VOTE: 155 Cotton Development Organization

Quarter 1

Performance highlights for the Quarter

1. Cotton planting seed - 1,645 Mt of seed were distributed to farmers in Busoga, North & South Bukedi, Bugisu, Teso, Lango, East & West Acholi, West Nile, Mid-West & Central & Kazinga Channel Regions. Of that, 119 Mt of seed were distributed to 10 hard to reach districts; Amuria, Katakwi, Abim, Napak, Kaabong, Adjumani, Moyo, Yumbe, Koboko & Obongi and 45 Mt were distributed to 350 women & 200 youth groups.
2. Seed multiplication - 5,000 farmers & 41 Prison Farms participated in multiplication of cotton planting seed in Tororo, Kayunga, Kaliro, Kamuli, Iganga, Buyende, Mayuge, Jinja, Ngora, Kwen, Budaka, Katakwi, Serere, Amuria, Pallisa, Oyam, Amolator, Alebtong, Lira, Apac, Dokolo, Kaberamaido, Moyo, Adjumani, Nebbi, Yumbe, Abim, Pader, Kitgum, Kasese & Buliisa. Approx. 13,000 acres were planted.
3. Farmer mobilization - 125,000 cotton farming households were mobilized to grow cotton in Eastern, Northern, West Nile, Bunyoro & Kazinga Channel Regions. 3,965 demonstration plots were established in 1,935 parishes & used to train farmers on cotton growing.
4. Cotton inputs - 300,269 units of pesticides (287,619 units by UGCEA & 12,650 units by CDO) & 490 spray pumps from CDO were supplied to farmers incl. women & youth groups. Of that, 17,446 units were supplied to 10 hard to reach districts.
5. Extension services - 196 Uganda Ginners & Cotton Exporters Association (UGCEA) Extension workers & 135 district Extension Officers & local leaders were trained on cotton production.
6. Mechanized land opening - 249 acres were ploughed under the UGCEA tractor hire scheme in Bukedi, Lango, Teso & West Nile Regions while 26,439 acres were ploughed by oxen. About 450 acres were ploughed by oxen in 10 hard-to-reach and 300 acres were ploughed for 350 women & 200 youth groups.
7. Retooling Project - specifications for walk ways, rain water harvesting system, burglar proofing for staff houses, CCTV system, Local Area Network (LAN) & water pumping firefighting system were developed.

Variances and Challenges

1. No funds were released for capital expenditure in Q1 of FY 2023/25.
2. Unspent balances under the wage component arose because the recruitment process was still on-going.
3. Unspent balances under the non wage recurrent budget were due to delayed submission of invoices by the service providers.

