## **Structure of the Ministerial Policy Statement**

---

“Each Minister shall cause to be prepared and submitted to Parliament a Policy Statement of the relevant Ministry on the preliminary [budget] estimates .... by the 30th day of June in each year”. Budget Act 2001, Section 6 (1)

### **Vote Functions**

Since the FY2013/14 budget cycle, the preparation of sector BFPs, Ministerial Policy Statements and Budget Estimates centre around the notion of Vote Functions. A Vote Function is a set of programmes, projects, and Local Government Grants, defining the roles and responsibilities of a vote/institution, and contributing towards the attainment of vote and overall sector objectives.

As such, a Vote Function provides detailed information on centralised services, by capturing allocations to Central Ministries and Stand Alone Votes, and decentralised services funded via grants to Local Governments

### **Structure**

The Ministerial Policy Statement is structured by Vote, as follows:

- **Staff Establishment Structure**

Provides details of approved staff structure for each programme and project (including names of staff and vacant posts). This is clearly demonstrated in the form of an organogram.

- **Vote Overview**

This section sets out past performance and future plans for Central and Local Government Votes in more detail. It is structured as follows for each Vote: A Vote Overview sets out key details of the vote, including past performance, future plans and key performance issues to be addressed including costing implications.

- **Vote Annexes**

Annex Recommendations from parliament and institutional responses

Vote Function 4: Policy, Planning and Support Services is comprised of programmes: 01-Finance and Administration; 02- Planning and Quality Assurance and 16- Internal Audit Unit. The Vote Function has two projects: 1029 - Construction of MLHUD Headquarters Building and 0162- Support to PQAD.

Vote Function 5: Government Land Administration (ULC) is comprised of programme 01- Headquarters and Project 0989 - Support to Uganda Land Commission.

Madam Speaker, last Financial Year, my Sector had an approved budget of UGX 24.770 billion, of which UGX 12.686 billion was for wage and non-wage recurrent, and UGX 26.579 billion for development expenditure. The budget performance was at 75%.

Madam Speaker and Honorable Members, for FY 2015/16, my Ministry Vote 012 and ULC Vote 156 were allocated a total of UShs. **57.401 billion**, of which **UShs. 3.947 billion** is for wage, **UShs. 11.373 billion** Non- wage recurrent and **UShs. 26.514 billion** Development expenditure for MLHUD and UShs. **UShs 0.380 billion** for wage, UShs **0.511 billion** Non-wage recurrent and UShs **14.676 billion** Development expenditure for ULC.

Madam Speaker, with the above financial resources, my Sector plans to carry out the following key activities as per Vote Function Outputs:

**Under Land Administration and Management:**

- Implement the National Land Policy;
- Commence the drafting of the 5 land related laws namely: Survey and Mapping Bill, Land Information & Infrastructure Bill, Registration of Titles (Amendment) Bill, Surveyors Registration (Amendment) Bill, and Land Acquisition Act (Amendment) Bill;
- Finalise review of the Land Regulations;
- Implementation of Competitive Enterprise Development Project (CEDP) land component activities which include construction and equipping seven (7) Ministry Zonal Offices and installation of LIS;
- Carry out land registration processes and issuance of land titles.
- Implement administrative mechanism to record and control Land Agents, who access the Land Registries;

- Carry out land registration processes and issuance of land titles, CCOs, and COs;
- Carry out public education and awareness campaigns on the land rights and other related matters;
- Carry out valuations for properties, roads, way leaves and other infrastructure projects;
- Induct and train District Land Management Organisations;
- Participate in technical meetings for the survey of international boundaries;
- Carry out survey and mapping activities;
- Monitor and supervise land management institutions in 30 districts including 13 Ministry Zonal Offices;

**Under Physical Planning and Urban Development:**

- Implement the National Land Use Policy and National Urban Policy;
- Disseminate the National Urban Solid Waste Management Strategy to 22 Municipalities;
- Disseminate the Physical Planning Act, 2010 and the Physical Planning Standards and Guidelines disseminated to 20 Districts;
- Finalise the physical development planning for the remaining towns in the Albertine Graben region;
- Carry out physical development planning for Karuma and Buvuma Islands to guide development and human settlement;
- Implement infrastructural development programs and projects in the 14 Municipalities under USMID program;
- Finalise the formulation of the National Land use compliance assessment tool which will enable the Ministry to compare levels of compliance to the land use regulatory framework;
- Facilitate activities of the National Physical Planning Board to be able to guide developments in the country;
- Produce state of urban development report 2015;
- Undertake capacity building of sector staff in physical planning and urban development matters;

**Under Housing:**

- Commence the implementation of the National Housing Policy;
- Submit the Landlord-Tenant Bill to Parliament for debate and enactment into law;

- Implement low cost housing initiatives and projects under PPP arrangement;
- Implement the Slum redevelopment Housing projects;
- Coordinate negotiations with Development partners to undertake housing projects;
- Update the Pool housing database;
- Finalise the construction of low cost houses in Kasooli-Tororo Municipality;
- Finalise the development of the national building Materials Database;
- Habitat III related activities coordinated;
- Annual Housing Exhibition organized;
- Coordinate World Habitat Day 2015 activities;
- Capacity building for staff in housing sector carried out.

