Medical expenses will be supported for all staff, and fuel allowances will be provided to HRM staff to assist in the execution of their duties.

offer ongoing technical support and guidance on HRM policies, plans, and regulations. This includes capacity-building efforts for the Ministry and LGs across country, helping them apply policies effectively and implement best practices in HRM. Periodic assessments will be conducted to ensure that HRM policies remain aligned with national and regional priorities, facilitating the adaptation of HRM practices to changing needs.

The plan also emphasizes the maintenance and enhancement of the Human Capital Management System (HCMS). Regular updates and upgrades will be made to improve system efficiency and data integrity. Additionally, continuous training will be provided to staff to ensure they can maximize the use of the HCMS. This will help to streamline HRM processes and support data-driven decision-making within the Ministry and LGs.

Staff support through providing financial assistance for staff welfare, including burial and medical expenses, as well as salary management. Ensuring the timely disbursement of salaries, pensions, and gratuities is vital for employee satisfaction and retention. Moreover, a sustainable approach will be developed to address burial and medical expenses, while existing welfare programs will be regularly reviewed to address emerging staff needs.

focuses on performance-related training to enhance staff competencies. A structured training program will be established, focusing on performance improvement and skill development. Training needs will be regularly assessed, and programs will be adjusted to meet evolving demands in HRM. Specialized courses on leadership, management, and emerging HRM trends will be introduced, helping staff stay current with industry developments and improve overall performance.

## **VOTE: 011**      **Ministry of Local Government**

Investigate 10 Local Governments (LGs) for Non-Compliance with Rules, Regulations, and Policies: Conduct thorough investigations into the operations of 10 local governments to identify instances of non-compliance with established rules, regulations, and policies, ensuring accountability and transparency.

Build the Capacity of 20 Local Governments' LGPACs, Secretary LGPACs, and DIAs: Enhance the operational capacity of 20 local governments by strengthening the Local Government Public Accounts Committees (LGPACs), the secretaries of these committees, and District Internal Auditors (DIAs) through targeted capacity-building initiatives, training, and resource provision.

Coordinate 10 Local Governments in Ensuring Successful Barazas are Held: Provide coordination and support to 10 local governments to ensure that Barazas (community engagement forums) are effectively organized and conducted, facilitating greater public participation and fostering transparent communication between citizens and local government officials.

To enhance local government accountability, investigations will be expanded to cover more local governments, ensuring adherence to rules, regulations, and policies. A robust monitoring system will be established to track compliance and foster greater transparency.

Capacity-building efforts for Local Government Public Accounts Committees (LGPACs), secretaries, and District Internal Auditors (DIAs) will be intensified. This will include targeted training programs and the provision of necessary resources to strengthen oversight and financial management.

Barazas (community engagement forums) will be coordinated across local governments to promote active citizen participation. These forums will be structured to ensure that local communities have a platform for dialogue, influencing policy and decision-making.

### LoCAL Facility:

The LoCAL Project aims to adapt its interventions across various districts, including Kasese, Nebbi, Nwoya, Zombo, Kitgum, Nabilatuk, Nakapiripit, and Bulambuli. It plans to commission completed investments in 8 districts and orient district leadership in 6 new districts under the LoCAL Facility.

### Local Economic Growth (LEGS) Support Project:

Under the LEGS Support Project, 8 water schemes will be constructed in the districts of Katakwi, Kibuku, Ntoroko, Nakaseke, Kumi, and Gomba. Additionally, 5 agro-processing facilities will be completed in Alebtong, Bunyangabu, Katakwi, and Nakaseke. The project also includes rehabilitating 50 km of community access roads in Bunyangabu and Kabarole, as well as constructing 4 shared solar mini-grid systems in Kabarole, Nakaseke, Gomba, and Ntoroko.

### Rural Development and Food Security in Northern Uganda (RUDSEC):

The RUDSEC project will rehabilitate 324.4 km of community access roads in Agago, Lamwo, Pader, Lira, Oyam, Dokolo, Kaberamaido, Soroti, and Serere. It will also design 153 km of batch 2 CARs in these same districts and conduct Environmental and Social Impact Assessments (ESIA) for batch 1 CARs. Additionally, 9 rural markets will be designed and constructed across the mentioned districts.

### Markets and Agricultural Trade Improvement Project 3 (MATIP 3):

MATIP 3 will review and prepare designs for 8 markets in Nebbi Central, Nyahuka Town Council, Iganga Central, Bugiri Central, Mpigi Central, and Masindi. The project will validate vendor registers for each urban council, procure a consultant for value addition facilities, and hire 9 project staff, including engineers, finance specialists, community development specialists, and drivers. It will also prepare 8 temporary relocation sites for vendors and set up office spaces with necessary office furniture, computers, and vehicles. A project baseline study report will be prepared, and a national launch workshop will be organized.

## VOTE: 011 Ministry of Local Government

Administrative and Support Services will be facilitated to ensure smooth operations and effective service delivery. Performance Improvement Plans will be developed for 32 of the least performing local governments (LGs), and follow-up on the implementation of LGPAC (Local Government Performance Assessment Committee) recommendations will be conducted in 10 LGs.

Additionally, 300 copies of the LGPAC guidelines will be printed and distributed to local governments to enhance their capacity in governance and service delivery. Thirty District Local Government Performance Assessment Committees (DLGPACs) will be trained and equipped with the LGPAC tool in selected regions across the country.

