Matters to note in budget execution

In accordance with the Appropriation Act 2019, Parliament approved a total Budget of Shs. 31.533Bn for Ministry of Public Service comprising of Shs. 5.231Bn for wage, Shs. 21.389Bn for Non-Wage, Shs. 0.161Bn for arrears and Shs. 4.913Bn for Development. As at 30th June 2020, a total of Shs. 27.430Bn had been released representing 87% of the approved Budget Estimates. Out of the above total release of Shs. 21.656Bn was spent representing 79% absorption rate.

As regards to GAPR indicators the Ministry achieved on average 76% of the annual target. This performance level is attributed to the COVID 19 pandemic which affected implementation of Q.3 and Q.4 work Plan.

The Ministry was unable to report on productivity improvement in the service. It was categorised a level 3 indicator which require a survey by the Uganda Bureau of Statistics. However, implementation of the survey was affected by COVID 19 pandemic.

The 5% inflationary salary increment was not effected. Government prioritised increment of salaries for university staff and scientists.