**Under Policy, Planning and Support Services:**

- Coordinate the implementation, dissemination and distribution of policies, laws, regulations, standards and guidelines related to lands, housing and urban development sector;

# MPS: Lands, Housing and Urban Development

## Recommendations from Parliament for FY2014/15 And Responses by MDA

### MINISTRY OF LANDS, HOUSING AND URBAN DEVELOPMENT

#### Recommendations from Parliament for FY 2014/15 and Responses by the Ministry

##### 1.Lack of a National Physical Development Plan

a)The Ministry need to fast track the National Physical Development Plan in order to enhance optimal utilization of land and to curb the various physical development challenges being faced country wide due to its absence. Further, adequate funds needs to be availed for the development of the National Physical Development Plan. These funds should be phased out to be paid within the medium term.

##### Response

Initial resources to prepare the National Physical Planning Development Plan have been secured under CEDP. Expression of interest by competent firms have been received and evacuated for potential firms to undertake the preparation of National Physical Development Plan. However government is to counter fund under support to National Physical Development Planning Program 1244.

b)The MLHUD and the concerned stakeholders including the Ministry of Energy and Mineral Development and that of Local Governments collaborate to fast track the development, dissemination and implementation of the Regional Physical Development Plan.

##### Response

Albertine Grabben Regional Physical Development Plan was completed in December 2014, certified by National Physical Planning Board in January 2015. The Ministry of Lands, Housing and Urban Development is developing a dissemination program to all stakeholders and implementation strategy which will be multi-sectorial approach in nature.

c)The Ministry of Lands, Housing and Urban Development prioritizes recruitment and staffing of the department of Urban Development undertakes the formulation of an all- encompassing Urban Development Master Plan that harmonizes all existing policies and laws in order to ensure sustainable management and development of the urban areas. The Committee further urges politicians to work harmoniously with the local and district technical leadership; ant to desist and; adhere to existing laws and policies.

##### Response

Sensitization workshops and harmonization of policies and laws are being worked on. Joint meetings between politicians and technical leadership to be stepped in the planning process and plan implementation.

##### 2.Escalating Land Disputes

a)The Ministry of Lands, Housing and Urban Development (MLHUD) considers reviewing the implementation of the Land (Amendment) Act, 2010 as this will go a long way in addressing most of the land disputes and conflicts countrywide.

##### Response

Implementation under the law involves the Minister approval, which was done. All other provisions have also been implemented however, the problem is where there are absentee landlords. The NLP has provided for the strategies which are not in the law, these are to be implemented under the NLP Implementation Action Plan.

b)The MLHUD considers further review of the implementation of the Land Act since, this law has proved

## **MPS:** Lands, Housing and Urban Development

ineffective largely due to ignorance by the various stakeholders and beneficiaries including both the landlords and tenants of their rights and obligations. In the meantime, the Ministry disseminates guidelines on implementation of the Land (Amendment) Act, 2010 and also carry out country sensitization of the various stakeholders.

### Response

Sensitizations have been done in Wakiso in partnership with the woman MP. This is because Wakiso has the most rampant evictions.

Information materials have been distributed at exhibitions, MDFs, Districts, and NGOs which have always requested for them.

c)Government investigates the allegations of Land grabbing in the Albertine Grabben at hand and report to parliament within six months from the time this report is adopted.

### Response

The allegations of land grabbing in the Albertine Grabben are to be investigated by Government based on clearly documented complaints of the victims of land grabbing, describing the location and scope of the land, the number of households affected, how the land grabbing has taken place for example by survey and land titling, the reference of all the titles issued and the names of the alleged land grabbers as is known by the complainant.

### 3.International Border Conflicts

The MLHUD fast tracks the process of resurveying and securing all Uganda's International borders.

### Response

Inter-border meetings have been held with counterparts such as Tanzania and Uganda. The first meeting was held in Uganda and later another meeting held in Tanzania

Carried out sensitization meetings of the border communities staying along the international border such as Rwanda, Kenya, Tanzania, southern Sudan and DRC.

We have re-constructed and re-confirmed 11 border pillars in Busia District. We have as well completed the restoration of vandalized pillars in areas along Mt.Elgon and Moroto.

### 4.Delay in implementation of the GKMA Development Plan

The MLHUD and the various stakeholders both at District and national leveling including Kampala Capital City Authority (KCCA), Ministry of Works and Transport (MoWT) Ministry of Water and Environment (MoWE) and the Ministry of Finance, Planning and Economic Development collaborate to fast track the development and realization of the greater Kampala Metropolitan Area (GKMPA). Government is further urged to provide funding worth UGX 2.5 billion is required for the operationalization of the Greater Kampala Metropolitan Area Plan. These should be preceded by the relevant enabling laws.

### Response

The Ministry (LHUD) coordinated the mentioned institutions and produced a draft Cabinet paper to be submitted to Cabinet with a view of obtaining approval of the various proposals for development of the GKMA. These including further detailed planning of the region. Meanwhile, the Ministry in conjunction with AFDB, in going ahead to carry out a feasibility of planning and developing two satellite cities proposed by the GKMA Physical Development Framework.

