Represented Government in 1,324 cases in Courts, Tribunals and Commissions (of which 120 Constitutional Petitions, Appeals and Applications defended and 78 were Human Rights cases). Of these, 100 cases worth UGX. 94.321Bn were won while 30 cases lost worth UGX 90.307Bn.

Reviewed 1,814 (94%) out of the 1,923 requests of contracts reviews received. Out of the 190 requests for Legal Opinions received, 169 (89%) were rendered. Reviewed 322 MoUs out of 339(95%) requests. On meetings, 599 (78%) were attended out of 766

Out of the 28 requests by MDAs to draft Bills, 19 (68%) Bills were drafted and submitted to MDAs. All the 20 Acts, 17 Bills, were authorised for publication and all were published. Out of 97 requests received to draft Statutory Instruments, 82 (85%) were drafted and submitted to MDAs for signature.

By the end of the second quarter, a total of 2,442 files were opened for estates of deceased persons and persons of unsound mind, 35 estates wound up, handled 130 family disputes through mediations and arbitration, issued 1648 certificates of No objection issues and granted 3 letters of administration.

Held 7 Law Council Meetings, 8 ordinary Disciplinary Committee meetings (handled 72 disciplinary cases filed against private advocates, 28 were disposed of), inspected 185 Advocates chambers out of which 159 (86%) were approved and issued with Certificates of approval.

Hon. Attorney General presented the second periodic report of Uganda to the Committee against torture.

Variances and Challenges

During the Quarter, the Ministry faced the following Challenges:

1. Lack of approved budget for travel abroad that ended up necessitating preparation of virement whenever a travel abroad was inevitable such as in the case of Court attendance and other official duties.
2. Limited transport (vehicles) for Court Attendance, support supervision and monitoring. The Ministry has only 76 vehicles.
3. The Judiciary recruited more judicial officers hence increasing their capacity through increased number of magisterial areas hence leading to more cases being cause listed. and yet the staff structure of MoJCA has more or less remained the same.
4. Outstanding Court Award Arrears of UGX 227.101Bn and these keep attracting interest.
5. Lack of funding for travel abroad for Court attendance and other official duties..
6. Cattle compensations (phased compensation)- UGX 297.53Bn.
7. inadequate budget for activity implementation for example the training of Central and Local Governments on basic legislative drafting could not be undertaken.
8. Lengthy consultation processes with key stakeholders like Judiciary, Ministry of ICT; prior to the commencement of the procurement process for the Directorate of Civil Litigation System.
9. Some MDAs still make incomplete submissions making it impossible to complete review of the contract without referring it bac to the MDA for additional Documents. This does not only make it a lengthy process but also wastes resources (Time and manpower) to review the same document twice or more times.