VOTE: 155 Cotton Development Organization

Quarter 1

Outputs Planned in Quarter	Actual Outputs Achieved in Quarter	Reasons for Variation in performance
PIAP Output: 011102a05 Extension workers trained in entire value chain focused skills		
Programme Intervention: 010411 Strengthen the agricultural extension system		
1. Conduct pre-season training of 220 Uganda Ginners Cotton Exporters Association (UGCEA) Extension workers in the 75 cotton growing districts on crop establishment & management, soil fertility management, soil & water conservation and delivery of extension services. 2. Guide UGCEA on deployment of the 220 extension workers with special focus on ensuring that at least 12 Extension workers are deployed in the 10 hard-to-reach districts of Amuria, Katakwi, Abim, Napak, Koboko, Karenga, Adjumani, Moyo, Yumbe & Obongi. 3. Mobilize about 200 Local Government (LG) extension workers to participate in the pre-season training for extension workers. The training will focus on cotton production technologies and is aimed at equipping LG extension workers with knowledge on cotton production so that they can assist cotton farmers in the areas of operation. 4. Monitor training of farmers by the extension workers.	Ten Pre-season trainings were conducted for 196 Uganda Ginners Cotton Exporters Association (UGCEA) Extension workers in Busoga, South Bukedi, North Bukedi, Bugisu, Teso, Lango, East Acholi, West Nile and Mid-West & Central and Kazinga Channel Regions. Topics covered included farmer mobilization & group formation, land preparation & planting, crop management and soil & water Conservation. The extension workers were deployed as follows: 21 in Busoga, 11 in South Bukedi, 8 in North Bukedi, 8 in Bugisu, 15 in Teso, 28 in Lango, 31 in East Acholi, 20 in West Nile, 20 in Kazinga Channel and 14 Mid-West & Central regions. Out of these, 9 UGCEA Extension workers were deployed in the 10 hard-to-reach districts of Amuria, Katakwi, Abim, Napak, Kaabong, Adjumani, Moyo, Yumbe, Koboko & Obongi. Over 135 Local Government (LG) Extension Officers and Local Leaders in Amolatar, Pader, Nebbi, Busoga, Alebtong, Tororo, Gulu, Kitgum and Obongi Districts were sensitized on cotton production.	Fewer UGCEA extension workers were trained because UGCEA reduced the extension work force from 220 to 196 people due to budgetary constraints. Only 9 UGCEA Extension workers were deployed in the 10 hard-to-reach districts because of the reduction in the total number of extension workers, Fewer LG Extension Officers and local leaders were sensitized due to budget constraints.

Budget Output:010016 Farmer mobilisation and sensitisation

PIAP Output: 01041204 Farmers sensitised on productivity enhancement technologies

Programme Intervention: 010412 Strengthen the agricultural inputs markets and distribution systems to adhere to quality standards and grades

1. Mobilize farmers in Busoga, Bukedi, Bugisu, Teso, Lango, Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions for cotton production. 2. Mobilize farmers to form groups especially women and youth in order to ease service delivery. 3. Monitor identification of 4,000 Lead farmers who will host the demonstration plots in 2,400 parishes Busoga, Bukedi, Bugisu, Teso, Lango, Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions. 4. Monitor establishment of demonstration plots by the Lead Farmers. 5. Guide the extension workers as they conduct about 7,200 training sessions at the demonstration plots. 6. Mobilize farmers surrounding the demonstration gardens to participate in the training sessions. 7. Monitor training of about 145,000 farmers including women, youth and PWDs on crop establishment, crop management, pest control, soil fertility management and soil and water conservation. 8. Broadcast extension messages on planting, crop management, soil & water conservation using local radios in 10 local languages. 9. Monitor crop establishment and management in the 75 cotton growing districts.	Over 125,000 cotton farming households were mobilized to grow cotton in Busoga, North & South Bukedi, Bugisu, Teso, Lango, East & West Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions. 350 women & 200 youth groups were mobilized and participated in cotton production. 3,965 one-acre demonstration plots were established in 1,935 parishes Busoga, Bukedi, Bugisu, Teso, Lango, Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions. Over 8,000 farmer training sessions were conducted at the demonstration plots covering planting, crop management, pest control and soil and water conservation. Two extension messages on seed distribution and crop management were broadcast using local radios in 10 local languages. Monitoring of crop establishment and management was done in the 10 cotton growing regions. An estimated 150,000 acres were planted to cotton. The crop was affected by frequent dry spells in July to September, 2023 in all regions	Establishing demonstration gardens was hampered by frequent dry spells experienced in Q1. The number of farmers mobilized for cotton production and the number of parishes covered were lower than targeted due to inadequate funding coupled with frequent dry spells experience in July to September, 2023 which discouraged farmers from planting cotton.

