characterized over 500 indigenous pigs (black, belted and spotted pigs) as part of continuous conservation efforts and also collected and processed over 600 skin tissue and ear tissue biopsies from indigenous pigs in Masaka, Kamuli and Hoima Districts 3. Periodically filled the liquid nitrogen tanks at the gene bank to preserve the Primordial Germ Cells (PGCs) 4. Carried out routine management and maintenance of the gene bank tools and equipment eg the servicing of the -800c and -200c freezers 5. In collaboration with Uganda Civil Aviation Authority (UCAA), the agency collected DNA samples from wild birds that distort flights, with the main objective of identifying their nature & origin and formulating a solution for them

Annual Planned Outputs	Cumulative Outputs Achieved by End of Quarter
Project:1325 NAGRC Strategic Intervention for Animal Genetics Improvement Project	
PIAP Output: 01010102 Cooperative societies, communities supported with cleaning, drying, grading and processing equipment	
Programme Intervention: 010101 Establish post-harvest handling, storage and processing infrastructure including silos, dryers, warehouses, and cold rooms of various scale and capacities at subcounty, district and zonal levels.	
Animal feed production and processing to support Parish Development Model farmers (men, women, PWDs and the youth) with high quality and affordable animal feeds, establishing animal feed and grain storage facilities on Government farms and ranches etc.	1. The agency processed and availed over 580 MT of compounded animal feeds at Kasolwe feed mill- Kamuli. This is an effort to combat the rampant animal feed scarcity and high costs of animal feeds in the country. Almost a half of the feeds were internally consumed by government livestock 2. The agency also engaged in hay and silage making in which over 28,171 hay bales and over 2,370 tons of silage have been made and availed for both internal and external dry season feeding countrywide 3. The agency was able to conduct bush clearing of over 1240 acres of farm land on various government farms and ranches, to prepare land for animal feed production

VOTE: 125 National Animal Genetic Resource Centre and Data Bank (NAGRC&DB)

Quarter 4

Table 4.3: Vote Crosscutting Issues

i) Gender and Equity

Objective:	Promote gender and equity in livestock breeding and production interventions for inclusiveness in the Parish Development Model
Issue of Concern:	1. Limited access to specialized trainings and skilling that are very crucial for livestock production and productivity among the rural communities 2. Limited accessibilty and affordability to profitable livestock enterprises among rural women and youth
Planned Interventions:	1. Skilling of rural farming communities in managing profitable livestock enterprises 2. Restocking, breeding, production, multiplication and availing improved animal seed with special consideration of rural farming communities
Budget Allocation (Billion):	4.000
Performance Indicators:	1. Number of improved animal seed and poultry numbers extended to farmers countrywide 2. Number of farmers and technicians (men, women, youth, PWDs) trained and skilled on and off Government ranches and farms
Actual Expenditure By End Q4	3.4
Performance as of End of Q4	1. Conducted poultry breeding and production activities that resulted into production and availing of 226,744 of farmer preferred multipurpose scavenging chicks to farming communities countrywide 2. A total of 4,449 (3,137 men and 1,312women) livestock farmers and students from various universities were trained in the best animal farming and breeding practices. This was done on Government ranches and community engagements like “Enkuuka yo mwaka” in Mengo,“Omwoleso gagadde”, Gayaza High School farm camp, UVA annual symposium etc 3. The agency imported/introduced 5,000 parent stock of Kuroiler and Rainbow roosters for multiplication and availing of farmer preferred multipurpose scavenging chicks to farming communities countrywide
Reasons for Variations	No significant variations

ii) HIV/AIDS

Objective:	Create HIV/AIDS awareness among the farming communities and employees to sustain their productivity
Issue of Concern:	HIV/AIDS negatively affects agriculture labor force and employees in terms production and productivity respectively
Planned Interventions:	1. Working with Uganda AIDS Commission and other relevant stakeholders to promote protective measures 2. Mass sensitization of the farmers during animal breeding and production activities
Budget Allocation (Billion):	0.080
Performance Indicators:	1. Quantity of HIV/AIDS safety products dispensed at headquarters, Government ranches and farms 2. No. of farmers sensitized during animal breeding and production activities
Actual Expenditure By End Q4	0.076
Performance as of End of Q4	A total 4,449 (3,137 men and 1,312 women) livestock farmers and students from various universities were sensitized during on and off farm trainings in the best animal farming and breeding practices.
Reasons for Variations	No significant variations

iii) Environment

Objective:	To safe guard the environment against climate change
Issue of Concern:	Over grazing can easily cause climate change through land degradation. Most researchers argue that a decline in the vegetation covers leads to a reduction in evapotranspiration and this later causes an increase in the temperature levels.

VOTE: 125 National Animal Genetic Resource Centre and Data Bank (NAGRC&DB)

Quarter 4

Planned Interventions:	1. Establishment of paddocks to control over grazing on Government ranches and farms 2. Promote agro forestry on Government ranches and farms by planting fodder trees
Budget Allocation (Billion):	0.300
Performance Indicators:	.Number of grazing paddocks established on Government ranches and farms 2. Number of fodder trees planted and maintained on Government farms and ranches
Actual Expenditure By End Q4	0.25
Performance as of End of Q4	1. Maintained six (6) paddocks in Njeru, Maruzi, Aswa and LES and constructed thirteen (13) night paddocks at Aswa and Sanga to control overgrazing on Government farms and ranches 2. Maintained 3,818 fodder trees on Government farms and ranches
Reasons for Variations	No significant variations

VOTE: 126 National Information Technologies Authority

Quarter 4

Performance highlights for the Quarter

ICT INFRASTRUCTURE
1. During the FY2024/25, 4,387 km of OFC were maintained, covering 57 Districts across the country, representing 42 percent of the 135 districts in the country.
2. An additional ten sites were connected to the NBI, bringing the cumulative number of MDAs/ DLGs and other target user group sites connected to 1,577
3. Three additional new applications were hosted in the National Data Centre, cumulatively bringing the total number of applications hosted in the NDC to three hundred eight.
E-SERVICES
1. UMCS was further rolled out to five additional entities, bringing the total number of entities enrolled to one hundred fifty-seven. This eases streamlined information sharing.
2. Eight additional websites for government entities were developed, and thirty-seven revamped, easing access to Government services provided online.
3. Eighteen public and private entities were integrated onto the platform, bringing the cumulative number of entities onboarded to one hundred fifty-seven. This contributes to seamless data sharing and eliminates duplication of services across government.
INFORMATION SECURITY
1. To improve the information security hygiene in the public, twenty-three information awareness sessions were conducted both in the private and public entities.
2. Through routine cybersecurity monitoring of shared e-services, thirty cyber threat advisories were issued as a proactive measure to reduce cyber risk exposure for the targeted audience.
3. Furthermore, one (01) training on threat actor communication was successfully conducted.
DATA PROTECTION AND PRIVACY
1. Conducted regional compliance clinics inspecting 44 entities, carried out nine onsite audits, and responded to 100% of 73 legal and regulatory advice requests.
2. To build capacity, ten (10) capacity-building webinars were held for data protection officers.
3. The registration of data processors and controllers increased by 2,966, bringing the total to 6,418.

Variances and Challenges

1. For some of the MDA, systems to be integrated into the Integration and Data sharing Platform (UgHub) do not have Applications Programming Interfaces (APIs) developed, which has hindered the rollout of the platform. However, NITA-U continues to engage MDAs to plan for the Application Programming Interfaces (APIs) for their respective systems for ease of integration onto the platform to share data.
2. Inadequate budget to fully operationalize the Personal Data Protection Office. However, the Authority continued to engage the MoFPED through MoICT&NG to secure funding for the operationalization of the Office.
3. Delay in obtaining the no-objections from the World Bank and the technical committees, which stalls the implementation of the NITA-U infrastructure projects.

Budget Output:300007 ICT infrastructure planning

PIAP Output: 11030301 "i). Government service delivery units (schools, hospitals, post offices, tourism sites, police, LGs etc) connected to the NBI.

Programme Intervention: 110303 Extend broadband ICT infrastructure coverage countrywide in partnership with the private sector and all Government entities and implement last mile connectivity to key areas (Districts, sub-counties, schools, hospitals, post offices, tourism sites, police, LGs etc.)

1. Data Centre and DR operations monitored and effectively supervised. 2. Maintenance of National Data Centre and Disaster Recovery Machinery	NITA-U continued to maintain existing applications and systems within the National Data Centre (NDC), registering the 99% uptime of the NDCand DRC through effective service monitoring.	Target achieved.
Data Centre and DR Hosting Services for MDAs Applications and Systems provisoned. Three (3) Additional Applications hosted.	Within the FY 2024/25, three (03) additional applications were hosted at the National Data Centre (NDC), cumulatively bringing the total number of applications hosted to three hundred eight (308) from one hundred (100) entities	Target achieved

PIAP Output: 11030302 "i). National Backbone infrastructure extended.

Programme Intervention: 110303 Extend broadband ICT infrastructure coverage countrywide in partnership with the private sector and all Government entities and implement last mile connectivity to key areas (Districts, sub-counties, schools, hospitals, post offices, tourism sites, police, LGs etc.)

National Backbone Infrastructure assets monitored.	National Backbone Infrastructure maintained in a fully functional state with 99.9% service uptime to the 1,464 MDAs/LGs and TUGs sites connected to the network.	Target achieved

PIAP Output: 11030301 "i). Government service delivery units (schools, hospitals, post offices, tourism sites, police, LGs etc) connected to the NBI.		
Programme Intervention: 110303 Extend broadband ICT infrastructure coverage countrywide in partnership with the private sector and all Government entities and implement last mile connectivity to key areas (Districts, sub-counties, schools, hospitals, post offices, tourism sites, police, LGs etc.)		
Supervise Contractors undertaking Last Mile Connections	No progress registered. Awaiting final decision on the restructuring of the project.	The project is undergoing restructuring
Consultant engaged to provide the final curriculum	The consultant wasn't engaged due to required approvals. Therefore, obtained Board approval for the Data Protection and Privacy Training Curriculum	Process to obtain approvals is still ongoing
Media engagements conducted	A communication Strategy was developed, and 10% of the interventions were implemented through online awareness engagements.	Performance on track. Implementation of the strategy was stalled by the restructuring of the project.
	Nothing was done about the bill hence dependence on the regulatory Impact Assessment (RIA).	The task is pending completion of the RIA
First draft of the Institutional and Governance Structure developed.	The contract was signed on March 28, 2025, and it is under implementation following the development of the first draft of the institutional and governance structure.	The performance is on track
Draft IS standards and certification framework for SMEs developed.	After completion of the CER, the Consultant wrote a letter on December 19, 2024, withdrawing their Tender. A negotiation meeting was held with the consultant.	The performance is on track
Quality Assurance and VAPT services executed.	Awaiting a final decision due to the restructuring of the project.	The target was hindered by the restructuring of the project.
Onboarding and Gap Assessment conducted in the 10 MDAs	The draft contract was submitted to the Solicitor General for review.	There has been a delay in approving the contact by SG hence a delay in the project overall.
Acquired licenses distributed to the scoped entities.	This is still under Implementation due to a slight delay in the acquiring of licences.	The Performance on track.
Developer supervised to develop the PKI	The process is still ongoing. The developer has not yet been engaged to start the process.	The technical evaluation report is under review by the World bank.
Four policies developed.	This is still ongoing due to dependency on the regulatory Impact Assessment (RIA).	The task is pending completion of the RIA
Identified policy developed.	This is still ongoing and is dependent on the regulatory Impact Assessment (RIA).	The task is pending completion of the RIA.

Programme Intervention: 110303 Extend broadband ICT infrastructure coverage countrywide in partnership with the private sector and all Government entities and implement last mile connectivity to key areas (Districts, sub-counties, schools, hospitals, post offices, tourism sites, police, LGs etc.)		
Draft report on the updated laws produced.	Dependent on the regulatory Impact Assessment (RIA).	The process of reviewing and uodating these laws is still underway.
ICT equipment deployed	Awaiting final decision from restructuring of the project.	The target was hindered by the restructuring of the project.
Data protection audits conducted and final report provided.	The contract was signed and is under implementation.	The target was hindered by the restructuring of the project.
Data protection audit report produced and approved.	An awareness and sensitization plan were developed and implemented in three (03) agencies including Uganda Police Force (UPF), National Building Review Board (NBRB), and Makerere University Kampala (MUK).	Target not achieved due to delays and the inadequate budgets provided.
Final report produced	This wasn't conducted due to the restructuring of the project that is ongoing.	The output is pending the completion of the restructuring of the project.
Office premises acquired. with the required furniture	PDPO Office premises acquired and are fully operational.	The target has been fully implemented and achieved.
First draft of the audit framework developed and approved.	The contract was signed and is this is under implementation.	The performance is on track
Capacity Building Program implemented	The concept note was developed and approved by TC and is pending submission to IDA for review.	There have been some delays by the WB in providing no objection to the submitted concept note.
Threat intelligence platform developed.	The contract was signed on March 28, 2025, and this output is under implementation.	The performance is on track.
Enhanced digital forensics lab installed and commissioned.	A concept note developed and approved by TC and pending submission to IDA for review.	There have been delays by the WB in providing no objection to the concept note.
PIAP Output: 11010513 Enhancement of usage of National Data Centre (NDC)		
Programme Intervention: 110301 Establish and enhance national common core infrastructure (data centres, high power computing centres, specialized labs)		
One hundred additional applications hosted at the NDC.	Three (03) additional new applications were hosted in the National Data Centre (NDC), cumulatively bringing the total number of applications hosted in the NDC to three hundred eight (308)	Target not achieved due to the project restructuring efforts being undertaken

SubProgramme:02 E-Services

Sub SubProgramme:03 Electronic Public Services Delivery

Departments

Department:001 E- Government Services

Budget Output:300002 E-services

PIAP Output: 11010503 "i). Unified Messaging and Collaboration System rolled out.

