#### Performance highlights for the Quarter

In the 1st half of the FY 2022/23, the Ministry continued to fulfill its Constitutional Mandate of protecting and defending the people and their property. This was done through a number of outputs as guided by the third National Development Plan (NDP III) and Governance and Security (G&S) Program Implementation Action Plan (PIAP). It also achieved the set priorities in thematic areas such as consolidation of military capability generation, provisional logistical support to UPDF troops, Infrastructure development, training of Security personnel (UPDF), productive activities and Institutional Coordination. In addition to the priorities, the Ministry is engaged in a food and feed programme that aims at providing food security to the population.

Karamoja- The security situation in Karamoja Sub-region is under control. However, incidents of livestock thefts by Karimojong warriors and crossborder raids by the Turkana of Kenya and Langi of South Sudan persist.UPDF maintains anti-livestock theft and disarmament operations under the Operation "Usalama Kwa Wote". In 2022, a total of 20,189 animals and 545 firearms with 3,008 rounds of ammunition were recovered.

At Bilateral level, Uganda and Kenya have a MoU on cooperation in Defence and Security signed in April 2022. In particular, the agreement provides for concurrent disarmament operations in both countries. Both Kenya and Uganda have deployed Liaison Officers with three (03) UPDF officers in Kacheriba, Lokichogio and Bungoma in Kenya while KDF Officers are in Moroto and Tororo in Uganda. Additionally, there are cross border peace committees which occasionally sit to resolve emerging border security issues.

#### Variances and Challenges

1. Underfunded and unfunded priorities- The Ministry continues to face perennial challenges of limited resource envelop, and general fluctuating prices of food and fuel that have strained the Ministry's Budget.

- 2. Increased security threats;
- a) Cattle rustling in Karamoja region.
- b) Insecurity in Eastern DRC.
- c) Isolated threats to security installations.
- 3. Encroachment of UPDF Land.
- 4. Global Peace and Security challenges