1. Procure 30,000 units of pesticides. 2. Allocate the pesticides per region based on targeted acreage and organize delivery to the 9 Regional Bulking Centers in Iganga, Tororo, Bukedea, Lira, Kitgum, Gulu, Pakwach, Nebbi and Masindi 3. Coordinate piece-meal transfer of pesticides from the Regional Bulking Stores to field Input Distribution Stores within each region (i.e. Busoga, Bukedi, Bugisu, Teso, Lango, Acholi, West Nile, Mid-West & Central and Kazinga Channel). 4. Organize delivery and distribution of pesticides to the 10 hard-toreach districts and special interest groups. 5. Monitor supply of pesticides to farmers in the 75 cotton growing districts. 6. Monitor training of farmers including members of 350 women groups and 220 youth groups on proper inputs usage and on-farm storage using the 4,000 demonstration plots established in the 2,400 parishes.	Procurement of pesticides could not commence due to insufficient releases for Quarter 1. 17,250 units of Dimethoate, 23,000 sachets of Eminent and 28,750 units of Select plus which were procured in FY 2022/23 and delivered between June & August, 2023 were allocated and delivered to the 10 Regional Inputs Bulking Centers in Iganga, Tororo, Bukedea, Lira, Kitgum, Gulu, Pakwach, Nebbi, Kasese and Masindi. Input distribution guidelines were developed and Field Officers and Supervisors were appointed to oversee storage and distribution of the inputs in their areas of operation. By end of Q1, a total of 300,269 one-acre units of pesticides (287,619 units from UGCEA & 12,650 units from CDO) and 490 knapsack spray pumps from CDO had been supplied to farmers. Out of that, 17,446 units were supplied to farmers in the 10 hard to reach districts. Cotton farmers, including the 350 women & 200 youth groups, were trained on proper use of pesticides using the demonstration plots.	Timely procurement of pesticides was affected by insufficient release of funds for Q1.

1. Organize delivery of cotton planting seed from the 2 seed processing stations in Pajule & Kasese to the 9 Regional Inputs Bulking Stores in Iganga, Tororo, Bukedea, Lira, Kitgum, Gulu, Pakwach, Nebbi and Masindi. 2. Organize distribution of a total of 2,500 Mt of cotton planting seed to farmers in 75 cotton growing districts in Busoga, Bukedi, Bugisu, Teso, Lango, Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions. 3. Distribute 120 Mt out of the 2,500 Mt of seed to farmers in the 10 hard-to-reach districts of Amuria, Katakwi, Abim, Napak, Koboko, Karenga, Adjumani, Moyo, Yumbe & Obongi. 4. Distribute 60 Mt out of the 2,500 Mt of seed to members of the 350 women, 200 youth Groups and 250 PWDs in Eastern, Lango, Acholi, West Nile, Bunyoro & Rwenzori Regions. 5. Monitor up-take of seed by farmers and crop establishment in the 75 cotton growing districts	A total of 1,679 Mt of cotton planting seed were transferred from Pajule and Kasese Seed Processing Stations to 9 Regional Inputs Bulking Stores in Iganga, Tororo, Bukedea, Lira, Kitgum, Gulu, Pakwach, Nebbi and Masindi. Out of that, 1,645 Mt of seed were taken up by farmers in 75 cotton growing districts in Busoga, North & South Bukedi, Bugisu, Teso, Lango, East & West Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions. Out of 1,645 Mt, 119 Mt of seed were distributed to the 10 hard to reach districts of Amuria, Katakwi, Abim, Napak, Kaabong, Adjumani, Moyo, Yumbe, Koboko & Obongi while about 45 Mt were distributed to the 350 women & 200 youth groups. Seed distribution and crop establishment in Busoga, North & South Bukedi, Bugisu, Teso, Lango, East & West Acholi, West Nile, Mid-West & Central & Kazinga Channel Regions were monitored and it was established that frequent dry spells experienced between July and September affected seed uptake and planting.	Seed uptake by farmers was lower than targeted mainly due to frequent dry spells in July to September, 2023 which hindered planting.