Programme Intervention: 110105 Mainstream ICT in all sectors of the economy and digitize service delivery

Change management and training for 1 institutions	One entity onboarded and trained (UFZEPA) and one entity engaged (UHTTI)	Lack of funding for onsite training.

VOTE: 126 National Information Technologies Authority

Quarter 4

Outputs Planned in Quarter	Actual Outputs Achieved in Quarter	Reasons for Variation in performance
PIAP Output: 11010504 "i).BPO /ITES centres supported		
Programme Intervention: 110105 Mainstream ICT in all sectors of the economy and digitize service delivery		
Change management and training for 1 institutions	The BPO centre wasn't established during the FY due to delays in obtaining the developer. However, the BPO website has been redesigned and deployed (www.bpo.go.ug). Global IAC training scheduled to take place from 30th June 2025	The BPO centre wasn't established due to delays in obtaining the investor.
PIAP Output: 11050105 A data sharing and integration platform developed to enhance the delivery of services in government and private sector and operationalized		
Programme Intervention: 110105 Mainstream ICT in all sectors of the economy and digitize service delivery		
Change management, stakeholder workshops	No stakeholder workshops were conducted due to limited GoU funds released. However, the World Bank approved an upgrade of the Interoperability Framework and Enterprise Architecture to cater to emerging technologies and the needs of MDAs	Limited funds were available during the FY.
1. Business requirements documented from the stakeholder entities to be onboarded.	Two private entities have been engaged and are in the testing phase, that is to say Compulynx Ltd, and ARMADA CRB	Target delayed due to ongoing efforts to upgrade the platform.
1. Stakeholders for mobile ID engaged. 2. Provide digital signatures to entities	Four entities (2 public, 2 private) have been engaged (ERB, Tucksee, I&M Bank, MOFA). These entities approximate the total number of users to 100,000.	Target achieved
1. development of sector specific e-services. 2. Change management/Stakeholder workshops	Three e-services identified requirements documents developed. These include; 1. E-license for Animal tracking 2. E-license for Aqua-culture 3. E-provision for Airwaves and TV services for UBC However, the change management of workshops were not conducted due to limited funding.	The identified e-services for Jlos and UIA were not developed, due to limited funding; however, alternative e-services were identified from the Ministry of Agriculture.
Microsoft Licenses acquired and issued to the 10 entities upon application.	Two entities were issued with the Microsoft Licenses i.e; DPF, and EC, and payment was completed.	Target not achieved due to existing Microsoft licenses already in use by the entities.
All developed Websites secured	All developed websites have been secured. Additionally, payment has been completed for 26 domains, each of which has been issued a wildcard SSL certificate.	Target achieved.
Five (5) inclusive DLG Websites designed to support the access to information and services to the public developed and hosted	Two websites were revamped that is; NITA-U, and UPPC. Through revamping these two websites, entities continued to provide up-to-date information, thus providing uninterrupted online services to the public.	There has been no variation, as all DLGs were developed for websites during Q2 of the financial year.

VOTE: 126 National Information Technologies Authority

Quarter 4

Outputs Planned in Quarter	Actual Outputs Achieved in Quarter	Reasons for Variation in performance
PIAP Output: 11050105 A data sharing and integration platform developed to enhance the delivery of services in government and private sector and operationalized		
Programme Intervention: 110105 Mainstream ICT in all sectors of the economy and digitize service delivery		
Promote the utilization of Five e-services i.e Ughub, UMCS, e-doc, IT certification, NBI services Conduct Stakeholder engagements on the uptake of e-services. Hold annual e-government awards to increase uptake and awareness on e-services.	A total of 27 stakeholder engagements were conducted across 24+ MDAs, with a strategic focus on Priority Sectors including Health, Education, JLOS, Energy, Trade, and Tourism. Notably, 16 of these engagements specifically addressed IT Advisory Services to provide technical guidance to MDAs on aligning IT strategies with sectoral goals. These engagements yielded tangible results, including increased MDA adoption of NITA-U services like UGHub and eDoc, enhanced collaboration on sector-specific IT roadmaps, and targeted capacity building.	Target achieved.

Budget Output:300003 ICT infrastructure deployment

PIAP Output: 11030301 "i). Government service delivery units (schools, hospitals, post offices, tourism sites, police, LGs etc) connected to the NBI.

Programme Intervention: 110303 Extend broadband ICT infrastructure coverage countrywide in partnership with the private sector and all Government entities and implement last mile connectivity to key areas (Districts, sub-counties, schools, hospitals, post offices, tourism sites, police, LGs etc.)

NBI Last Mile connectivity extended to cover 700 sites i.e MDA sites, markets, schools, tertiary institutions, and hospitals etc. in the central region - 700 sites i.e. Buikwe-31, Bukomansimbi-15, Butambala-11, Buvuma-7, Gomba-9, Masaka-39, Wakiso-91 etc.	No progress registered. Awaiting final decision on the restructuring of the project.
Approved Data Protection and Privacy curriculum implemented.	The consultant wasn't engaged due to required approvals. Therefore, obtained Board approval for the Data Protection and Privacy Training Curriculum
30% of the following interventions n the PDPO communication and awareness strategy implemented i.e. media engagements (TV, radio, and print media), translation and printing of IECs, and digital campaigns (online publications, .	A communication Strategy was developed, and 10% of the interventions were implemented through online awareness engagements.
Draft the cybersecurity and cybercrime legislation Bill that will as well include provisions for Critical Information Infrastructure Protection prepared	Nothing was done about the bill hence dependence on the regulatory Impact Assessment (RIA).
An institutional and governance structure for cybersecurity with a cybersecurity work and action plan developed	The contract was signed on March 28, 2025, and it is under implementation following the development of the first draft of the institutional and governance structure.
Enhanced adoption of compliance standards and certification for SMEs, with training for auditors.	After completion of the CER, the Consultant wrote a letter on December 19, 2024, withdrawing their Tender. A negotiation meeting was held with the consultant.
External quality assurance for NITA-U Infrastructure and selected core services implemented	Awaiting a final decision due to the restructuring of the project.
Priority institutions in key sectors enabled to reach ISO 27001 Information Security Management System (ISMS) controls or similar certifications.	The draft contract was submitted to the Solicitor General for review.
Seven (7) new features on the Digital Authentication platform added. i.e. Mobile Signing App, Build agent framework and corresponding API for UGPass, Replacement of pins with biometric, Self-service Portal, Delegation of Signing Powers.	This is still under Implementation due to a slight delay in the acquiring of licences.
Migrate services from existing system to point to the established Public key infrastructure PKI.	The process is still ongoing. The developer has not yet been engaged to start the process.

VOTE: 126 National Information Technologies Authority

Quarter 4

Annual Planned Outputs	Cumulative Outputs Achieved by End of Quarter
Project:1615 Government Network (GOVNET) Project	
PIAP Output: 11030301 "i). Government service delivery units (schools, hospitals, post offices, tourism sites, police, LGs etc) connected to the NBI.	
Programme Intervention: 110303 Extend broadband ICT infrastructure coverage countrywide in partnership with the private sector and all Government entities and implement last mile connectivity to key areas (Districts, sub-counties, schools, hospitals, post offices, tourism sites, police, LGs etc.)	
Four (4) policies developed i.e. Data Sharing and Governance Policy, Open Data Policy, National Critical Information Infrastructure Policy and Spectrum Management Policy	This is still ongoing due to dependency on the regulatory Impact Assessment (RIA).
One (1) Policy framework for coordination of public and private infrastructure deployment developed.	This is still ongoing and is dependent on the regulatory Impact Assessment (RIA).
Three (3) Cyber laws reviewed i.e. the Electronic Signatures Act (2011), Electronic Transactions Act, Computer Misuse Act (2011)	Dependent on the regulatory Impact Assessment (RIA).
Procurement of equipment i.e fiber cables, switches, wi-fi APs, ethanoate cables, splicing machines, and contractor for the last mile connectivity project commenced.	Awaiting final decision from restructuring of the project.
Data Protection and Privacy audit and inspection manual developed.	The contract was signed and is under implementation.
Four (4) MDAs i.e. NIRA, URSB, MoH, Ministry of education and sports audited using the approved audit and inspection manual to assess their compliance levels in line with the Data protection and privacy Act and regulations.	An awareness and sensitization plan were developed and implemented in three (03) agencies including; Uganda Police Force (UPF), National Building Review Board (NBRB), and Makerere University Kampala (MUK).
Initiatives of the data protection and privacy capacity building program implemented.	This wasn't conducted due to the restructuring of the project that is ongoing.
PDPO office premised acquired	PDPO Office premises acquired and are fully operational.
An evaluation and audit framework for audits of infrastructure, systems, and processes developed to ensure compliance with the NISF and auditors trained.	The contract was signed and is this is under implementation.
Enhanced capacity building programs implemented for the National CERT/ SOC	The concept note was developed and approved by TC and is pending submission to IDA for review.
Threat intelligence, response and threat sharing enabled for Key Critical Infrastructure and sub sector CERTs	The contract was signed on March 28, 2025, and this output is under implementation.
National CERT Forensics Lab enhanced	A concept note developed and approved by TC and pending submission to IDA for review.
PIAP Output: 11010513 Enhancement of usage of National Data Centre (NDC)	
Programme Intervention: 110301 Establish and enhance national common core infrastructure (data centres, high power computing centres, specialized labs)	
Existing National Data Centre and disaster recovery site Infrastructure Upgraded with Systems (Co-Collation, OSC, UMCS, GCIC, MDA Websites, Iaas, PaaS, Baas etc)	Three (03) additional new applications were hosted in the National Data Centre (NDC), cumulatively bringing the total number of applications hosted in the NDC to three hundred eight (308)

Department:001 E- Government Services

Budget Output:300002 E-services

PIAP Output: 11010503 "i). Unified Messaging and Collaboration System rolled out.

Programme Intervention: 110105 Mainstream ICT in all sectors of the economy and digitize service delivery

Deploy, and manage a Unified Messaging and Collaboration System (UMCS)	One entity onboarded and trained (UFZEPA) and one entity engaged (UHTTI)

VOTE: 126 National Information Technologies Authority

Quarter 4

Annual Planned Outputs	Cumulative Outputs Achieved by End of Quarter
PIAP Output: 11010504 "i).BPO /ITES centres supported	
Programme Intervention: 110105 Mainstream ICT in all sectors of the economy and digitize service delivery	
Business process outsourcing center established in Namanve.	The BPO centre wasn't established during the FY due to delays in obtaining the developer. However, the BPO website has been redesigned and deployed (www.bpo.go.ug). Global IAC training scheduled to take place from 30th June 2025
PIAP Output: 11050105 A data sharing and integration platform developed to enhance the delivery of services in government and private sector and operationalized	
Programme Intervention: 110105 Mainstream ICT in all sectors of the economy and digitize service delivery	
Interoperability Framework and Enterprise Architecture operationalized	No stakeholder workshops were conducted due to limited GoU funds released. However, the World Bank approved an upgrade of the Interoperability Framework and Enterprise Architecture to cater to emerging technologies and the needs of MDAs
Whole-of-Government Integration and data-sharing platform rolled out to additional ten entities.	Two private entities have been engaged and are in the testing phase, that is to say Compulynx Ltd, and ARMADA CRB
Digital authentication and mobile ID solution rolled out to 100,000 users in public entities.	Four entities (2 public, 2 private) have been engaged (ERB, Tucksee, I&M Bank, MOFA). These entities approximate the total number of users to 100,000.
Two (2) identified e-services for Jlos and UIA developed and deployed/ rolled out.	Three e-services identified requirements documents developed. These include; 1. E-license for Animal tracking 2. E-license for Aqua-culture 3. E-provision for Airwaves and TV services for UBC However, the change management of workshops were not conducted due to limited funding.
Microsoft licenses and oracle licenses acquired for ten unique entities.	Two entities were issued with the Microsoft Licenses i.e; DPF, and EC, and payment was completed.
All developed 479 Government websites securely maintained. i.e. ACU Case Management website, NFA Tree Planting and Licensing website, Integrated Building Management Information website (NBRB)	All developed websites have been secured. Additionally, payment has been completed for 26 domains, each of which has been issued a wildcard SSL certificate.
Update and maintain twenty 20 MDA & LG websites i.e. UZIMA Website, National Council for People with Disabilities, National Council for People with Disabilities, State House Anti Corruption Unit Website, Ministry of Foreign Affairs Website Template.	Two websites were revamped that is; NITA-U, and UPPC. Through revamping these two websites, entities continued to provide up-to-date information, thus providing uninterrupted online services to the public.
Uptake and utilization of at least five (5) e-services i.e. Ug-hub, UMCS, Ug-pass, e-doc, and sms gateway enhanced.	A total of 27 stakeholder engagements were conducted across 24+ MDAs, with a strategic focus on Priority Sectors including Health, Education, JLOS, Energy, Trade, and Tourism. Notably, 16 of these engagements specifically addressed IT Advisory Services to provide technical guidance to MDAs on aligning IT strategies with sectoral goals. These engagements yielded tangible results, including increased MDA adoption of NITA-U services like UGHub and eDoc, enhanced collaboration on sector-specific IT roadmaps, and targeted capacity building.

Budget Output:000013 HIV/AIDS Mainstreaming

PIAP Output: 11050209 Policies, strategies, standards and regulations developed/reviewed

Programme Intervention: 110502 Review and develop appropriate policies, strategies, standards and regulations that respond to industry needs

HIV/AIDs prevalence within missing links and last-mile project implementation regions mitigated	The NITA-U HIV/AIDs policy for staff was reviewed to be aligned with the national ICT policy. This was tailored to ensure uniformity in the implementation of ICT interventions across the country. Additionally, all bidding contractors were required to submit HIV policies as part of the evaluations.

