QUARTER 1: Highlights of Vote Performance

1) A total of 29,447 cases were disposed of during the quarter, compared to 40,578 cases in Quarter 4 of FY 2020/21, resulting in a 27% decrease in case disposal. This is attributed to the reduced court operations to curb the 2nd wave of the COVID-19 pandemic and inadequate release of funds as a result of the lockdown on the economy;

- 2) The Budget absorption was low at 76.2 % of released funds. This is attributed to the lockdown due to the COVID-19 pandemic that affected the utilization of funds for Non-Wage and Development while the delay in the planned recruitment of additional staff for this Financial Year affected the utilization of funds for Wage;
- 3) The construction of Supreme Court and Court of Appeal buildings is at 52% completion with the internal plastering for Supreme Court completed and at 2nd floor for Court of Appeal building. The interior blockwork (partitioning) of the Supreme Court building is complete and, that of the Court of Appeal building is on the 4th floor;
- 4) The construction of other Courts (2 Regional Courts of Appeal, 2 High Court Circuits, 3 Chief Magistrates' Courts and 3 Magistrate Grade 1 Courts is at procurement process (initiation stage);
- 5) A total of 30 vehicles were procured for: Justices of Court of Appeal, (2) High Court Judges (9), Chief Registrar (1), Chief Magistrates & Magistrates Grade Ones (10), fieldwork, inspection and M&E (8); and, 50 motorcycles were procured for process service.
