THE REPUBLIC OF UGANDA

5th July 2018

All Accounting Officers

FIRST QUARTER EXPENDITURE LIMITS FOR GOVERNMENT OF UGANDA (GOU) WAGE, NON-WAGE RECURRENT AND DEVELOPMENT, EXTERNAL FINANCING AND APPROPRIATION IN AID EXPENDITURE FOR JULY TO SEPTEMBER 2018 FOR FY 2018/19

1. In line with the Budget Execution Circular for FY 2018/19, this is to communicate the Expenditure Limits for GoU Wage, Non-Wage Recurrent and Development as well as External Financing and Appropriation-in-Aid Expenditure (including Local Revenues) for the period July to September 2018 as attached in **Annexes 1 to 4**.
2. The Expenditure Limits are based on the Government Annual Cash Plan adjusted to take into account revenue performance and absorption capacity exhibited towards the end of FY 2017/18. You should ensure that all your priority expenditures are addressed within the resources advised to you in this circular.
3. The First Quarter Expenditure Limits have accorded protection to Salaries, Pension and Gratuity and these have been fully provided for based on quarterly projections and submissions received from Accounting Officers. The arrears for utilities, rent, retirement benefits for ISO, ESO and Makerere, classified arrears for recurrent under ESO and Office of the President, as appropriated by Parliament, have been provided during the First Quarter. **The Salary, Pension and Gratuity Arrears will be released in October 2018.** The Accounting Officers are requested to use this period to undertake thorough verification of the beneficiaries.
4. In addition, the First Quarter Expenditure Limits have **catered for the semester requirements for Universities** and half of the Missions'

budgetary provisions to minimize loss on poundage over the year and to provide for the rental obligations.

5. With respect to External Financing, the First Quarter allocations are based on the projected disbursements by the Development Partners and for Appropriation-in-Aid (AIA), twenty-five percent (25%) of the annual provision has been provided for expenditure during the First Quarter. With respect to the Universities, fifty percent (50%) of the AIA Annual provisions have been released in line with the semester requirements. Subsequent releases of AIA and to Universities will be based on actual collections and deposit of the collected amounts on the Consolidated Fund.
6. It is the responsibility of the Accounting Officers to ensure timely payments are made accordingly. You are requested to submit your warrants in line with the Budget Execution Circular for Financial Year 2018/19.
7. With effect from Financial Year 2016/17, in addition to Central Government, releases to Local Governments, Missions and Universities are effected on the Integrated Financial Management System (IFMS). Training on the use of the system for the new Votes coming on board in FY 2018/19 is ongoing and arrangements have been made for further support during execution while refresher training will be conducted based on need. Warranting for Missions will continue to be done at the Ministry of Finance level pending enhancements to facilitate warranting from sites outside the country.
8. You should avoid any delays in making payments. In particular, payment of salaries, pension and gratuity should be effected by the 28th day of every month based on the verification you have undertaken.
9. A number of Votes continued to experience shortfalls on wage expenditure last financial year due to recruitment without a wage provision and poor estimation of wage requirements. This is unacceptable and will continue to attract sanctions to the responsible Accounting Officers.
10. Rent and utilities payment should have a first call on the First Quarter allocations for non-wage recurrent of your Votes. Accounting Officers should liaise with the utility companies to ensure connection to the prepayment systems to avoid accumulation of arrears.
11. Funds to subvented Institutions, should be passed on to them intact and timely in order to enable them meet their expenditure needs.
12. Release of funds to schools follows the school calendar as advised by Ministry of Education and Sports. The relevant institutions are advised to

Mission

"To formulate sound economic policies, maximize revenue mobilization, ensure efficient allocation and accountability for public resources so as to achieve the most rapid and sustainable economic growth and development"

ensure that release projections are harmonized and advice submitted in time and releases effected according to the timeframe in the guidelines.

13. The Ministries of Education and Sports, that of Health as well as Local Government Finance Commission are reminded to ensure that the information on the schools, health facilities and Town Council accounts respectively is accurate to avoid bouncing of funds due to incorrect bank accounts and account details.
14. Please be reminded that submission of Performance Contracts for countersignature and acceptance letters for appointment as Accounting Officers are preconditions for release of funds. No release will be made to any Institution where the Accounting Officer has not fulfilled these requirements.
15. To facilitate approval, you should submit a request for a single warrant by category for each of the categories; Wage, Pension, Gratuity, Non-Wage Recurrent and Development Expenditure Limits. Expenditure Limits for Appropriation-in-Aid and Externally Funded Development are also included in this Circular. Your submissions should reach this Ministry **by Friday 13th July 2018**. Approval of warrants will strictly follow the breakdown submitted and endorsed by the Accounting Officers.
16. Lastly, Accounting Officers should exercise high levels of prudence when allocating the expenditure limits to the competing needs under their Votes to ensure that priority is given to critical activities that contribute significantly to the attainment of Vote Outcomes without accumulating arrears. Any warrants that will be found to be inconsistent with this principle will be rejected.
17. By copy of this letter, the Accountant General is requested to issue **Accounting Warrants up to the levels indicated in the Expenditure Limits schedule attached in Annexes 1-4.**