Table 4.3: Vote Crosscutting Issues

i) Gender and Equity

Objective:	Increase connectivity in the underserved regions of the country i.e Northern region, parts of Eastern region, western and central region to increase access to Government services for all categories of people.
Issue of Concern:	1. Limited National coverage of the NBI leaving out some parts of the country, especially the rural areas, local governments and towns. 2. Limited connectivity to internet services in schools and tertiary institutions limiting delivery of e-education.
Planned Interventions:	Extend broadband ICT infrastructure coverage countrywide in partnership with the private sector and all Government entities to implement last-mile connectivity to key areas (Districts, sub-counties, schools, hospitals, post offices, tourism sites, police)
Budget Allocation (Billion):	4.396
Performance Indicators:	1. Number of entity sites connected on the NBI - Fifty (50) entity sites connected on the NBI in underserved. 2. Number of Wi-fi hotspots maintained - Ten (10) wi-fi hotspots maintained in rural areas, market centers, schools, and tertiary institutions.
Actual Expenditure By End Q4	4.396
Performance as of End of Q4	During the FY2024/25, 4,387Kms of OFC were maintained covering 57 Districts across the country representing 42% of the 135 districts in the country. Of the 57 districts covered by the NBI, 53 of them have their district headquarters connected. Additionally, all the 300 wi-fi hotspots were maintained in a functional state for ease of access to e-services.
Reasons for Variations	Target achieved
Objective:	Enhance and promote inclusive usage of ICT in National Development and service delivery
Issue of Concern:	1. Limited ICT skills by technical personnel in various Government sectors especially LGs affecting e-services delivery. 2. Limited usage and access to e-services by special interest groups in the different regions of the country.
Planned Interventions:	Mainstream ICT in all sectors of the economy and digitize service delivery
Budget Allocation (Billion):	0.012
Performance Indicators:	1. Number of inclusive capacity building training conducted for the LGs - two (2)
Actual Expenditure By End Q4	0.012
Performance as of End of Q4	Eight local governments were trained on the utilization of websites to ensure gender inclusive information would be uploaded and cases of gender based violence are captured through the websites.
Reasons for Variations	Target achieved

ii) HIV/AIDS

Objective:	Address HIV/AIDs prevalence within ICT infrastructure project implementation regions.
Issue of Concern:	HIV/AIDs prevalence with in ICT infrastructure project implementation regions.
Planned Interventions:	1. Create and maintain both local and international partnerships to increase awareness on HIV/AIDs. 2. Develop and disseminate standard operational guidelines to all project implementation teams in the regions where fiber installation works are ongoing.
Budget Allocation (Billion):	0.026
Performance Indicators:	Number of awareness campaigns conducted on HIV/AIDs - Two (2) inclusive awareness campaigns targeting both the public and private sectors.
Actual Expenditure By End Q4	0.026

VOTE: 126 National Information Technologies Authority

Quarter 4

Performance as of End of Q4	Quarterly health awareness campaigns were conducted to increase staff awareness on the health dangers and hazards related to HIV at work place. Additionally, the institutional HIV policy was reviewed to align it to the National strategies.
Reasons for Variations	Performance on track.

iii) Environment

Objective:	Ensure environmental conservation and preservation in regions where ICT infrastructure projects are being implemented.
Issue of Concern:	Persistent environmental degradation in areas where ICT infrastructure projects are being implemented.
Planned Interventions:	1. Manage grievance redress mechanism for all NITA-U infrastructure implementation project. 2. Conduct stakeholder engagements focusing on environmental issues. 3. Review the environmental management policy for ICT projects.
Budget Allocation (Billion):	0.068
Performance Indicators:	Number of stakeholder engagements on environment preservation conducted - Two (2)
Actual Expenditure By End Q4	0.068
Performance as of End of Q4	During the financial year four grievance redress engagements were conducted by the EHS team in the areas scoped for deployment of the NBI.
Reasons for Variations	Target achieved

iv) Covid

VOTE: 127 Uganda Virus Research Institute (UVRI)

Quarter 4

Performance highlights for the Quarter

*Conducted quarter surveillance and responded to the Anthrax outbreak in the country.

*Received and tested samples in the Arua laboratory. We received 49 human samples and one buffalo sample for testing. Of these samples 24 samples were positive for Anthrax from mainly districts in western Uganda.

*Conducted surveillance for ticks and mosquito vectors of viral diseases among children.

*Conducted COVID-19 and Influenza surveillance among the public. Out in 14 ILI (Influenza Like Illnesses) sites and 9 SARI (Severe Acute Respiratory Illnesses) including
Entirely 591 were received of which 317 were ILI samples and 274 were SARI samples.

*Conducted laboratory surveillance of Acute Flaccid paralysis (AFP), Measles and rubella among children, female and male. A total of 1301 stool samples were received in this quarter and 1236 (95%) were from AFP cases while 60 (4,6%) from AFP contacts and 5(0.4) were from community investigations. Results were reported to stake holders within 14 days of receipt at the lab.

*Samples of suspected measles outbreaks including Congenital Rubella were received at the lab in this period.

*An exploratory field surveillance conducted to collected in North Eastern Uganda for both Anopheles immature stages and adult stages as a way to establish arboviral and malaria vector species.

*Field sampling of the urban malaria vector, Anopheles stephensi in Kotido, Karenga and Amudat districts for potential transboundary mosquito migration from Kenya to Uganda.

*Viral disease epidemic investigated. Recruited survivors of Ebola, Marburg and Mpox virus infections and processed their peripheral blood mononuclear cells (PBMCs) for cryopreservation in preparation for downstream detailed immunological analyses and studies.

*One assess conducted and infected human specimens have been tested for their ability to neutralize currently circulating global SARS-CoV-2 strains, generating essential data to inform and guide vaccine strain updates.

Variances and Challenges

By the end of Q4, the vote had received 7.212 billion, representing 100% of the institute's annual budget. These funds comprised 2.417 billion for wages and 4.739 billion for non-wage expenses.
Out of the received funds, the institute spent 6.993 billion 97%, of which 2.254 bn was wage and 4.739 billion of the non-wage allocation.
The unspent funds were 0.219b of which 0.057b were pensions and 0.163b were wages. Pensions were due lack of relevant documents and salaries accrued because of two retired staff and delay to replace them by Health Public Service Commission.
Challenges.
The vote has a small non wage budget of which above 70% of it is used to pay utilities and as thus inadequate to facilitate scientists to efficiently meet the vote's mandate.
Under staffing is still a big challenge as highlighted by the OAG report. Only 36% of the vote's structure is filled.
The volume of work keeps increasing with many pandemics and outbreaks and persistent increase in operational costs like utilities yet the annual budget keeps taking the opposite trend. The votes non-wage budget was reduced further by about 296 million.
The infrastructure is very old and dilapidated worsened by the asbestos sheets.
The vote land is continuously being encroached and squatters need to urgently be compensated.
The 500kva generator has become more of a liability to the institute. Whenever it runs for a day, approximately UGX 5 million is spent.
The absence of a retooling budget has greatly affected performance of staff.

1 quarterly surveillance for viral disease outbreaks amongst the public across the country responded to.	One quarter surveillance and responded to the Anthrax outbreak in the country. The Department continued to receive and test samples in the Arua laboratory. We received 49 human samples and one buffalo sample for testing. Of these samples 24 samples were positive for Anthrax from Shema (2), Kabale (3), Buhweju (4), Kiruhura (1), Ibanda (2), Kazo (7), and Bushenyi (4) districts. Several other districts sent samples, but they were negative.	
1 Surveillance for ticks and mosquito vectors of viral diseases among children, female and male carried out in the four regions of Uganda,	1 Surveillance for ticks and mosquito vectors of viral diseases among children, female and male carried out.	
1 COVID-19 and Influenza surveillance among the public Carried Out	1 COVID-19 and Influenza surveillance among the public Carried Out in 14 ILI sites and 9 SARI including – Kiswa, Kitebi, Nsambya, Entebbe, Tororo, Fort Portal, Mukono, Kibuli, Ludara, Kiryandongo, Koboko, Arua, and Mbarara hospitals. Other samples were also referred from different hospitals. (We received only one sample from the Kawaala site and The samples received were 591 of which 317 were ILI samples and 274 were SARI samples: The results were, 30 samples being positive for COVID-19, 42 positives for Influenza A (H3), 24 samples were positive for Pandemic A(H1N1) 2009 influenza, and 9 positives for Influenza B (Victoria). There were 32 RSV positives in children under 2 years

viral disease epidemic investigated to identify immune makers of protection relevant for designing intervention in at least 10 cases per epidemic carried out	Viral disease epidemic investigated. We have recruited survivors of Ebola,Marburg and Mpox virus infections and processed their peripheral blood mononuclear cells (PBMCs) for cryopreservation in preparation for downstream detailed immunological analyses. Plan is to optimise assays, screen these survivors for potent neutralizing antibodies against the viruses. Perform single-cell sorting to isolate B cells with high specificity, and assess their neutralization potential. Expand and bulk up the selected monoclonal antibodies (mAbs), then conduct thorough screening and characterization to evaluate their potency and specificity.

PIAP Output: 1203011201 Health research and innovation promoted

Programme Intervention: 12030112 Promote health research, innovation and technology uptake

Assess for functional and broadly cross-reactive immune responses (antibodies) to SARS-CoV-2; and impact conducted.	Three assesses for functional and broadly cross-reactive immune responses carried out. Available infected human specimens tested for their ability to neutralize currently circulating global SARS-CoV-2 strains, generating essential data to inform and guide vaccine strain updates including neutralizing antibody responses were assessed in samples from Ugandans who received the Pfizer, Sinovac, and Johnson & Johnson COVID-19 (SARS-CoV-2) vaccines
Viral disease epidemics investigated to identify immune markers of protection relevant for designing interventions in at least 40 cases per epidemic (Yellow Fever, Rift Valley Fever, & other viral diseases)	Viral disease epidemic investigated. We have recruited survivors of Ebola,Marburg and Mpox virus infections and processed their peripheral blood mononuclear cells (PBMCs) for cryopreservation in preparation for downstream detailed immunological analyses. Plan is to optimise assays, screen these survivors for potent neutralizing antibodies against the viruses. Perform single-cell sorting to isolate B cells with high specificity, and assess their neutralization potential. Expand and bulk up the selected monoclonal antibodies (mAbs), then conduct thorough screening and characterization to evaluate their potency and specificity.

Table 4.3: Vote Crosscutting Issues

i) Gender and Equity

Objective:	Ensure access to UVRI clinic services by members of the community including; children and adults of both sex.
Issue of Concern:	Limited access to UVRI clinic
Planned Interventions:	Ease access and offer diagnostic and palliative care to all inpatients.
Budget Allocation (Billion):	0.010
Performance Indicators:	Number of people accessing UVRI clinic services.
Actual Expenditure By End Q4	0.01
Performance as of End of Q4	1,742 patients accessed UVRI clinic services
Reasons for Variations	

ii) HIV/AIDS

Objective:	Enhance HIV/AIDS prevention by putting mechanisms in place to control its transmission to both staff and patients
Issue of Concern:	Staff get pricked by Needles while in direct contact with sick people. Risk of HIV contraction while having unprotected sex.
Planned Interventions:	Staff to use protective gear while attending to patients at the institute clinic. Hung and distribute condom boxes to several buildings and people respectively. Create HIV/AIDS awareness campaigns.
Budget Allocation (Billion):	0.008
Performance Indicators:	No of protective gear procured for staff at the UVRI clinic. No of condom boxes hang and distributed to several buildings and people respectively. Number of HIV/AIDS awareness campaigns conducted.
Actual Expenditure By End Q4	0.08
Performance as of End of Q4	One HIV/AIDS awareness campaign conducted
Reasons for Variations	

iii) Environment

Objective:	Conduct Environment impact assessment for all capital projects and the present.
Issue of Concern:	Infectious laboratories to users and the community. These laboratories were also constructed way back, are dilapidated and not up to date in terms of technical designs. Construction of new structures with out environment survey reports.
Planned Interventions:	Procure protective gear to users, train them to work cautiously and new laboratory constructions should be mindful of this in terms of location and technical designs.
Budget Allocation (Billion):	0.007
Performance Indicators:	No of laboratory staff trained on new laboratory practices. No. of protective gear procured for laboratory users. No. of well designed and suitably located new laboratory constructions.
Actual Expenditure By End Q4	0.007
Performance as of End of Q4	One well designed and suitably located new laboratory constructed. 5 staff trained
Reasons for Variations	

iv) Covid

VOTE: 127 Uganda Virus Research Institute (UVRI)

Quarter 4

Objective:	Control and curb spread of the virus with in the institute and peripheral.
Issue of Concern:	Spread of COVID 19 amongst staff.
Planned Interventions:	Continuous vaccination and sensitization to reduce on resilience. Avail free masks, hand washing and encourage people to observe SOPs.
Budget Allocation (Billion):	0.020
Performance Indicators:	Number of staff vaccinated against COVID 19. No. masks and hand washing equipment availed to people. Budget spent on procurement of Covid related gadgets.
Actual Expenditure By End Q4	0.02
Performance as of End of Q4	Two hand washing equipment procured and a liquid soap, 100 boxes of face masks procured.
Reasons for Variations

Quarter 4

Performance highlights for the Quarter

• Uganda was officially removed from the European Union (EU) list of high-risk jurisdictions for money laundering and terrorism financing, a major achievement reflecting the country’s commitment to strengthening its AML/CFT framework.