Budget Output:010020 Seed multiplication

PIAP Output: 01041205 Quality inputs on the market

Programme Intervention: 010412 Strengthen the agricultural inputs markets and distribution systems to adhere to quality standards and grades

1. Mobilize 5,500 cotton farmers including 40 Prison Farms to participate in multiplication of cotton planting seed in selected areas in Tororo, Amolatar, Dokolo, Apac, Alebtong, Oyam, Pader, Kitgum, Abim, Adjumani, Nebbi, Serere, Kwen, Amuria, Kasese, Rubirizi, Buliisa, Namutumba, Kayunga, Kamuli, Kaliro, Mayuge & Kitgum Districts. 2. Organize distribution of about 90 Mt of Foundation & 1st generation seed to the seed growers. 3. Train the seed growers including Prisons Farm Managers on crop establishment, crop management, pest control, soil fertility management and soil & water conservation. 4. Monitor crop establishment and management in the seed multiplication areas. 6. With support from UGCEA, organize distribution of 150 Mt of fertilizers for basal application, 300 spray pumps, 30,000 units of pesticides for 1st & 2nd sprays and 3,500 litres of herbicides to the seed growers	Over 5,000 farmers and 41 Prison Farms were mobilized and participated in multiplication of cotton planting seed in 31 districts; Tororo, Kayunga, Kaliro, Kamuli, Iganga, Buyende, Mayuge, Jinja, Ngora, Kwen, Budaka, Katakwi, Serere, Amuria, Pallisa, Oyam, Amolator, Alebtong. Lira, Apac, Dokolo, Kaberamaido, Moyo, Adjumani, Nebbi, Yumbe, Abim, Pader, Kitgum, Kasese & Buliisa. About 85 Mt of Foundation & 1st generation seed was distributed to seed growers for multiplication. Over 5,000 seed growers were trained on land preparation, proper planting, pest control, crop management and soil & water conservation. Crop establishment and management were monitored; an estimated 13,000 acres were planted under seed multiplication in the 31 districts; 6,116 acres by Prison Farms. CDO and UGCEA distributed 83 spray pumps and 40,000 units of pesticides to the seed growers.	The target of 5,500 seed growers was not realized because the dry spells experienced in July to September, 2023 discouraged farmers from planting. Fertilizers and herbicides were not supplied to seed growers because of financial constraints.

Programme Intervention: 010405 Increase access to and use of agricultural mechanisation

1. Monitor provision of tractor hire services to cotton farmers by the 17 tractors under the CDO/UGCEA tractor hire scheme in Eastern, Lango, Acholi, West Nile, Mid-West & Central and Rwenzori Regions and collect data on acreage ploughed. 2. Collect data on ox ploughing by cotton farmers in Eastern, Lango, Acholi, West Nile and Mid-West & Central Regions. 3. Mobilize cotton farmers in the 10 hard-to-reach districts and the 350 women and 200 youth groups to access tractor hire services. 4. Train cotton farmers on ox ploughing and use of ox ploughs for weeding cotton	A total of 249 acres were ploughed under the UGCEA tractor hire scheme in South Bukedi, Lango, Teso and West Nile Regions. About 26,439 acres were ploughed by oxen in North & South Bukedi, Bugisu, Teso and Lango. About 450 acres were ploughed by oxen in the 10 hard-to-reach while 300 acres were ploughed for the 350 women and 200 youth groups.	The frequent dry spells experienced in July and August, 2023, frequent tractor breakdowns and low purchasing power by farmers affected tractor ploughing.

1. Recruit Estate Manager/Inventory Officer for Pajule Station and Internal Audit Assistant for CDO Head Office. 2. Register about 8 ginners and 8 lint exporters using the URA Electronic Single Window. 3. Inspect 20 ginneries in Busoga, Bukedi, Bugisu, Teso, Lango, Acholi, West Nile, Mid-West & Central Regions to verify compliance to ginnery standards. 4. Advise owners of the inspected ginneries on required modifications, gin settings, lint sampling boxes, etc based on inspection findings and then register compliant ginneries. 5. Undertake machinery and facilities routine maintenance at Cotton House and Pajule Cotton Planting Seed Processing Station.	Job interviews were conducted for the Estate/Inventory officer and Internal Audit Assistant. Two ginners and 4 ginneries were registered using the URA Electronic Single Window. Twenty ginneries in Busoga, Bukedi, Teso, West Nile, Kazinga Channel and Lango Regions were inspected. Ginners were advised to make adjustments to gin settings, sampling boxes, cleaners, etc. prior to ginnery registration. Conducted the 3rd Commercial Standardization of Instrument Testing of Cotton (CSTIC) Round Trials and the 2nd ICA Bremen Cotton Round test. Undertook High Volume Instrument (HVI) testing of 60 samples of lint. Initiated procurement for servicing and maintenance of the 2 HVI cotton testing machines in the Classing lab at Cotton House. Undertook servicing and repair of car lift and standby generator at Cotton House, Kampala.	Adjustments made to the operations of the Electronic Single Window by URA slowed down registration of ginners

