VI. VOTE NARRATIVE

Vote Challenges

The Inadequate wage to recruit more staff including specialists as per the Recruitment Plan is still a challenge.

Hospital Staff accommodation is still inadequate to improve staff retention as well as their motivation.

The Hospital needs a Standard Isolation Unit. There is none in the region. ICU construction has not yet began but Equipment's are available.

The 19hectares hospital land need to be secured from land grabbers by wadding off with permanent fencing

The hospital needs solar power system for the entire hospital for lighting during power outages which are frequent.

XRay machine whose service contract with supplier is over and the model no longer supported by the manufacturer need to be replaced.

Staff Transport a minibus is needed to ensure easy movements in the region.

The oxygen plant requires servicing and has not been operational.

Plans to improve Vote Performance

Complete and start utilizing the Interns Staff house. Procure and maintain the assorted medical equipments and furniture majorly for emergency equipments, ICT and office equipment which will include CCTV surveillance cameras to expand hospital security, desk top computers, laptop and accompanying items like UPS.

Hold stakeholder engagement meetings in the region for the midterm review of the Strategic Plan

Provide technical Support Supervision both internally and externally. This is aimed at ensuring that field work is done as expected but also to follow up on services delivery in the other health facilities under the supervision of Kabale Regional Referral Hospital. Continue with Quality Improvement activities in the hospital and supporting the lower facilities.

Carry on offering health services to the people of Kigezi and beyond under the Regional Maintenance Workshop that stretch to Ankole Region. Continue working with our Implementing Partners in preferred select health areas.