•FIA processed 5 information requests from foreign FIUs, with an average response time of 15 days.

• Conducted 2 risk based onsite inspections to assess AML/CFT compliance and issued necessary corrective actions.

• Reviewed 18 risk assessment reports and 60 independent Audit Reports to identify compliance gaps (if any) with the resultant reports being shared with the accountable persons.

• The Authority registered 55 new accountable persons on the goAML platform, bringing the total to 1,693 users.

• FIA received and analyzed 14,741 reports, which led to the generation of 40 intelligence reports (16 proactive, 24 reactive), disseminated to Law Enforcement Agencies (LEAs) and other competent authorities.

• Conducted 7 trainings (6 for Accountable Persons, 1 for LEAs), reaching 197 participants (132 male, 65 female) on AML/CFT/CPF obligations and investigations.

• Processed 8 financial due diligence assessments on investors with proposed projects valued at over USD 2.63 billion.

• The Authority published 4 articles and held 1 press briefing to raise public and media awareness on AML/CFT/CPF and reporting mechanisms.

• FIA obtained approval of the FIA Strategic Plan for FY 2025/26–2029/30 from the National Planning Authority (NPA).

• Data Management and Reporting: Maintained a comprehensive national AML/CFT/CPF statistics database to improve the quality and consistency of ML/TF/PF data.

• Finalized the draft National AML/CFT/CTF Strategy FY 2025/26 - 2029/30

Variances and Challenges

•Existing gaps in the legal framework makes it hard to implement several AML/CFT/CPF initiatives.

•Existence of a large informal sector/ cash-based economy. This makes it hard to trace the financial transactions.

•Existence of a long porous border that pauses significant challenges in the declaration of cash and bearer negotiable instruments.
• Non prioritization of AML initiatives by stakeholders in the value chain

Quarter 4

Outputs Planned in Quarter	Actual Outputs Achieved in Quarter	Reasons for Variation in performance
PIAP Output: 16071501 Strengthen system capacities to enable and harness benefits of coordinated private sector activities		
Programme Intervention: 160715 Strengthen research and development to address emerging security threats		
(i) Up-to-date Software Server Licenses to maintain functionalities and support of all FIA software	Software License Management and System Support To ensure uninterrupted functionality, security, and support for all FIA software systems, the Authority successfully renewed critical software server licenses during the period. These included: • Microsoft 365 – for enhanced productivity and collaboration. • SmartNet – for support and maintenance of Cisco appliances, switches, and access points. • KnowBe4 – for continuous security awareness training. • Microsoft Azure – to support business continuity and cloud services. • Security Information and Event Management (SIEM) – for real-time monitoring of security logs across all computing devices. • Asset Explorer – for efficient tracking and management of all ICT assets. • Patch Management Software – for automated upgrades to the latest software versions on user devices. • Web Application Firewall (WAF) – for enhanced protection of web applications. • Commvault – for robust disaster recovery. • Kaspersky – for comprehensive malware protection	Output achieved as planned
PIAP Output: 16070516 Enhanced Technical capability		
Programme Intervention: 160709 Strengthen capacity and handle emerging and prevailing sophisticated crimes such as cyber-crimes		
(i) Operational customised Human Capital Management System from the Ministry of Public Service	Human Capital and ICT Systems Management; The Authority submitted all requisite documentation to the Ministry of Public Service to facilitate onboarding onto the customised Human Capital Management System (HCM). As of the end of Q4, the Authority was awaiting formal confirmation and access credentials from the Ministry. Additionally, to ensure robust ICT security and business continuity, the Authority renewed licences for Commvault (for disaster recovery) and Kaspersky (for comprehensive malware protection).	• Requisite documents were submitted to the Ministry of Public service to onboard FIA onto the Human Capital Management System portal. The Authority was still waiting on a response as at the end of Q4.

(i) 2 ICRG recommendations/proposals implemented on each respective Immediate Outcome (IO)	The Authority prepared and submitted Uganda's 16th Enhanced Follow-Up Report to ESAAMLG for consideration at the upcoming 50th Task Force of Senior Officials Meeting, scheduled for September 2025. The report is currently under review by the ESAAMLG Review Group.	Outputs achieved as planned

VOTE: 129 Financial Intelligence Authority (FIA)

Quarter 4

Outputs Planned in Quarter	Actual Outputs Achieved in Quarter	Reasons for Variation in performance
PIAP Output: 16060301 Appropriate international and regional laws harmonized and domesticated.		
Programme Intervention: 160603 Review and enact appropriate legislation		
(i) Q4 FY2024/25 timely quality Board Papers prepared to facilitate Board decision making. (ii) Q4 FY2024/25 Board meetings held, quality minutes prepared and filed. (iii) Board members trained in Board Capacity Development Programs (governance & strategic leadership)	During Q4 FY2024/25, timely and high-quality Board papers were prepared and submitted, facilitating effective Board decision-making. One quarterly meeting of the 4th Board was successfully held, preceded by the 3rd Finance and Administration Committee meeting and the 2nd Board Audit Committee meeting. The Board considered and approved three statutory reports: the Performance Report, Internal Audit Report, and Risk Management Report. Accurate minutes were prepared and appropriately filed for all meetings.	Outputs achieved as planned
PIAP Output: 16060305 AML/CFT International standards implemented		
Programme Intervention: 160603 Review and enact appropriate legislation		
(i) 4 FATF progress reports prepared on implementation of FATF – ICRG recommendations on Uganda activities to avoid future grey listing (ii) 2 Working group reports on implementation of all outstanding FATF technical and effectiveness compliance issues prepared	4 FATF progress reports and 2 working group reports on implementation of all outstanding FATF technical and effectiveness compliance issues were prepared. Additionally, the Authority prepared the 16th Enhanced Follow-Up Report for Uganda was prepared and submitted to ESAAMLG for consideration at the upcoming 50th Task Force of Senior Officials Meeting scheduled for September 2025. The report is currently under review by the ESAAMLG Review Group.	Outputs achieved as planned
	A draft National AML/CFT/CPF strategy for Uganda (2025/26–2029/30) was developed, outlining key priorities and interventions to strengthen the country's response to ML/TF/PF. The strategy, by end of reporting period, was pending requisite approval by National AML Taskforce and MOFPED.	Delays in finalization and approval was occasioned by competing priorities that included Uganda hosting ESAAMLG where all participants (including the National AML Taskforce) were involved for a substantial amount of time
(i) 1 MOU signed with key stakeholders to permit effective collaboration, including access to key databases and information sharing		The FIA prepared MOUs with the Financial Intelligence Units of Egypt and Nigeria to strengthen international cooperation and facilitate information sharing. However, the MOUs are currently under review by the respective counterpart institutions, and the FIA is awaiting their feedback or formal endorsement before finalization.

VOTE: 129 Financial Intelligence Authority (FIA)

Quarter 4

Outputs Planned in Quarter	Actual Outputs Achieved in Quarter	Reasons for Variation in performance
PIAP Output: 16060305 AML/CFT International standards implemented		
Programme Intervention: 160603 Review and enact appropriate legislation		
(i) 5 Amendment proposals developed (ii) 5 Bills gazetted and printed	The Authority successfully developed and submitted 2 amendment proposals targeting key regulatory frameworks: the Anti-Terrorism (Amendment) Regulations and the Anti-Money Laundering (Sanctions) Regulations. A comprehensive report detailing these proposed amendments was formally approved by the FIA Board. By the end of the reporting period, the amendment proposals were undergoing review by relevant stakeholders, ensuring thorough consultation and alignment with regulatory objectives.	The amendment proposals were undergoing review by relevant stakeholders, ensuring thorough consultation and alignment with regulatory objectives.
(i) 2 Legal Briefs/Opinions provided to Accountable Persons on the application of the provisions of AML/CTF/CPF laws and regulations.	Provided 6 Legal Opinions and 5 Legal Papers to Accountable Persons, offering detailed guidance on the application of AML/CFT/CPF laws and regulations. These legal documents enhanced compliance awareness and supported accountable persons in effectively implementing regulatory requirements.	Outputs achieved as planned
(i) 1 Regulatory impact assessment conducted in relation to application of AML/CFT laws and the standards in order to identify gaps, assess Legal and regulatory risks and increase compliance to AML/CFT laws.	A report on proposed amendments to AML/CFT laws, informed by an internal legal assessment, was approved by the FIA Board and submitted to MOFPED, with the RIA forming a key component for further management. An extensive regulatory Impact Assessment (RIA) workplan was developed and implementation commenced, including stakeholder engagements aimed at identifying legal and regulatory gaps in AML/CFT compliance.	Output on track as planned
(i) 1 Report on court documents prepared and filed in court (ii) FIA effectively represented in all litigation matters	The Q4 FY 2024/25 report on court documents prepared and filed was compiled and submitted, ensuring compliance with legal documentation and reporting requirements. The Financial Intelligence Authority (FIA) was effectively represented in 5 litigation matters	Outputs achieved as planned

Periodic progress reports on ICRG recommendations/ proposals implemented on each respective Immediate Outcome (IO) with a view to keep Uganda off the FATF Gray List.	The Authority coordinated the preparation and timely submission of Uganda's 14th Follow-Up Report, which was discussed during the 49th ESAAMLG Meeting held in Kampala, demonstrating continued progress on ICRG recommendations. Successfully implemented an ICRG recommendation relating to the delisting of Non-Profit Organizations (NPOs), contributing to efforts aimed at addressing identified strategic deficiencies. Prepared and submitted Uganda's 16th Enhanced Follow-Up Report to ESAAMLG for consideration at the 50th Task Force of Senior Officials Meeting scheduled for September 2025. The report is currently under review by the ESAAMLG Review Group. These efforts form part of ongoing periodic progress reporting on the implementation of Immediate Outcomes (IOs), aimed at sustaining compliance with FATF standards and ensuring Uganda remains off the FATF Gray List.
FY2023/24 Board Calendar, Board Papers, meetings, and minutes prepared and filed.	During FY2024/25, secretarial support was provided to 9 Board meetings and 11 sub-committee meetings. The FY2024/25 Board Calendar was developed to guide strategic engagements. Timely and high-quality Board papers were prepared, enabling effective decision-making. The Board considered and approved nine statutory reports and four policies. A total of 19 sets of Board and Committee minutes were prepared, approved, and properly filed. Five Board members received scheduled training to strengthen governance and strategic leadership. Additionally, a Board retreat was held to deliberate on the Authority's strategic direction.

Quarter 4

Annual Planned Outputs	Cumulative Outputs Achieved by End of Quarter
PIAP Output: 16060305 AML/CFT International standards implemented	
Programme Intervention: 160603 Review and enact appropriate legislation	
FATF progress reports prepared on implementation of FATF/ ICRG recommendations on Uganda activities to avoid future greylisting. Working group reports on implementation of all outstanding FATF techincal and effectiveness compliance issues prepared.	The Authority prepared and submitted 5 key FATF progress reports, including Uganda's 14th and 16th Follow-Up Reports to ESAAMLG, reflecting sustained efforts to address technical compliance and effectiveness issues. A status update report on implementing FATF Post-ICRG recommendations for NPOs was also submitted. Monthly updates were provided to the Uganda AML/CFT National Task Force on progress in implementing the 11 FATF Recommendations where Uganda remains rated NC or PC. 8 working group reports were developed to monitor and guide resolution of outstanding compliance issues. Additionally, the Authority hosted 2 delegations from South Sudan and Mozambique FIUs for an AML/CFT benchmarking visit and participated in a similar visit to Egypt's FIU to enhance implementation practices.
National AML/CFT/CPF Strategic plan 2025/26-2029/30 for Uganda Developed.	A draft National AML/CFT/CPF strategy for Uganda (2025/26–2029/30) was developed, outlining key priorities and interventions to strengthen the country's response to ML/TF/PF. The strategy, by end of reporting period, was pending requisite approval by National AML Taskforce and MOFPED
Stakeholder register developed. 5 MOUs signed with key stakeholders to permit effective collaboration, including access to key databases and information sharing.	As part of efforts to strengthen collaboration and facilitate information sharing, one Memorandum of Understanding (MOU) was signed with the Japan Financial Intelligence Centre, enabling enhanced international cooperation and access to critical financial intelligence resources.
Amendment proposals of the 15 AML/CFT/CPF laws to address operational challenges and gaps identified by MER and NRA. 15 bills for AML/CFT/CFT laws gazetted and printed, once approved by Cabinet.	A report on proposed amendments to the 15 AML/CFT laws was approved by the FIA Board and submitted to MOFPED, with the RIA forming a key component for further management. An extensive Regulatory Impact Assessment (RIA) workplan was developed and implementation commenced, including stakeholder engagements aimed at identifying legal and regulatory gaps in AML/CFT compliance. Additionally, FIA actively participated in the RIA process for the proposed Mutual Legal Assistance law, led by the ODPP, to strengthen the legal framework and enhance alignment with AML/CFT standards.
Legal Briefs/Opinions provided to Accountable Persons on the application of the provisions of AML/CTF/CPF laws and regulations. AML/CFT/CPF Laws translated and transcribed to other languages and issue interpretation to various accountable persons.	Prepared and submitted a total of 33 Legal Opinions and 11 Legal Papers to Accountable Persons, offering authoritative guidance on the application of AML/CFT/CPF laws and regulations. By doing so, the Authority effectively Provided interpretations of the legal provisions to various stakeholders, facilitating effective compliance and application of regulatory frameworks.
Regulatory impact assessments conducted in relation to application of AML/CFT laws and the standards in order to identify gaps, assess Legal and regulatory risks and increase compliance to AML/CFT laws.	An extensive regulatory Impact Assessment (RIA) workplan was developed and implementation commenced, including stakeholder engagements aimed at identifying legal and regulatory gaps in AML/CFT compliance. A report on proposed amendments to AML/CFT laws informed by an internal legal assessment was approved by the FIA Board and submitted to MOFPED, with the RIA forming a key component for further management. Additionally, FIA actively participated in the RIA process for the proposed Mutual Legal Assistance law, led by the ODPP, to strengthen the legal framework and enhance alignment with AML/CFT standards.

