All Local Government Accounting Officers

DETAILED ALLOCATION OF QUARTER TWO (Q2) FY 2017/18 EXPENDITURE LIMITS FOR WAGE, PENSION, GRATUITY, OTHER NON-WAGE AND DEVELOPMENT GRANTS FOR LOCAL GOVERNMENTS

1. Reference is made to my letter Ref: MET.50/268/01 dated 21st September 2017 communicating the Second Quarter Expenditure Limits for Wage, Non-Wage Recurrent and Development Expenditure for the period October – December 2017;
2. The underlying assumptions for the second quarter (Q2) release FY 2017/18, for the different categories are as follows:

Education

- i). The Non-Wage Recurrent Conditional Grant directly transferred to Education Institutions including funds for Inspection have not been released under this circular given that it was released in the first quarter in time for opening of the Third Term that started in September 2017. **The release for Term I of the school calendar year 2018 will be included under the Third Quarter Expenditure Limits in January 2018;**
- ii). We have, however released funds for Development grants under the Education Sector by Local Government Vote. The release projections were adjusted to fit within the quarter two FY 2017/18 expenditure limits provision (25%) based on the approved budget per Local Government Vote.

Health

- i). The release of funds for the Non –Wage Recurrent and Development grants under the Health Sector for this quarter (Q2) FY 2017/18 was maintained at the level of the amounts released in the first quarter given that the quarter two expenditure limit provision for the Non-Wage grant (25%) was maintained at the level of the first quarter limits;
- ii). **Accordingly, the funds transferred directly to the respective Health Facilities and to the General Fund Account by Vote will be effected up to the levels of the first quarter release as advised by the Ministry of Health as per our letter of even reference dated 11th August 2017 (copy attached).**

Mission

"To formulate sound economic policies, maximize revenue mobilization, ensure efficient allocation and accountability for public resources so as to achieve the most rapid and sustainable economic growth and development"

Wages and Salaries

The Q2 Expenditure Limits of Ushs 425,999,068,298/= have been issued based on the quarterly projections and adjusted to fit within the expenditure limit provision for each Local Government Vote.

Pensions and Gratuity

- i). The expenditure limits for Pensions and Gratuity of UShs. 25,410,416,139/= and UShs. 14,734,672,431/= respectively has been issued to take into account quarterly projections submitted by Accounting Officers;
- ii). It was noted in FY 2016/17, that some Accounting Officers were using the budget provision for Pension and Gratuity funds to pay off Pension and Gratuity arrears accumulated before decentralisation. **You are strongly advised to stop the practice forthwith and any non-compliant Accounting Officers will be held personally responsible in line with the PFMA, 2015.**

Pension and Gratuity Arrears

- i). The entire budget provision of UShs. 56,629,856,589/= for Pension and Gratuity Arrears has been released and will be warranted together with the Gratuity limits using the source code; 09-002-XXX-999998-00-00-0000-0000-000000-999994 as communicated under para. 13(i) of the Budget Execution Circular for FY 2017/18;
 - ii). **Accounting Officers for Votes that have budget provision for Pension and Gratuity Arrears are advised to PAY ONLY THOSE CLAIMANTS THAT APPEAR ON THE ATTACHED SCHEDULE (Annex 4).**
 - iii). **Please note that this includes all Pension and Gratuity claims submitted ever since the verification process started in FY 2015/16. You are therefore, advised to ensure that those paid in FY 2016/17 are not paid again but instead submit expenditure returns for those that were paid without further delay.**
3. As you are aware, the funds for Ex-Gratia and Councillors Allowances for Elected Political Leaders were consolidated into the Unconditional Grant budget for FY 2017/18 and provision made as an "of-which" under the schedule of IPFs communicated to you by this Ministry. Accordingly, part of the funds released in this quarter under the Unconditional grant should be utilized for payment of monthly allowances to the respective beneficiaries as follows:
 - a). The District and Municipal Councilors each at UShs. 250,000;
 - b). The Municipal Speakers and District Deputy Speakers each at Ushs. 400,000; and
 - c). The Municipal Deputy Speakers each at Ushs. 300,000;
 4. Given that the release for the Unconditional Grant is made at **25% of the budget provision this quarter, you should ensure that funds for payment of Ex-Gratia for LCI and LCII Chairpersons have been kept intact and the beneficiaries paid in the last quarter of this financial year.**

5. It should be noted that you are responsible for effective utilization, submission of quarterly performance progress reports and accountability of the funds transferred to service delivery units;

Processing of Releases under IFMS

6. Effective last Financial Year 2016/17, in addition to Central Government, all releases including those hitherto under the legacy system are effected on the Integrated Financial Management System (IFMS);
7. All the necessary training on the process of warranting of funds and payments was provided to Accounting Officers in FY 2016/17 at seven (7) IFMS Regional Centres of Gulu, Masaka, Bushenyi, Mbarara, Arua, Mbale and Jinja, in which you were able to input your warrants and prepare invoices for direct transfers on the IFMS.
8. This Ministry has arranged further technical support to take place between 16th July and 20th October, 2017 at the same seven (7) IFMS Regional Centres just like it was done in the first quarter of FY 2017/18. You will utilize the support to input your warrants and prepare invoices for direct transfers on the IFMS.
9. **Local Government Votes on Tier I and those conversant with the warranting process on the IFMS may proceed and prepare their Accounting Warrants as well as enter their invoices on the system in order to facilitate timely payments. In case the need for technical assistance arises, the technical team to which your Vote is assigned will be available to help.**
10. Therefore, the releases for this quarter will be effected by you on the IFMS real time during the above technical support. **On invoicing on the system, the Accounting Officers will also enter details for Direct Transfers to Sub-Counties, Municipal Divisions and Town Councils, as per the Ms. Excel spreadsheet (indicated in Table 2 attached) and Education Institutions showing the Name of the Institution and Amounts to be paid.**
11. **Also attached as Table 3 and Table 4 is a schedule indicating the share of the Non-Wage Recurrent and Development Expenditure Limits transferred to the General Fund Account and Direct Transfers for your information and use.**