Furthermore, 10 local governments will be monitored and supervised on Health Chain Activities, with selection from various regions to ensure comprehensive coverage. Emphasis will be placed on supporting and ensuring compliance with laws, regulations, and policies to promote effective and efficient service delivery.

Finally, hands-on training will be conducted for 8 selected local governments on the implementation of reservation and preservation schemes to strengthen environmental management and urban planning.

### Programme Intervention: 170405 Coordinate the RDP Programme

## VOTE: 011 Ministry of Local Government

The RDP plans to conduct two (2) joint monitoring visits to assess and oversee the implementation of various projects under the programme. Additionally, quarterly progress reports will be prepared to document the achievements, challenges, and lessons learned during the reporting periods.

To enhance accountability and track progress, the team will coordinate the development of performance reports for the RDP Programme.

In preparation for future planning, the team will draft the Budget Framework Paper for the Regional Development Programme for the financial year 2026/27. Furthermore, an annual performance report will be produced to provide a comprehensive review of the programme's overall achievements and impact over the year. To conclude, a review meeting for the RDP Programme will be held to reflect on the performance, share insights, and identify areas for improvement.

Over the medium term, the RDP plans to enhance its monitoring and evaluation frameworks by increasing the frequency and scope of joint monitoring visits, incorporating advanced data collection tools, and fostering stakeholder engagement to ensure effective oversight. The programme will institutionalize reporting systems through the digitization and standardization of quarterly progress reporting, improving timeliness and data-driven decision-making. A centralized performance management system will be developed to track key performance indicators across projects, enabling proactive responses to challenges. Building on the Budget Framework Paper for FY2026/27, the RDP will adopt a medium-term expenditure framework (MTEF) to align multi-year financial planning with national development priorities. Annual performance reviews will evolve into multi-stakeholder forums to inform strategic adjustments and ensure the programme addresses emerging regional needs. Additionally, knowledge-sharing platforms such as workshops, training sessions, and best-practice exchanges will be institutionalized to enhance the capacity of implementers and stakeholders. These efforts aim to strengthen operational efficiency, improve accountability, and deliver sustainable development outcomes.

20 LGs Supported and trained in Local Revenue enhancement initiatives selected from all regions aimed at improving Local Revenue management.

Support and Training in Local Revenue Initiatives: Continue expanding capacity-building programs by supporting and training LGS y across all regions. These initiatives will focus on improving local revenue collection systems, broadening revenue sources, and fostering sustainable management practices.

Strengthening Financial Management and Accountability: Identify and target financially weak local governments each year, providing tailored interventions to strengthen their financial management structures and accountability systems. This will include technical assistance, mentorship, and tools for better financial reporting and compliance.

Scaling Up Revenue Enhancement Programs: Train and support LGs per year in revenue enhancement initiatives, selecting a diverse group from various regions. The focus will be on innovative strategies for revenue generation, capacity building for staff, and leveraging technology to improve efficiency in revenue management.

# VOTE: 011 Ministry of Local Government

An Annual and Bi-annual PDM Status report will be prepared to track the progress and impact of program implementation across Local Governments. This will provide evidence-based insights for decision-making and policy adjustments.

Supervision of 135 DLGs, 10 cities, and 31 municipalities on the PDM will be undertaken to ensure compliance with guidelines and resolve implementation challenges.

The operations of DPM SACCOs and Parish Development Committees (PDCs)/Ward Development Committees (WDCs) will be inspected in 135 DLGs, 10 cities, and 31 municipalities. These inspections will strengthen accountability and improve service delivery.

Quarterly monitoring and political supervision of PDM will be conducted to ensure alignment with national priorities.

Quarterly audit field visits will be conducted on PDM to assess the proper utilization of resources and adherence to financial management guidelines. This will help in mitigating risks of misuse.

Quarterly meetings under Pillar 7 of the PDM framework will be held to evaluate progress and address cross-cutting issues affecting implementation. These forums will also enhance coordination among stakeholders.

Four (4) Regional engagements will be organized to support the implementation of PDM. These engagements will focus on building capacity and addressing region-specific challenges.

Selected DLG councils experiencing implementation challenges will be trained on their roles in the PDM process. This will empower them to contribute effectively to achieving the program's goals.

Local Economic Development Implementation Committees (LEDICs) will be trained on the PDM to enhance their capacity in facilitating economic activities at the grassroots to support the development of sustainable community projects.

LG officials will be trained to develop Area Economic Profiles and Investment Profiles to guide investment planning and Resource Mobilization at the Parish level.

2 Exchange visits for Parish Chiefs and Ward Agents organized

The PDM emphasizes transparency through regular audits, inspections, and status reports, ensuring proper resource utilization and financial compliance. This builds stakeholder trust and facilitates continuous program improvement through a reliable feedback system.

Regular supervision and quarterly reviews help identify operational challenges and ensure alignment with national development goals. These insights refine the program, ensuring activities are responsive to community needs and contributing to PDM objectives.

The PDM strengthens collaboration through quarterly coordination meetings and regional engagements, fostering partnerships between local governments, SACCOs, and other stakeholders. This unified approach enhances resource sharing and sectoral synergies, improving the model's effectiveness.

Ongoing training equips local officials and stakeholders with essential skills to drive economic activities and develop local economic profiles. This capacity development ensures stakeholders can implement and sustain the PDM's initiatives long-term.

Peer learning through exchange visits and regional expansions allows stakeholders to share best practices and learn from each other's experiences. These efforts, along with other strategies, ensure the PDM remains adaptive and sustainable.