Project:1623 Retooling of Financial Intelligence Authority

Budget Output:000003 Facilities and Equipment Management

PIAP Output: 16070503 Retooling of Financial Intelligence Authority

Programme Intervention: 160705 Improve the capacity and capability of the Security Sector through training and equipping personnel.

Acquire and deploy a Board Management System that automates Board meetings, processes and related activities. 2 Smart TV screens for the Authority's meeting rooms. Acquire tools for analysis eg i2 for link analysis.	To support operational efficiency and enhance productivity, the Authority procured 5 laptops, 1 smartphone, and 1 tablet for staff use. Additionally, a hi-tech projector screen was acquired for the 80-seater meeting room to facilitate presentations, meetings, and training sessions.
1 HR system acquired.	Finalised documents to public service for enrollment onto the Human Capital Management (HCM) System. Revised HR performance management tool was approved by FIA management
23 filing cabinets acquired. A colored printer, scanner, laptop and one heavy duty binder acquired. 14 Coat Hungers procured. 3 safes for custody of confidential documents.	Procured various furniture items for Wing B office premises, including: Tables, Chairs, Filing cabinets, Office blinds, Office partitioning Procured 10 shredders to support secure disposal of documents. Procured 8 power backup batteries to ensure uninterrupted power supply. Procured 25 IP phones to enhance office communication infrastructure. Procured 3 security safes for secure storage of confidential documents.
Shelves for Records Archiving centre. An ipad and phone procured. 1 shredder acquired for Compliance Department.	Procured 1 smartphone to support mobile communication needs. Acquired 1 tablet to enhance flexibility in field operations and digital access. Procured 10 shredders to facilitate secure disposal of sensitive documents across the Authority.

PIAP Output: 16070520 Enhanced Technical capability

Programme Intervention: 160709 Strengthen capacity and handle emerging and prevailing sophisticated crimes such as cyber-crimes

Functional Cyber Security Operating Center acquired. Functional Staff Address System for the Wing A 80 seater meeting room acquired.	To enhance the Authority’s ICT infrastructure and improve system performance, additional server room space was procured alongside extensive networking and cabling works. The acquisition of two solid-state drives and a data center network supported increased storage capacity and processing efficiency. Furthermore, a 48-port POE Cisco Catalyst switch and a firewall were procured and deployed in the production environment, significantly strengthening network security and improving system uptime and reliability. Additionally, a hi-tech projector was acquired for the 80-seater meeting room to facilitate video conferencing, presentations, meetings and training sessions

Programme Intervention: 160808 Strengthen the prevention, detection and elimination of corruption	
2 press conferences on administrative sanctions held. 1,000 accountable persons trained and enrolled on goAML platform. Supervisory Authorities engaged on AML/CFT matters.	2 press briefings were held to educate the general public on AML/CFT/CPF issues and the importance of compliance. A total of 624 accountable persons were trained on the use of the goAML platform to strengthen their capacity in reporting suspicious transactions and enhancing compliance with AML/CFT obligations. Following the training, 273 participants were successfully enrolled and issued certificates of registration, thereby improving reporting coverage and sector-wide compliance with regulatory requirements. Engaged with five supervisory authorities on AML/CFT matters relevant to their sectors, promoting coordinated supervision and risk mitigation. Established a Supervisory Bodies Forum for the DNFBP sector, with FIA as a secretariat, fostering collaboration and sector-wide engagement on AML/CFT challenges.
1000 Accountable Persons (from 6 distinct categories) trained to address the compliance gaps identified during Onsite and Offsite inspections. 30 supervisory/regulatory bodies trained on AML/CFT matters.	Conducted 38 comprehensive training sessions on money laundering and terrorism financing, reaching over 3,577 participants (2,045 males and 1,532 females).
A targeted sensitization webinar of women conducted on the AML/CTF/PF matters.- targeting 150 participants	Trained over 150 women during the Women in Banking and Finance Conference, advocating for increased female participation and leadership in the fight against financial crime and promoting gender-inclusive approaches to AML/CFT efforts.
4 joint inspections and related activities (with other supervisory bodies) for capacity enhancement in AML/CFT matters. Guidance given to accountable persons on AML/CFT matters.	2,882 accountable persons were guided on the AML/CFT matters through physical engagements and virtually. 4 joint inspections and related activities with IRA, BOU and UMRA were carried out for capacity enhancement in AML/CFT matters.
14 Risk Based Onsite Inspections conducted to ascertain adequacy of internal controls, and inform corrective action. 360 annual compliance reports, 80 risk assessments, 80 independent AML/CFT audits, and 8 supervisory bodies' reports reviewed.	FIA conducted 28 risk-based onsite inspections to assess the adequacy of internal controls among accountable persons. The findings from these inspections informed corrective actions aimed at strengthening AML/CFT compliance frameworks. FIA also participated in the Q4 FY2024/25 Financial Sector Stability Forum Reviewed 164 Risk Assessment Reports, 36 Annual Compliance reports and 63 independent AML/CFT audit reports using a risk-based approach, with feedback provided to accountable persons to support improvements in audit quality and regulatory compliance. These efforts contributed to enhanced risk-based supervision and regulatory oversight of AML/CFT measures across the reporting institutions. FIA was represented on 4 Supervisory bodies 'forum engagements as the secretariat where financial reports and sector updates were considered and reviewed.

VOTE: 129 Financial Intelligence Authority (FIA)

Quarter 4

Table 4.3: Vote Crosscutting Issues

i) Gender and Equity

Objective:	Gender and equity mainstreaming in FIA operations.
Issue of Concern:	Marginalization of vulnerable groups nationally.
Planned Interventions:	i) Conduct a targeted sensitization webinar of women on the AML/CTF/PF matters. ii) Maintain an accessible office premise with operational lift (with audio functionality). iii) Provide appropriate facilities and support for the visually impaired staff.
Budget Allocation (Billion):	0.013
Performance Indicators:	i) No. of targeted women sensitized on AML/CTF/PF matters. (Target of 150 women) ii) An accessible office premise with an operational lift with audio functionality. (Target of 1) iii) An aid to support the visually impaired staff. (Target of 1)
Actual Expenditure By End Q4	0.01264
Performance as of End of Q4	• Trained over 150 women during the Women in Banking and finance Conference advocating for increased female participation and leadership in the fight against financial crime • Hired an Assistant Rehabilitation Officer for the visually impaired staff of the Authority • The FIA office is accessible with well-maintained lifts
Reasons for Variations	Outputs achieved as planned

ii) HIV/AIDS

Objective:	Mitigate the spread, stigmatization, and other negative effects of HIV/AIDs amongst FIA staff.
Issue of Concern:	HIV/AIDs negative effects could hinder the Authority’s effective and efficient service delivery.
Planned Interventions:	i)Maintain counselling services for all FIA staff. ii)Conduct sensitization of all FIA staff on HIV/AIDs.
Budget Allocation (Billion):	0.027
Performance Indicators:	i)A designated counsellor. (Target of 1) ii)No. of FIA staff sensitization sessions on HIV/AIDs held. (Target of 1)
Actual Expenditure By End Q4	0.027
Performance as of End of Q4	• FIA staff have access to counselling services through the insurance provider • All FIA staff were sensitized on HIV/AIDS through a dedicated awareness session conducted in collaboration with the Uganda AIDS Commission, aimed at promoting knowledge, prevention, and reducing stigma. • HIV/AIDS preventive supplies were obtained and distributed to staff as part of ongoing workplace health and wellness interventions.
Reasons for Variations	Outputs achieved as planned

iii) Environment

Objective:	Mainstream environmental concerns during office operations.
Issue of Concern:	Environmental degradation and climate change.
Planned Interventions:	i) Sensitize all staff on environmental measures. ii) Maintain an operational Electronic Document Management System to reduce on usage of paper.

VOTE: 129 Financial Intelligence Authority (FIA)

Quarter 4

Budget Allocation (Billion):	0.003
Performance Indicators:	i) No. of FIA staff sensitization sessions on environmental measures held. (Target of 1) ii) An operational Electronic Document Management System. (Target of 1).
Actual Expenditure By End Q4	0.03
Performance as of End of Q4	• All FIA staff were sensitized on environmental sustainability through e-learning training modules. These modules offered flexible, self-paced learning and ensured consistent messaging across the organization. • An operational Electronic Document Management System (EDMS) was maintained, significantly reducing paper usage and supporting the Authority’s commitment to sustainable practices.
Reasons for Variations	Outputs achieved as planned

iv) Covid

Objective:	Mitigate the spread and related negative effects of COVID-19, or related contagious viruses.
Issue of Concern:	Possible disruption of the Authority's supervisory activities owing to COVID-19, or related contagious viruses.
Planned Interventions:	i) Maintain an operational and effective goAML online platform for virtual reporting by Accountable Persons. ii) Maintain an inventory of COVID-19 /contagious viruses /supplies and first AID box. iii) Maintain a work from home policy.
Budget Allocation (Billion):	0.007
Performance Indicators:	i) An operational goAML online reporting platform. (Target of 1) ii) An inventory of sanitizer supplies and first aid kit. (Target of 1) iii) A work from home policy. (Target of 1)
Actual Expenditure By End Q4	0.007
Performance as of End of Q4	i) The Authority maintained an operational and effective goAML online platform for virtual reporting by Accountable Persons. ii) FIA maintaned 2 well stocked first AID box. iii) The FIA has a work from home policy. iv) Sanitizer (Contagious virus supplies) provided at FIA premises entry points
Reasons for Variations	Outputs were achieved as planned

Quarter 4

Performance highlights for the Quarter

Updated DMFAS with new loans and grants contracted during the year within 5 working days of receipt with 100% accuracy rate.

Updated DMFAS with confirmed disbursements from Creditors amounting within 5 days with 100% accuracy rate.

Updated DMFAS with confirmed auctions data within 5 days with 100% accuracy rate.

Updated DMFAS with domestic debt redemptions and T-Bills and Bond Costs within 5 working days with 100% accuracy.

Updated DMFAS with confirmed external debt service payments (Prin, Int, Com & Mgt fees)within 5 days with 100% accuracy rate.

Processed loan withdraw applications for various projects within 5 working days of receipt, ensuring all required supporting documents are complete

Processed payment of invoices for domestic debt obligations (reimbursements to Bank of Uganda)

Processed external debt payment invoices (Principle, Interest, Commitment fees & Management fees) within 5 working days of receipt of bills from creditors with 100% accuracy rate.

Prepared Nine months Financial statement schedules and report for Vote 130 within 10 working days after the end of Q3 free of material errors.

Variances and Challenges

Failure by Votes to account for contingencies funds given to them as per the guidelines

Low Absorption rate for loans and grants which results into increased Commitment fees

Poor Cash flow position which leads to delayed payment of invoices thereby attracting costs

Low staffing levels which delay execution of tasks.

Quarter 4

Performance highlights for the Quarter

The Office benefitted from additional funding that was received through a supplementary allocation. This was primarily directed towards undertaking audits which had been deferred as well as reducing the accumulated backlogs in the audit of lower local governments, schools and tertiary institutions.

During the quarter, audit reports were produced for: 7 statutory authorities, 5 special audits; 2 PSAs; 3 projects; 1 VFM Main study, 3 engineering audits and 15 Higher Local governments.

In line with the initiative to reduce the backlog audits of lower local governments, schools and tertiary institutions which commenced during the third quarter, audit reports for 3163 lower local governments (including town councils, sub counties and municipal divisions) and 227 schools/tertiary institutions were produced in the fourth quarter.

In addition, the Office further demonstrated the mainstreaming of Treasury memoranda verification audits through the issuance of 95 Treasury memoranda reports.

This brought the total number of audit reports to an all time high of 6350, including individual entity reports arising from the special audit of the pension payroll.

Variances and Challenges

The overall variance in budget execution during the quarter arises from the fact that some activities were deferred to allow the Office direct its focus towards the clearing of audit backlogs.

VOTE: 131 Office of the Auditor General (OAG)

Quarter 4

Table 4.3: Vote Crosscutting Issues

i) Gender and Equity

Objective:	To justly and impartially provide opportunities for all staff to thrive in terms of wellbeing and career growth.
Issue of Concern:	The Office is committed to ensuring that all staff have access to balanced growth opportunities as well as providing a conducive environment for staff to meet their workplace expectations, fulfil their potential and flourish professionally.
Planned Interventions:	Provide equitable, needs-based training to all staff. Conducting fair and transparent recruitment and promotions. Support activities of the OAG Women's forum. Annually assess the level of staff satisfaction and disaggregate results by gender.
Budget Allocation (Billion):	3.000
Performance Indicators:	Number of OAG staff trained (disaggregated by gender) - 100 Number of OAG Women's forum activities held - 1 Level of satisfaction of staff and job applicants disaggregated by gender - 70% Number of staff promoted and recruited disaggregated by Gender - 5
Actual Expenditure By End Q4	3
Performance as of End of Q4	Training activities were supported and staff recruitment/promotion activities were conducted. 2 Women's forum activities had also been facilitated by the end of the FY.
Reasons for Variations	The staff satisfaction survey is yet to be undertaken.
Objective:	To mainstream gender and equity in all audit activities in accordance with the SDGs so as to promote effective service delivery and inclusive growth.
Issue of Concern:	There is need to conduct impactful audits targeting value addition and making a positive difference to the lives of citizens in an indiscriminate manner.
Planned Interventions:	Mainstream gender and equity in all workplans and audit activities to promote effective service delivery and inclusive growth as envisioned in the SDGs and NDP III Undertake gender audits focused on National gender policies, interventions and actions
Budget Allocation (Billion):	0.120
Performance Indicators:	Level of satisfaction with audit products among vulnerable and marginalized groups - 70% Annual EOC Gender and Equity Budget compliance rating - 70% Number of gender performance audits mapped onto SDGs undertaken - 1
Actual Expenditure By End Q4	0.12
Performance as of End of Q4	Gender and Equity considerations have been successfully mainstreamed into audit processes. As at the time of reporting, one Gender related Performance Audit had been undertaken and the report was issued. The Office also scored 60% in the EOC Gender and Equity Compliance assessment.
Reasons for Variations	The OAG perception survey is yet to be undertaken, while the Office is still in the process of acclimating to the requirements of the EOC G&E compliance assessment.

ii) HIV/AIDS

Objective:	To equitably and sustainably minimize the adverse effects of HIV/AIDS on staff productivity and quality of life.
Issue of Concern:	The Office has staff living with HIV/AIDS who are continuously supported to carry on healthy, wholesome and productive lives as per the OAG HR Policy and Manual. The office also plans to raise awareness levels about issues pertaining to HV/AIDS.