PIAP Output: 011102a05 Extension workers trained in entire value chain focused skills

Programme Intervention: 010411 Strengthen the agricultural extension system

220 UGCEA & 200 LG extension workers trained on production technologies in East, North, West Nile, Mid West & Rwenzori. Delivery of extension services thru farmer field days & trainings around the demos monitored. Production Guides distributed to farmers.	Ten Pre-season trainings were conducted for 196 Uganda Ginners Cotton Exporters Association (UGCEA) Extension workers in Busoga, South Bukedi, North Bukedi, Bugisu, Teso, Lango, East Acholi, West Nile and Mid-West & Central and Kazinga Channel Regions. Topics covered included farmer mobilization & group formation, land preparation & planting, crop management and soil & water Conservation. The extension workers were deployed as follows: 21 in Busoga, 11 in South Bukedi, 8 in North Bukedi, 8 in Bugisu, 15 in Teso, 28 in Lango, 31 in East Acholi, 20 in West Nile, 20 in Kazinga Channel and 14 Mid-West & Central regions. Out of these, 9 UGCEA Extension workers were deployed in the 10 hard-to-reach districts of Amuria, Katakwi, Abim, Napak, Kaabong, Adjumani, Moyo, Yumbe, Koboko & Obongi. Over 135 Local Government (LG) Extension Officers and Local Leaders in Amolatar, Pader, Nebbi, Busoga, Alebtong, Tororo, Gulu, Kitgum and Obongi Districts were sensitized on cotton production.

PIAP Output: 01041204 Farmers sensitised on productivity enhancement technologies

Programme Intervention: 010412 Strengthen the agricultural inputs markets and distribution systems to adhere to quality standards and grades

Farmers mobilized to grow cotton in East, North, W. Nile, M. West & Rwenzori Regions. Farmer groups formed. Farmers incl. women, youth, PWDs trained on production technologies using 4000 demo plots established in 2,400 parishes.	Over 125,000 cotton farming households were mobilized to grow cotton in Busoga, North & South Bukedi, Bugisu, Teso, Lango, East & West Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions. 350 women & 200 youth groups were mobilized and participated in cotton production. 3,965 one-acre demonstration plots were established in 1,935 parishes Busoga, Bukedi, Bugisu, Teso, Lango, Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions. Over 8,000 farmer training sessions were conducted at the demonstration plots covering planting, crop management, pest control and soil and water conservation. Two extension messages on seed distribution and crop management were broadcast using local radios in 10 local languages. Monitoring of crop establishment and management was done in the 10 cotton growing regions. An estimated 150,000 acres were planted to cotton. The crop was affected by frequent dry spells in July to September, 2023 in all regions

Programme Intervention: 010412 Strengthen the agricultural inputs markets and distribution systems to adhere to quality standards and grades

