### Matters to note in budget execution

- 1. Gratuity absorption was low compared to target. An analysis of the same shows a budget surplus of more than 2billion Uganda shillings;
- 2. Medicines and related supplies- Medicines and health supplies Total order value for Q1 was UGX 232,160,492/= and total delivered was worth UGX 191,676,752.6/= leaving an unspent balance of UGX 40, 483, 739.4 /=. To note is that Examination gloves were not delivered during this quarter due to inadequacies in supply by the NMS supplier hence service delivery was hampered due to lack of this essential commodity. Additionally, there was also low delivery of alcohol an important commodity in the fight against COVID-19;
- 3. JICA Project: Construction of OPD/Causality/ Labor ward by JICA stalled due to departure of the JICA team back to japan in April 2020 following the COVID-19 outbreak.

### Reasons for Variation in performance

Admissions were less than targeted following the temporarily closure of some units including theatre due to intensified COVID 19 infection among the staff.

Relatedly the low numbers are partially attributed to fear of communities to seek care following the intensified spread of COVID 19.