VOTE: 131 Office of the Auditor General (OAG)

Quarter 4

Planned Interventions:	Timely provision of access to medical and counselling services to HIV positive staff and their families through the medical insurance scheme Implementation of HIV Mainstreaming and support initiatives 1 internal HIV/AIDS Awareness campaign conducted
Budget Allocation (Billion):	1.700
Performance Indicators:	Level of staff satisfaction with services accessed through medical insurance scheme - 75% Percentage of non-wage recurrent budget spent on HIV/AIDS mainstreaming - 0.2% Number of HIV/AIDS support initiatives implemented - 1
Actual Expenditure By End Q4	1.7
Performance as of End of Q4	HIV Affected staff were granted access to required medical assistance through the staff medical insurance scheme. The revised OAG HIV/AIDS policy was disseminated to all staff as part of the updated HR Manual. 1 HIV/AIDS Mainstreaming initiative was undertaken and an HIV/AIDS Mainstreaming committee was nominated pending management approval. Plans for HIV Mainstreaming activities were approved and shall be implemented starting next FY.
Reasons for Variations	Conflicting activity schedules led to the deferment of HIV/AIDS awareness campaigns.

iii) Environment

Objective:	To promote office - wide participation in adoption of environmental sustainability measures and staff awareness of issues pertaining to climate change.
Issue of Concern:	Knowledge gaps among staff on matters pertaining to climate change, its effects and sustainable environmental conservation efforts. Need to streamline Environmental considerations in Audit activities and office work plans.
Planned Interventions:	Conduct office wide environmental awareness campaign Undertake 1 environmental audit focused on SDGs, National Environmental policies and interventions Build staff capacity in Environment focused audits Participate in INTOSAI – WGEA Activities as a member
Budget Allocation (Billion):	0.100
Performance Indicators:	Number of Environmental awareness campaigns undertaken - 1 Number of environmental audits mapped onto SDGs undertaken - 1 Number of staff trained in Environmental – based Audit trainings - 1 Number of WGEA Forums/Seminars attended - 1
Actual Expenditure By End Q4	0.14
Performance as of End of Q4	Environmental considerations have been streamlined in the audit process. 3 staff have been trained in Climate Change Budget tagging and environmental audits. 2 environmental audits have been undertaken while the Office participated in 2 INTOSAI WGEA activities.
Reasons for Variations	Environment and climate change awareness campaigns were deferred due to conflicting office schedules.

Quarter 4

Performance highlights for the Quarter

• Appointed 1,165 personnel, 783 male and 382 female.
• Confirmed 294 personnel, 206 male and 88 female.
• Redesignated 232 personnel, 163 male, 69 female.
• Retired 03 personnel on medical ground, 02 male, 01 female.
• Verified appointment of 91 personnel, 66 male, 25 female.
• Disciplined 08 personnel, 08 male.
• Granted study leave to 23 personnel, 20 male, 3 female.
• Regularized appointment of 38 personnel, 32 male, 6 female.
• Supported 04 District Service Commission of Arua, Bulambuli, Masindi and Kyenjojo.
• Prepared 01 Quarterly report for Q3 FY 2024-2025.
• Prepared 01 M&E report for Q3 FY 2024-2025.
• Prepared 01 Audit report on wage, 01 Non- Wage Audit report,01 report on risk mitigation,01 report on domestic arrears,01 report on stores management and 01 Management Letter for Q3 FY 2024-2025.
• Attended, 10 Sector reviews meetings (04 Policy analysis meeting, 02 M&E Programme Meeting, 03 Education and Sport Sector Consultative Meeting and 01 Top Management Meetings).
• 01 Policy Brief on Validation report, 2022 prepared.
• Paid Salaries, Allowances, Gratuity and Pension for 76 Staffs and 44 Pensioners.
• Prepared and Updated 03 Monthly Books of Accounts for Q4 FY 2024-2025.
• 05 staff trained in various courses at different institutions.
• Conducted 05 Meetings (04 Full Commission Meeting,03 Departmental meeting, 01 Finance Committee Meeting).

Variances and Challenges

• The received a supplementary to undertake recruitment under UGIFT programme.
• Confirmation and District support supervision targets were not meet because the Commission was busy undertaking UGIFT recruitment during third and fourth Quarter of the Financial Year.
• All other outputs were handled as Submitted to the Commission.
• 06 pensioners were removed due to mandatory fifteen years after death.

Quarter 4

Performance highlights for the Quarter

In the review period, ODPP performance was as follows;
Criminal Prosecutions Services
International Crimes prosecuted 37 cases, perused 58 New case files and handled 24 Criminal cases by Prosecution Guided Investigations, International Cooperation processed 9 MLA request and processed. In Anti-Corruption, prosecuted 130 corruption related cases, 14 Asset tracing investigations were conducted and 59% Administrative recoveries made out of value of recoveries that were due for recovery, Gender, Children & Sexual offences perused 2,100 new case files and committed 386 new cases to the High Court, General Casework prosecuted 58,568 cases, committed 1,620 cases to the High Court. Handled 24 cases using PLI, Land Crimes prosecuted 890 cases & handled 12 cases by PGI, 2 Witnesses and Victims referrals for protection and Psychosocial support made under Witness Protection and Victims Empowerment.

Inspection Research and Quality Assurance
Inspection and Quality Assurance undertaken 1 Inspection exercise to track adherence to performance standards and made 1 field visit to sample the quality of legal opinions and mentoring of staff undertaken in ODPP Offices while Research & Training trained officers.

General Administration and Support Services
Briefs on ODPP operations & emerging areas issued out to guide prosecutions. ICT maintained PROCAMIS & E-Services and other computers. Field Operations had 1 Field visit conducted and 1 performance appraisal exercise in Regional Offices monitored.

Variances and Challenges

In execution of the budget, the ODPP notes the following; In totality, the Office of Director of Public Prosecutions by end quarter 4 received Ugx. 82.793 billion which represents 96.1%. Out of the received funds, Ugx. 81.689 billion was spent representing a budget absorption rate of 98.7%.

The vote during quarter one, the vote had a virement of Ugx. 519,200,000 (shillings five hundred nineteen million, two hundred thousand only) from different budget items to the budget of travel abroad to facilitate various critical activities abroad during quarter one.

The vote faces a challenge of staffing gap with no presence in same districts and thus there is a critical need for recruitment of prosecutors to enable adequate deployment in the Districts to extend criminal prosecution services nearer to the people.

Outputs Planned in Quarter	Actual Outputs Achieved in Quarter	Reasons for Variation in performance
PIAP Output: 16050103 Security infrastructure for ODPP assets across the country in place		
Programme Intervention: 160501 Develop appropriate infrastructure for legislation, security, justice, law and order		
Prosecution case management information system maintained.	Prosecution case management information system maintained. Systems integration tests between PROCAMIS and Electronic Court Case Management Information System (EECMIS) was again conducted. The systems were found to be incompatible due to changes that were made to the Application Programming Interface (API) in the Judiciary's EECMIS. Harmonisation effort was initiated and is being coordinated by the National Information Technology Authority, Uganda (NITA-U). PROCAMIS was upgraded from version 1.39 to version 1.40. Allocation Queue clean-up script was developed. It was escalated by Change Management Committee to Top Management. Role of Regional Registry Clerk was incorporated into PROCAMIS. PROCAMIS was hosted and maintained, and the Annual Maintenance. Contract (AMC) supervised. PROCAMIS training was undertaken for ODPP staff/ stations under Jinja RO, Soroti RO, Mbale RO and Tororo RO.	Inadequate ICT infrastructure and equipment in ODPP stations. This has affected the roll-out of PROCAMIS. Slow pace of PROCAMIS training around the country due to financial constraints. Resistance to adoption and usage of PROCAMIS in some stations.

Budget Output:460069 Security and ICT Infrastructure Development		
PIAP Output: 16050103 Security infrastructure for ODPP assets across the country in place		
Programme Intervention: 160501 Develop appropriate infrastructure for legislation, security, justice, law and order		
Prosecution case management information system maintained.	Prosecution case management information system maintained. Systems integration tests between PROCAMIS and Electronic Court Case Management Information System (EECMIS) was again conducted. The systems were found to be incompatible due to changes that were made to the Application Programming Interface (API) in the Judiciary's EECMIS. Harmonisation effort was initiated and is being coordinated by the National Information Technology Authority, Uganda (NITA-U). PROCAMIS was upgraded from version 1.39 to version 1.40. Allocation Queue clean-up script was developed. It was escalated by Change Management Committee to Top Management. Role of Regional Registry Clerk was incorporated into PROCAMIS. PROCAMIS was hosted and maintained, and the Annual Maintenance. Contract (AMC) supervised. PROCAMIS training was undertaken for ODPP staff/stations under Jinja RO, Soroti RO, Mbale RO and Tororo RO.	
PIAP Output: 16760181 Information and Communication Technologies services provided		
Programme Intervention: 160605 Undertake financing and administration of programme services		
All ICT Infrastructure, hardware and Software maintained.	All ICT Infrastructure, hardware and Software maintained.	
4 Registry inspections reports produced.	4 Registry inspections report produced.

Quarter 4

Performance highlights for the Quarter

1. Administrative support services provided.
2. Seven hundred and sixty (760) Human Resource for Health decisions were handled.
3.Six hundred and fourteen (614) health workers were recruited for various Health Institutions under the HSC jurisdiction.
4. Carried out Support supervision was carried out in 12 Central Health Institutions and 8 Health centers in the Central Region.
5. Technical Support and Guidance on recruitment was provided to 35 DLGs namely Kazo, Kumi, Kassanda, Buyende, Kaberamaido, Bugiri, Bududa, Rwampara, Sheema, Bushenyi, Sironko, Masindi, Wakiso, Kitgum, Kamwenge, Buikwe, Mubende, Bukomansimbi, Bunyangabu, Arua, Kamuli, Hoima, Mpigi, Namisindwa, Bugweri, Bulambuli, Kikuube, Luwero, Butaleja, Lyantonde, Mukono, Pallisa, Busia, Kyenjojo and Namayingo.
6. Quarter three performance report prepared and submitted to MoFPED.
7. Support to HIV/AIDS affected staff provided.
8.Completed the end term review of the 4th HSC Strategic plan.
9. Prepared Annual Recruitment Plan for FY 2024/2025
10. Published External Advert No. 1 of April 2025
11. Finalized Terms of Reference (ToRs) for Review and Upgrade of the Examinations
and Skills Assessment System (ESA)
12. Completed the eRS-SMS Gateway Integration with NITA-U
13. Procured IT equipment for eRS Hubs
14. Developed a Checklist for training and monitoring performance at eRS Hubs.
15.Conducted aptitude test at Kwania DSC.
16.Carried out assessment of 8 eRS Hubs.
17. Monitored 9 eRS Hubs.
18.Prepared and submitted monthly procurement reports for the quarter four to MoFPED
19.Prepared and submitted twelve (12) months Financial statements to MoFPED
20.Prepared and submitted final budget estimates FY 2025/26 to MoFPED.
21.Prepared the 5th Strategic Plan FY 2025/26 - FY 2029/30

Variances and Challenges

1.The Commission experienced a huge budget cut of UGX 784,369,738 which has negatively affected the activities of the Commission in recruitment, support supervision and upgrade of the e-Recruitment hubs.
2.Failure to attract suitable Specialists of certain cadres like Radiology, Anesthesia, ENT and Ophthalmology. Applicants for these posts lack the required qualifications and this has cost implications on the number of adverts run by the Commission.
3.Inadequate space for carrying out aptitudes and competence examinations.
4. The recruitment cycle is not fully aligned to the planning and budgeting cycle. The wage for filling vacant posts under the respective Health Institutions is released late which delays submissions to the Commission and Adverts to be run.

i) Gender and Equity

Objective:	Undertake recruitment on merit
Issue of Concern:	Undertake recruitment of Health Workers on merit
Planned Interventions:	Merit in recruitment process
Budget Allocation (Billion):	0.008
Performance Indicators:	Number of Health Workers recruited
Actual Expenditure By End Q4	0.008
Performance as of End of Q4	recruited ... health workers on merit
Reasons for Variations	

ii) HIV/AIDS

Objective:	Implementation of the HIV/AIDS work place policy and support the HIV/AIDS affected and infected staff
Issue of Concern:	Implementation of the HIV/AIDS work place policy
Planned Interventions:	Support to HIV/AIDS affected and infected staff
Budget Allocation (Billion):	0.005
Performance Indicators:	Number of Staff supported
Actual Expenditure By End Q4	0.005
Performance as of End of Q4	1.Supported 1 HIV/AIDs affected staff 2.Sensitized 7 Members and 50 staff of the Commission on HIV/AIDs
Reasons for Variations	

iii) Environment

Objective:	proper disposal of waste to ensure a clean enviroment
Issue of Concern:	Clean working environment
Planned Interventions:	Proper disposal of wastes
Budget Allocation (Billion):	0.005
Performance Indicators:	Number of disposal points established
Actual Expenditure By End Q4	0.005
Performance as of End of Q4	Purchased dust bins for proper disposal of waste
Reasons for Variations	

iv) Covid

Objective:	Implementing the standing operating procedures.
Issue of Concern:	Covid-19 at workplace
Planned Interventions:	Implement the MoH SoPs
Budget Allocation (Billion):	0.002
Performance Indicators:	Number of Hand sanitizers procured Number of Mask procured
Actual Expenditure By End Q4	0.002
Performance as of End of Q4	Procured hand sanitizers and face masks for Members and staff of the Commission

Quarter 4

Performance highlights for the Quarter

• 190 backlog cases forensic cases analyzed and reported of the 175 cases target.
• 450 new forensic cases of the 300 received analyzed and reported.
• 19 cases analyzed and reported of the 49 backlog cases received of forensic monitoring to support safeguards for public health, food and environmental safety.
• 362 cases analyzed of the 115 new cases received of forensic monitoring to support safeguards for public health, food and environmental safety analyzed.
• 69 new cases of commercial, consumer and illicit products analyzed and verified of the 125 cases target.
• 28 court summons of the 30 court summons received were attended. 93.3% of the target achieved.
• UGX 153,815,000 was collected as Non-Tax Revenue in the quarter.

