a joint task force set up by FIA and URA. The recommendations of the task force are being considered and these will enhance the ability of URA to compile the reports and submit to FIA. The filing of these reports was also affected by the closure of the national borders as one of the COVID-19 containment measures.

#### Sharing of Intelligence:

- 1) Dissemination of Intelligence Reports: Eighteen (18) intelligence reports were spontaneously disseminated to Law Enforcement Agencies (LEA) and other Competent Authorities during Quarter 1. Of the 18 reports, 11 were disseminated to CID, 3 to URA, 1 to NGO bureau, 1 to ISO, 1 to ESO and 1 to C/T.
- 2) Exchange of Intelligence with Foreign FIUs: The FIA cooperates with a network of countries, as well as, a number of international organizations in the global effort to counter ML/TF. This is intended to establish a wide and efficient information sharing network which is of great importance, considering the transnational scope of ML/TF activities. During the quarter under review, the FIA received One (1) foreign request for information, and one (1) spontaneous dissemination from other FIUs. The FIA also made Three (03) requests for information to other foreign FIUs.
- 3) Exchange of Information with Local Law Enforcement Agencies: The FIA cooperates with a number of domestic agencies which include, but not limited to, Uganda Revenue Authority (URA), Inspectorate of Government (IG), Uganda Police Force, Uganda Wildlife Authority, and the respective sector regulators. During Quarter Q1, the FIA received 34 requests for information from different domestic Law Enforcement Agencies and partners/regulators. Responses were sent for 24 requests and 10 are still ongoing, pending receipt of information from various sources such as financial institutions.

Risk Assessments: During the quarter under review, the FIA undertook various activities to complete ML/TF risk assessments that started in the previous financial year. These include;

- 1) Dissemination of the Legal Persons and Arrangements Risk Assessment Report. The report highlights the ML/TF threats and vulnerabilities of legal persons and arrangements and proposes mitigation measures which the various stakeholders need to adopt in the fight against ML/TF. This was conducted in line with the Uganda -FATF ICRG action plan that requires the FIA to demonstrate that the findings of this assessment are brought to the attention of policy makers and other stakeholders.
- 2) Completion of the NPO TF Risk Assessment Action Plan. During the quarter, FIA completed the action plan which was submitted to FATF ICRG for consideration. This risk assessment and action plan for high risk NPOs, is one of the key action items on Uganda's action plan agreed with FATF under the FATF-ICRG process and a key reference document for the regulation of the NPO sector. The final report and its findings will be shared with the relevant supervisory, regulatory and the general public in the next quarter
- 3) National ML/TF Risk assessment Exercise. During the reporting period, FIA coordinated the ML/TF National Risk Assessment (NRA) for Uganda, reports from different working groups were submitted to the FIA and consolidated into the report. The NRA is a comprehensive exercise whose main objective is to identify and understand ML/TF risks that the country faces and the main sources and drivers of those risks. This will assist in the development of effective national risk-based policies and actions, and the allocation of available resources in the most efficient way, to eliminate, control or mitigate the identified risks, thereby providing effective protection for the country's financial system.

Financial due diligence. During the quarter, FIA received 1 request for background and credibility checks from the Ministry of Finance Planning and Economic Development. The checks are ongoing and feedback will be provided in quarter 2.

AML/CFT Onsite Inspections: The FIA Conducted onsite inspections of Interlink and Clyde Forex Bureaus.