30,000 units of pesticides procured. Pesticides distributed to farmers incl. 350 women groups, 220 youth groups, PWDs & farmers in hard to reach areas in 75 districts. Farmers trained on proper use & handling of inputs	Procurement of pesticides could not commence due to insufficient releases for Quarter 1. 17,250 units of Dimethoate, 23,000 sachets of Eminent and 28,750 units of Select plus which were procured in FY 2022/23 and delivered between June & August, 2023 were allocated and delivered to the 10 Regional Inputs Bulking Centers in Iganga, Tororo, Bukedea, Lira, Kitgum, Gulu, Pakwach, Nebbi, Kasese and Masindi. Input distribution guidelines were developed and Field Officers and Supervisors were appointed to oversee storage and distribution of the inputs in their areas of operation. By end of Q1, a total of 300,269 one-acre units of pesticides (287,619 units from UGCEA & 12,650 units from CDO) and 490 knapsack spray pumps from CDO had been supplied to farmers. Out of that, 17,446 units were supplied to farmers in the 10 hard to reach districts. Cotton farmers, including the 350 women & 200 youth groups, were trained on proper use of pesticides using the demonstration plots.

2,500 Mt of cotton planting seed distributed to farmers incl. 350 women groups, 220 youth groups, PWDs in 75 districts incl. 10 hard to reach districts in partnership with UGCEA. Planting seed for the 2024/25 season processed & packed		A total of 1,679 Mt of cotton planting seed were transferred from Pajule and Kasese Seed Processing Stations to 9 Regional Inputs Bulking Stores in Iganga, Tororo, Bukedea, Lira, Kitgum, Gulu, Pakwach, Nebbi and Masindi. Out of that, 1,645 Mt of seed were taken up by farmers in 75 cotton growing districts in Busoga, North & South Bukedi, Bugisu, Teso, Lango, East & West Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions. Out of 1,645 Mt, 119 Mt of seed were distributed to the 10 hard to reach districts of Amuria, Katakwi, Abim, Napak, Kaabong, Adjumani, Moyo, Yumbe, Koboko & Obongi while about 45 Mt were distributed to the 350 women & 200 youth groups. Seed distribution and crop establishment in Busoga, North & South Bukedi, Bugisu, Teso, Lango, East & West Acholi, West Nile, Mid-West & Central & Kazinga Channel Regions were monitored and it was established that frequent dry spells experienced between July and September affected seed uptake and planting.

5500 seed growers incl 40 Prison Farms in East, North, W. Nile, M. West & Rwenzori Regions mobilized to multiply cotton planting seed aiming to produce 4000 Mt. Seed growers trained on seed production, availed production inputs & crop marketing organized	Over 5,000 farmers and 41 Prison Farms were mobilized and participated in multiplication of cotton planting seed in 31 districts; Tororo, Kayunga, Kaliro, Kamuli, Iganga, Buyende, Mayuge, Jinja, Ngora, Kwen, Budaka, Katakwi, Serere, Amuria, Pallisa, Oyam, Amolator, Alebtong. Lira, Apac, Dokolo, Kaberamaido, Moyo, Adjumani, Nebbi, Yumbe, Abim, Pader, Kitgum, Kasese & Buliisa. About 85 Mt of Foundation & 1st generation seed was distributed to seed growers for multiplication. Over 5,000 seed growers were trained on land preparation, proper planting, pest control, crop management and soil & water conservation. Crop establishment and management were monitored; an estimated 13,000 acres were planted under seed multiplication in the 31 districts; 6,116 acres by Prison Farms. CDO and UGCEA distributed 83 spray pumps and 40,000 units of pesticides to the seed growers.

Two staff members recruited. Ginners & lint exporters registered. Ginneries inspected & licensed. Cotton graded & issued quality certificates. FAQ standards for seed cotton issued to ginneries to guide cotton buying. Machinery & facilities maintained.	Job interviews were conducted for the Estate/Inventory officer and Internal Audit Assistant. Two ginners and 4 ginneries were registered using the URA Electronic Single Window. Twenty ginneries in Busoga, Bukedi, Teso, West Nile, Kazinga Channel and Lango Regions were inspected. Ginners were advised to make adjustments to gin settings, sampling boxes, cleaners, etc. prior to ginnery registration. Conducted the 3rd Commercial Standardization of Instrument Testing of Cotton (CSTIC) Round Trials and the 2nd ICA Bremen Cotton Round test. Undertook High Volume Instrument (HVI) testing of 60 samples of lint. Initiated procurement for servicing and maintenance of the 2 HVI cotton testing machines in the Classing lab at Cotton House. Undertook servicing and repair of car lift and standby generator at Cotton House, Kampala.