Variances and Challenges

1. Inadequate funding for the Construction of the National DNA Databank Infrastructure Building. Building and Establishment of a Forensic DNA Data base to support Intelligence and Crime Investigations will lead to the strengthening National Security and criminal identification and will not only solve the problem of criminal identification and security but also will eliminate massive arrests of suspects before evidence is obtained and this will reduce the costs of feeding the suspects in prisons. The contract for the Construction DNA Databank Infrastructure Building project was signed, and the site handed over to the Contractor. Excavation works begun in December 2023. The entity engaged the Ministry of Finance, Planning and Economic Development (MoFPED) for release of funds as availed in the FY 2024/2025 Annual Cash Flow and has ensured the fast tracking of the construction. Funds for construction for the FY 2024/2025 were completely released in Quarter Two. DGAL will continue to engage MOFPED for continued support towards the construction of the National DNA Databank in the subsequent financial years.
2. Staff Recruitment; Inadequate number of staff to deploy in Regional Laboratories. The regional laboratories are grossly understaffed, and this affects the laboratory analysis and exhibit collection at the regional laboratories.
3. Office and Laboratory Space; There is need for more office space for the forensic scientists to separate the laboratory space from the office space. Office space will be improved through construction of the National DNA Databank Building

VOTE: 135 Directorate of Government Analytical Laboratory (DGAL)

Table 4.3: Vote Crosscutting Issues

i) Gender and Equity

Objective:	Equity and gender issues mainstreamed in the DGAL services, recruitment and work processes and reports.
Issue of Concern:	• Equity and gender issues are not properly mainstreamed in the DGAL services • Meta data and statistical reports on forensic analysis are not adequate to bring out gender issues. • Lack of appropriate access for disabled persons to the DGAL Main lab.
Planned Interventions:	• Ensuring that cases reported are fully engendered. • Hold 2 workshops to Sensitize officers in DGAL on how to integrate gender and equity issues. • Construction of an access ramp for improved access of disabled persons to the DGAL Main reception.
Budget Allocation (Billion):	0.040
Performance Indicators:	• Fully engendered reports in place. • Number of sensitization workshops on integrating gender and equity issues in DGAL work processes held. • An access ramp for improved access of disabled persons to the DGAL Main reception in place.
Actual Expenditure By End Q4	0.04
Performance as of End of Q4	1. Fully engendered reports in place. 2. Sensitization workshops on integrating gender and equity issues in DGAL work processes held.
Reasons for Variations	

ii) HIV/AIDS

Objective:	Address HIV/AIDS through improved sensitization, care, treatment and support to employees infected and affected by HIV and AIDS at the workplace.
Issue of Concern:	1. Addressing HIV/AIDS is a big challenge at the workplace and this can affect the performance of the staff. 2. Limited Care, treatment and support to employees infected and affected by HIV and AIDS.
Planned Interventions:	1. Sensitization workshops on HIV/AIDS. 2. Improved monitoring and reporting of HIV/AIDS and Tuberculosis interventions 3. Provision of medical care to staff including those living with HIV/AIDS 4. Development of a draft Institutional HIV/AIDS Policy
Budget Allocation (Billion):	0.180
Performance Indicators:	1. Number of sensitization workshops held on HIV/AIDS 2. Number of quality quarterly monitoring reports on HIV/AIDS and Tuberculosis 3. Number of staff accessing medical care and services for HIV/AIDS 4. Draft Institutional HIV/AIDS Policy in place
Actual Expenditure By End Q4	0.18
Performance as of End of Q4	1. Sensitization workshops on HIV/AIDS held. 2. Improved monitoring and reporting of HIV/AIDS and Tuberculosis interventions. 3. Provision of medical care to staff including staff including those living with HIV/AIDS. 4. Developed Institutional HIV/AIDS Policy
Reasons for Variations	There was no variation

iii) Environment

Objective:	Undertake studies on the environment to ascertain the safety of these to uphold public safety as well as private sector competitiveness and growth.
Issue of Concern:	There are increasing public concerns regarding the safety of food stuffs, water and the environment among others. Studies must be conducted to ascertain the safety of these to uphold public safety as well as private sector competitiveness and growth.

VOTE: 135 Directorate of Government Analytical Laboratory (DGAL)

Quarter 4

Planned Interventions:	Undertake 12 studies on the environment to ascertain the safety of these to uphold public safety as well as private sector competitiveness and growth and disseminate the findings and results to the relevant stakeholders.
Budget Allocation (Billion):	0.540
Performance Indicators:	Number of studies undertaken on the environment to ascertain the safety of these to uphold public safety as well as private sector competitiveness and growth.
Actual Expenditure By End Q4	0.54
Performance as of End of Q4	06 studies undertaken on the environment to ascertain the safety of these to uphold public safety as well as private sector competitiveness and growth
Reasons for Variations	There was no variation

iv) Covid

Quarter 4

Performance highlights for the Quarter

Budget Issues to Note in Q4
Variation on Wage:

By end of Q4 of the FY 2024/25, UGX 20.110 Billion only had been spent under wages representing 100% of the released amount.

Variation on Non-wage:
UGX 86.380 Billion was spent by the end of Q4 of the FY 2024/25 out of 86.511 Billion released, representing 99.8 % of the released amount. The unspent balance was attributed to the unpaid rent for some district offices.

Variation on Development:
By the end of Q4, 86.293 Billion of the Development funds were spent, out of 86.295 billion released, representing 100% releases spent.

Key Achievements in Q4 FY2024/25
1. Registered and assigned NINS to 693,345 (M= 325,872, F= 367,473) citizens.
2. Printed 212,622 National Identity cards (for 99,932 males and 112,690 females).
3. Issued 127,620 National ID cards (for 59,981 males and 67,639 females)
4. 70,753 Birth Notifications recorded.
5. Registered 49,392 births (M = 23,214, F= 29,178)
6. Issued 52,595 birth certificates
7. 4,151 Deaths registered
8 4,550 Death Certificates Issued
9. 60 Adoption Orders registered

Cumulative Key Achievements as at end of Q4 FY 2024/25
1. Notified 342,084 births.
2. Registered 273,994 births.
3. Certified 135,657 births.
4. Registered 20,781deaths.
5. Certified 19,043 deaths.
6. 46,553 Death Notifications
7. 160 Adoption Orders registered

NID cards Cumulative performance by end of Q4:
1. Registered 28,617,325 (13,450,143 and 15,167,182) females citizens) out of 35,933,360 applications received since inception.
2. Printed 21,505,708 NID cards since inception.
3. Issued 18,394,161 NIDs

Variances and Challenges

1. The newly introduced registration kits included additional features, but they frequently malfunctioned whenever system developers implemented updates or attempted to synchronize data with the central system.
2. Backlogs in ID production and issuance, particularly due to the delay in the mass renewal of National IDs.
3. Delays in release of funds by the treasury, affecting operational timelines and vendor payments for the Mass Enrolment and Renewal exercise.
4. Inadequate funding has contributed to significant gaps in birth and death registration, undermining the completeness and reliability of NIRA's civil registry.

125 births registered		
PIAP Output: 16050504 All Deaths registered		
Programme Intervention: 160505 Strengthen citizenship identification, registration, preservation and control		
22 Adoption Orders registered		
Birth certificates issued		
20,000 deaths registered	In Q4, 4503 deaths were registered	Death registration especially the ones not attached to benefits are usually not considered by the citizens. Only deaths associated with benefits like estates of the deceased are registered.
Death certificates issued	In Q4, 4339 Death certificates were issued	Death certificate issuance is still demand drive. Mostly, deaths which have benefits attached to them (estates of the deceased i.e. land, money in bank accounts, NSSF etc.) are the ones usually processed. Hence, most deaths are not registered because of no benefits attached to them.

Quarter 4

Table 4.3: Vote Crosscutting Issues

i) Gender and Equity

Objective:	To mainstream Gender and Equity concerns by being gender and equity responsive in budgeting, planning and reporting
Issue of Concern:	The Authority is mandated to register all persons in the country. However, these persons need to clearly be identified in terms of men, women, location, elderly, children, persons with disabilities, those in hard-to-reach areas, etc
Planned Interventions:	1)Registration of 597,168 citizens (294,523 males & 302,645 females) 2)Registration of 71,660 PWDs 3)Registration of 10,510 elderly persons 4)Registration of persons in confinement 5)Registration of 113,137 children 6)Registration of 401,698 youths
Budget Allocation (Billion):	827,914,185.000
Performance Indicators:	1) 597,168 registered persons issued with NIDs (294,523 males & 302,645 females) 2) 60,000 issued with NID cards 3) 8,800 elderly persons issued with NID Cards 4) 94,864 persons in confinement issued with NID Cards 5) 336,336 youth issued with NID Cards
Actual Expenditure By End Q4	
Performance as of End of Q4	1. Registered and assigned NINS to 693,345 (M= 325,872, F= 367,473) citizens. 2. Printed 212,622 National Identity cards (for 99,932 males and 112,690 females). 3. Issued 127,620 National ID cards (for 59,981 males and 67,639 females) 4. Registered 49,392 births (M = 23,214, F= 29,178)
Reasons for Variations	Achieved as planed

ii) HIV/AIDS

Objective:	To mainstream HIV/AIDS issues in the Authority
Issue of Concern:	Awareness, prevention, care and treatment of HIV/AIDs
Planned Interventions:	1) Develop and operationalize the HIV/AIDS workplace based policy 2) Hold a medical camp where testing and counseling will be done 3) Commemorate the World AIDs day 4) Provide Medical insurance to staff
Budget Allocation (Billion):	19,225,000.000
Performance Indicators:	1) Medical camp where HIV/AIDs testing & counselling will be held 2) World AIDs Day commemorated 3) All staff are under medical insurance 4) HIV/AIDs awareness messages disseminated 5) HIV/AIDs policy developed and operationalized
Actual Expenditure By End Q4	
Performance as of End of Q4	1. Medical insurance for staff paid and all staff plus their four dependantsare covered
Reasons for Variations	Insufficient funds released.

iii) Environment

Objective:	To preserve and conserve the environment during our operations
Issue of Concern:	Obsolete fragmented technologies and registration equipment

VOTE: 137 National Identification and Registration Authority (NIRA)

Quarter 4

Planned Interventions:	1) Safe disposal of polycarbonate material and toners 2) Acquisition of environmentally friendly technologies 3) Safe disposal of assorted ICT equipment
Budget Allocation (Billion):	500,000,000.000
Performance Indicators:	1) Number of systems developed 2) Number of proper waste bins procured for disposal of wastes 3) Number of emails created 4) Nuber of assorted ICT equipment disposed off
Actual Expenditure By End Q4	
Performance as of End of Q4	1.Authority procured safe waste disposal containers. 2. Procured paper shredders for departments to limit waste paper disposal.
Reasons for Variations	Insufficient funds released

iv) Covid

Objective:	To mitigate the impact of COVID-19 global pandemic in the workplace
Issue of Concern:	The Authority is a client-based entity and staff interface with clients on daily. This exposes them to the infection of Corona Virus Disease
Planned Interventions:	1) Strengthen COVID 19 surveillance in all designated registration and issuance centers countrywide 2) Provision of sanitation materials in all district offices and assorted medical supplies (masks, face shields and sanitizers)
Budget Allocation (Billion):	0.000
Performance Indicators:	1) Sanitizers provided to staff 2) All NIRA offices provided with liquid soap 3) Frontline staff provided with face masks and face shields 4) 1,500 chlorine-based disinfectants provided to all NIRA offices
Actual Expenditure By End Q4	0
Performance as of End of Q4	1. Sanitizers provided to all offices 2. Provided masks to headquarters and district office staff 3. Procured liquid soap for hand washing and cleaning services
Reasons for Variations	Achieved as planned

VOTE: 138 Uganda Investment Authority (UIA)

Performance highlights for the Quarter

In accordance with the Appropriation Act 2019, Parliament revised the Authority budget to a total of UGX. 173.529 bn of which 17.967 bn was GOU and 155.562 bn was External Financing. The UIA GOU budget was comprising of UGX 7.372bn for wage, UGX 8.203 bn for Non-Wage, UGX 0.520 bn for Development. As at 30th June, 2025, UGX 17.967 bn in respect of GOU funding had been released representing 100% performance of the revised annual budget estimates. Out of the GOU funds released, UGX 16.517 bn had been spent representing 92.0% absorption rate in the FY. The external financing absorption was UGX 46.297bn representing 30% absorption.
The under-absorption for GOU funding was in respect of wage and gratuity for staff and by close of the FY the recruitment process was still on going. The external financing was in respect of on going works for Infrastructure development at KIBP-Namanve.