### 5.Operationalization of Ministry Zonal Land Offices

The MLHUD prioritizes its restructuring and recruitment process taking into account the new technological changes and increase in the volume of work in the Ministry Zonal Offices and National Land Information

## **MPS:** Lands, Housing and Urban Development

Center with properly motivated and trained staff for improved and effective service delivery while also observing the official working hours (from 0800hrs- 1700hrs). Further, the MLHUD fortifies its Land Information Services by providing adequate controls at the regional offices to prevent unauthorized alteration of registry records in order to minimize and to eliminate forgeries.

### Response

The Ministry is currently carrying out a restructuring exercise aimed at streamlining operations at the Ministry Zonal Offices, National Land Information Center and the Ministry as a whole. This is aimed at ensuring that the correct personnel with the required skills, qualifications and the appropriate number depending on the volume of work at the Ministry Zonal Office will be recruited.

The restructuring exercise is aimed at ensuring that we get an appropriate structure for the National Land Information Center as it is supposed to play a key role in the smooth operation and maintenance of the National Land Information System.

The issue of providing adequate controls at the regional offices to prevent unauthorized alteration of registry records in order to minimize and eliminate forgeries was handled under Phase 1 of the Land Information System and this will further be enhanced under the implementation of the second Phase of the National Land.

### 6.Delay in Operationalization of Public Servants Housing Loan Scheme

Government endeavors to avail funds for implementation of public servants housing loan scheme.

### Response

Funding for the loan scheme is yet to be received due to absence of a housing fund.

### 7.Lack of a Comprehensive Slum Upgrade Plan

The MLHUD closely coordinates with other concerned Ministries and stakeholders to ensure slum upgrade that is comprehensive in nature with a model for land development and slum growth reduction that is in line with aiding the under privileged members of the society. There is need to sensitize the populace on matters pertaining to physical compensation contrary to monetary compensation.

### Response

A National Slum Upgrading Strategy was developed and approved in 2010 but there are no funds to enable its implementation.

## UGANDA LAND COMMISSION (ULC)

### 8.Inadequate Operationalization of the Land Fund

The ULC fast tracks compensation of absentee land lords in order to fully secure the land and provide titles to the beneficiaries. In addition, the Ministry should provide a list of the absentee land lords who have been compensated to date and those awaiting compensation within three months from the date of adoption of this report. The ULC fast tracks the dissemination and implementation of the formulated Land Fund Regulations.

### Response

As a stop gap measure by Government to reduce tensions in Kibaale District and elsewhere which were reportedly rising due to delay to resolve the historical land issues in the absence of the Land Fund which was awaiting gazettelement of the Regulations, the Commission under the Project: SUPPORT TO UGANDA LAND COMMISSION has been acquiring land from land owners on a willing buyer willing seller basis as provided for under Sections 41 4(b) and 6(a) of the Land Act as an interim solution to stop evictions of the bonafide occupants.

ULC to date is still operating under the same project for compensation of absentee land lords and has so far

## **MPS:** Lands, Housing and Urban Development

acquired 67,591.78 hectares of Land from 313 Land lords.

The Land Fund Regulations which are to guide the activities of the Land Fund were approved in March 2014 and 1,000 copies were disseminated. Plans have been made to print more copies of the land fund regulations for further dissemination.

ULC has drawn a program for sensitization and registration of bona fide occupants on compensated land and this activity is expected to start in quarter four financial year 2014/15 starting with meetings with Bunyoro Members of Parliament, the Omukama and his officials, district leaders and down to the bonafide occupants.

It is however important to note that for the Land Fund to become operational there is need for more funding to support all its components as stipulated in the Land Act i.e:

I.Land Fund loans scheme

II.Resettlement of the Landless Persons

III.Compensation of Absentee Land Lords

IV.Assistance to any other persons to acquire land titles

9.Lack of an updated Inventory for Government Land

The ULC need to prioritize setting up an updated inventory of all Government land and provide a clear road map for identifying and securing the same land before the end of FY 2014/15

Response

An inventory of Government land exists. It is a system to be updated routinely. The World Bank Project (CEDP) has a component to provide technical support to ULC to effectively handle the inventory activity. This will greatly help in completing the task of Government land inventory.

10.Lack of Legal Framework for the Operations of ULC

The Minister of Lands, Housing and Urban Development fast tracks the development and presentation before Parliament, of the Uganda Land Commission Bill within a period of six months from the adoption of this report.

Response

Drafting of the ULC Bill has been finalised. The draft Bill awaits submission to Cabinet for consideration and approval and thereafter it will be submitted to Parliament for debate.

11.Unclear Policy for Sale of Pool Houses and Public Land

The ULC streamlines the process of sale of pool houses for public servants and other public land in order to promote transparency. In addition, Government of Uganda initiates consultations with EAC membership on possible joint funding to enable the School acquire more land for expansion.

Response

ULC receives recommendations from the Pool House Sales Committee on which it bases to make any allocations of Pool Houses/ plots. The Secretariat and the Chairmanship of the Committee is the Ministry of Lands, Housing and Urban Development