Table 4.2: Off-Budget Expenditure By Department and Project

VOTE: 155 Cotton Development Organization

Quarter 1

Table 4.3: Vote Crosscutting Issues

i) Gender and Equity

Objective:	To improve access to cotton production inputs , production information and training opportunities for special interest groups
Issue of Concern:	Limited access to information and training opportunities by special interest groups
Planned Interventions:	Train women, youth and PWDs on cotton production technologies using demonstration gardens established at parish level in Eastern, Northern, West Nile, Mid West & Central and Kazinga Channel Regions.
Budget Allocation (Billion):	0.100
Performance Indicators:	No. of demonstration gardens established (550 gardens). No. of women, youth and PWDs trained (target is 4,500 people).
Actual Expenditure By End Q1	0.07
Performance as of End of Q1	About 550 demonstration gardens were established for the 350 women groups & 200 youth groups in Busoga, North & South Bukedi, Bugisu, Teso, Lango, East & West Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions. The demos were used to train about 2,800 women and youth on cotton planting, crop management, pest control and soil and water conservation.
Reasons for Variations	More women and youth will be trained in the subsequent quarters.
Objective:	Contribute to household incomes and food security of special interest groups in the rural communities
Issue of Concern:	Rural poverty and food insecurity
Planned Interventions:	i. Promote cotton as an income generating activity for women, youth and PWDs in Busoga, Bukedi, Bugisu, Teso, Lango, Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions. ii. Distribute cotton production inputs to women, youth & PWDs
Budget Allocation (Billion):	0.200
Performance Indicators:	a) No. of women groups, youth groups and individual PWDs mobilized to participate in cotton production. b) Types & quantities of inputs supplied to the women groups, youth groups and PWDs.
Actual Expenditure By End Q1	0.095
Performance as of End of Q1	A total of 350 women groups & 200 youth groups were mobilized and sensitized on cotton growing in Busoga, North & South Bukedi, Bugisu, Teso, Lango, East & West Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions. Production inputs and animal traction services were availed to the groups; 45 Mt of cotton planting seed, 70 spray pumps and assorted pesticides. About 300 acres were ploughed for the 350 women and 200 youth groups
Reasons for Variations	None

ii) HIV/AIDS

Objective:	Renew awareness on HIV/AIDS prevention and management
Issue of Concern:	Laxity in implementation of HIV/AIDS prevention measures

VOTE: 155 Cotton Development Organization

Quarter 1

Planned Interventions:	Sensitize cotton farmers and other stakeholders on HIV prevalence and prevention.
Budget Allocation (Billion):	0.003
Performance Indicators:	No. of people sensitized
Actual Expenditure By End Q1	0
Performance as of End of Q1	None
Reasons for Variations	Lack of funds

iii) Environment

Objective:	To increase awareness of environment issues by cotton farmers
Issue of Concern:	Poor soil & water management by cotton farmers Improper handling of pesticides by cotton farmers
Planned Interventions:	Train and demonstrate to cotton farmers in the 75 cotton growing districts, good soil & water management techniques and proper pesticide use and handling.
Budget Allocation (Billion):	0.050
Performance Indicators:	No. of demonstrations established (target 4,000 demos) No. of farmers trained
Actual Expenditure By End Q1	0.05
Performance as of End of Q1	A total of 3,965 one-acre demonstration plots were established in 2,400 parishes Busoga, Bukedi, Bugisu, Teso, Lango, Acholi, West Nile, Mid-West & Central and Kazinga Channel Regions and used to train over 65,000 farmers on soil and water conservation and proper pesticides use and handling