Key Physical performance in Q4
• 10 operational industrial parks monitored
•Two(2) industrial park lands identified. These include the 388Ha in Bulambuli district to be leased out to MAZDAR Project, approximately 10,000acres to be allocated to Tororo Cement Factory for setting up a clinker factory
• 21 inward missions received from countries such as Botswana, India, China, Eritrea, Malaysia, Ethiopia, Angola,
Denamark, UK, Kenya, UAE and South Africa. 31 contact leads generated of these 10 were females.
• Published 18 news stories and information on the UIA website
• Completed and secured approval for the Strategic Plan FY2025/26–2029/30 from the NPA.
• Organized two (2) domestic investment outreach programs , 1300 SMEs sensitized in Greater Nebbi
town and Gulu city on access to SBRF and ACF in collaboration with Bank of Uganda.
• 5,786 transactions processed through the OSC translating to 188 licenced projects with planned investment of USD 436,107,467.
• Five (5) printers, heavy duty printer, 7 movable shelves for registry, scanner for registry, 10 laptops,
office desks procured

Variances and Challenges

. Inadequate funding for the development of industrial parks.
. Delays in land acquisition approvals, affecting park expansion.
. Stalled infrastructure projects in Kapeeka and Mbale due to unpaid arrears.
. Inter-agency delays in resolving investor issues, hindering smooth facilitation.

VOTE: 138 Uganda Investment Authority (UIA)

Quarter 4

Outputs Planned in Quarter	Actual Outputs Achieved in Quarter	Reasons for Variation in performance
Department:003 Domestic Investments		
Budget Output:120030 Investor Education and Stakeholder facilitation		
PIAP Output: 07010201 An overarching local content policy framework developed		
Programme Intervention: 070102 Develop and implement a holistic local content policy, legal and institutional framework		
1 domestic investment outreach program (exhibitions, business fora expos, and surveys) supported	Two domestic investment outreach programs were conducted, reaching 1,300 SMEs in Greater Nebbi Town and Gulu City with sensitization sessions on accessing the Small Business Recovery Fund (SBRF) and Agricultural Credit Facility (ACF), in partnership with the Bank of Uganda. i) A total of 2,856 SMEs benefited from UGX 54.4 billion under the SBRF. ii) By the end of March 2025, 6,587 SMEs had received UGX 1.12 trillion through the ACF. Additionally, two investor barazas were held at Namanve and Mbalala Industrial Parks. i) The events attracted a combined total of 191 participants. ii) Key issues discussed and addressed included unreliable power supply, high tariffs within industrial parks, delays in obtaining NEMA certificates, slow cargo clearance at border points, prolonged resolution of tax audit queries, and backlogs in VAT reimbursements.	Target met
1 Exhibition for cottage Industries facilitated	In collaboration with the Academy of Women Entrepreneurs, UIA facilitated the 50 women in business to exhibit their products for market access, called Tunda, and 80% of the women reported product visibility and increased sales.	Target met
PIAP Output: 07010201 An overarching local content policy framework developed		
Programme Intervention: 070102 Develop and implement a holistic local content policy, legal and institutional framework		
40 domestic investors facilitated and linked to access ICT services through innovation hubs	43 SMEs were linked: 7 to Kyambogo Business Incubation Center (Confectionary) and 36 linked to CURAD for coffee and juice value addition technologies	Uganda Investment Authority (UIA) and its partners strengthened collaborations with existing innovation hubs, allowing for wider outreach and more efficient onboarding of SMEs, but also targeted outreach campaigns, both physical and online, successfully increased awareness among SMEs about available ICT services and the benefits.

VOTE: 138 Uganda Investment Authority (UIA)

Quarter 4

Outputs Planned in Quarter	Actual Outputs Achieved in Quarter	Reasons for Variation in performance
PIAP Output: 07020301 Adequate framework for a MSME database in place		
Programme Intervention: 070203 Improve data availability on the private sector; and Improving Dialogue between the private sector and Government		
PIAP Output: 07020501 Institutional and policy frameworks for investment and trade harmonized		
Programme Intervention: 070205 Rationalize and harmonize standards institutions, and policies at local and regional level;		
	84 in western Uganda, 500 in the central region, and 20 in northern and eastern Uganda. Through targeted SME facilitation, UIA focused on identifying, nurturing, and promoting innovative business ideas while providing Business Development Services (BDS) to enhance the competitiveness and sustainability of these enterprises.	Target met
PIAP Output: 07050104 Private firm transacting using ICT increased		
Programme Intervention: 070501 Address non-financial factors (power, transport, ICT, business processes etc) leading to high costs of doing business		
40 domestic investors linked to business linkages and opportunities through the national SME portal	A total of 98 were linked. 65 SMEs linked to UDB financing; UGX 795M disbursed to 2 SMEs; i) Go Five Promotional Products Ltd.: UGX 600M. ii) Bigambo Water Supply (U) Ltd: UGX 195M 33 Kikubo traders linked to financial institutions to access affordable financing as they transition. i) UDB ii) Post bank iii) Stanbic iv) Housing v) Finance Trust and Centenary Bank were engaged and shared their product catalogues with traders vi) The products will be customized to better suit traders' specific needs. vii) 11 projects licensed viii) Planned investment: USD 8.6M ix) Projected jobs: 2,022	The high performance in linking 426 domestic investors and SMEs to business opportunities such as access to finance is attributed to strong collaboration with financial institutions and ecosystem partners, who actively participated in matchmaking sessions and outreach events. These partnerships created direct engagement channels for SMEs to access services, advisory services, and investor networks, significantly increasing the number of linkages.
120 domestic investors profiled into the National SME portal database for traceability and access to services and business linkages	53 domestic investors/SMEs were profiled into the National SME portal for traceability, access to services, & business linkages maintained	163 were not profiled due to lack of digital infrastructure and internet to onboard themselves.
	200 SMEs were facilitated through targeted SME facilitation. UIA focused on identifying, nurturing, and promoting innovative business ideas while providing Business Development Services (BDS) to enhance the competitiveness and sustainability of these enterprises.	Target met
	In collaboration with the Academy of Women Entrepreneurs, UIA facilitated the 50 women in business to exhibit their products for market access, called Tunda, and 80% of the women reported product visibility and increased sales.	Target met

Budget Output:000089 Climate Change Mitigation

PIAP Output: 07020501 Institutional and policy frameworks for investment and trade harmonized

Programme Intervention: 070205 Rationalize and harmonize standards institutions, and policies at local and regional level;

One (1) environment sensitization campaign conducted to encourage manufacturers to develop climate friendly production technics	UIA and NEMA carried out 4 joint compliance inspection and compliance assessments and stakeholder engagements in pollution cases for 4 companies in KIBP. These include Mpower, Tembo Aluminium, Feilong Ltd, AVORA Avocado industry. A stop order was issued for Mpower Oil Company Limited for persistent air pollution and unpleasant odor emanating from their operations and an improvement notice to Tembo Aluminium. The two companies were enrolled to the compliance assistance program.	We surpassed the target and this is due to ongoing infrastructure projects which have to meet environmental compliance requirements including periodic environmental sensitization of communities and investors in the Mbale Industrial Park.

i) Gender and Equity

Objective:	1. To promote the participation of special interest groups in investment mechanisms and opportunities 2. To reduce Gender Inequity and Inequality.
Issue of Concern:	A. Gender Inequality within workplaces B. Low participation of women, youth & disabled in public & private investment opportunities C. Poor knowledge & skills to mainstream Gender issues in workplans. D. dis-aggregated data 4 Gender & Equity in planning
Planned Interventions:	- Tailor made investment opportunities to women created within the SMEs & park facilities. - UIA Entrepreneurship training programs designed to target women & youth as a first priority. - Conduct hands-on training for the staff on Gender and Equity issues
Budget Allocation (Billion):	0.050
Performance Indicators:	- Manual for mainstreaming Gender & Equity issues formulated - The number of staff trained in Gender and Equity responsiveness. - The number of data collection tools developed, reviewed and updated. - The number of trainings held on the use of G&E data
Actual Expenditure By End Q4	0.05
Performance as of End of Q4	In collaboration with academy of women entrepreneurs, UIA facilitated the 50 women in business to exhibit their products for market access called Tunda and 80% of the women reported product visibility and increased sales Gender and Equity mainstreaming activities were undertaken in the Authority
Reasons for Variations	Performance target was met

ii) HIV/AIDS

Objective:	1. To Provide care for staff and dependents living with HIV/AIDS 2. To reduce the increase in cases of HIV/AIDS
Issue of Concern:	- Increased cases of HIV/AIDS among staff & community near Industrial Park setups. - Lack of HIV/AIDS awareness & prevention programs at UIA. - Limited access to HIV/AIDS universal infection control measures
Planned Interventions:	A. Industrial Park community to be educated on the causes of HIV Aids and provided with testing & counseling services. B. Employees to gain access to HIV prevention services. C. Conduct quarterly HIV/AIDS awareness camps in relation to behavior change.
Budget Allocation (Billion):	0.040
Performance Indicators:	A. Industrial park community to get access to testing and counseling services. B. % staff covered on the Medical Insurance Scheme. C. Employees availed access to sensitization Materials on HIV/ AIDS prevention. D. Number of health camps conducted
Actual Expenditure By End Q4	0.04
Performance as of End of Q4	HIV/AIDS sensitization meetings were held for both the Staff and the neighbouring communities of the industrial parks
Reasons for Variations	The target was met

iii) Environment

Objective:	To improve environmental compliance and monitoring during the implementation of investments

VOTE: 138 Uganda Investment Authority (UIA)

Quarter 4

Issue of Concern:	A. Lack of Environmental Compliance checks & Monitoring during the Implementation of Investments in Industrial parks areas.
Planned Interventions:	- A requirement for Licensed investors to undertake ESIAs assessments before implementing their projects. - Environment Agency to be integrated at the One Stop Centre & in Industrial Park activities - Plant more vegetation around parks
Budget Allocation (Billion):	0.050
Performance Indicators:	a). NEMA agency setup at the OSC and Industrial parks to monitor and guide investment in key areas. b). Investor of the Year award to recognize environmentally compliant Investor hubs,
Actual Expenditure By End Q4	0.05
Performance as of End of Q4	Licensed investors are now required to undertake ESIA assessments before implementing their projects and an Environmental Agency has been integrated at the One Stop Centre
Reasons for Variations	no variation

iv) Covid

VOTE: 139 Petroleum Authority of Uganda (PAU)

Quarter 4

Performance highlights for the Quarter

Cumulatively, by end of quarter four PAU received UGX 64.424 billion (100%) of the approved annual budget of UGX 64.424 billion. The Authority spent UGX 62.241 billion (96.6% absorption). The unspent balance of UGX 2.184 billion (3.4%) was meant for wage, NSSF and Gratuity for staff positions recruited in quarter four and those still under recruitment, as well as costs for general insurance, meals, and vehicle maintenance.

In terms of physical Performance, the Authority carried out the Annual Evaluation for FY 2024/25, achieving 125 of the 138 planned outputs, representing 91%. Below are some of the key achievements.

1) The cumulative revenue from ongoing oil and gas activities rose to UGX 208.089 billion in FY 2024/25 from 183.6 billion in FY 2023/24.
2) Monitored and regulated Tilenga and Kingfisher facilities construction, which progressed to 60.41% (Kingfisher – 69.62% and Tilenga – 57.0%). Cumulatively, a total of 148 out of 189 wells targeted for FO (Tilenga – 134/170 wells and Kingfisher – 14/19 wells) were drilled.
3) Monitored development of the EACOP project which progressed to 62.5%, with engineering at 94.6%, procurement at 83.8% and construction and commissioning at 32.7% as of June 2025.
4) Monitored national participation in the petroleum industry, where 54,954 (15,387 direct and an estimated 39,567 indirect) Ugandans were employed in oil and gas operations.
5) 1,075 Ugandans registered on the National Oil and Gas Talent Register to enhance participation of Ugandans in oil and gas activities.
6) 321 Contracts were awarded, of which 233 Contracts (72.6%) went to Ugandan Companies.
7) The Authority’s Annual Workplan and Budget Estimates FY 2025/26 was prepared and submitted to MOFPED.
8) Completed preparation of the Authority’s Strategic Plan 2025/26 – 2029/30. This was approved by the Board and certified by the National Planning Authority.
9) The nine-months Financial Statement was prepared and submitted to the office of the Accountant General.

Variances and Challenges

1) Inadequate funding for the Authority’s activities, especially output under the NPDRI project that includes the establishment of Real-Time Monitoring and Centre (RTMC) and Disaster Recovery System (DRS), which are key for monitoring and regulation of oil and gas. The Ministry of Finance, Planning and Economic Development (MoFPED) should prioritise funding for these critical outputs in the remaining period.

2) Non-compliance of exploration licensees with the established regulatory framework and health and safety standards. The Authority should prioritize quarterly engagements with licensees to address and resolve these compliance issues.
