## Variances and Challenges

- i) Inadequate Committee and Office Space for Members of Parliament as a result of slow progress of the Construction project of the new Chamber
- ii) Delayed and/or inadequate responses from the cabinet/MDAs to the Questions and concerns raised by Members during plenary and Committee meetings.
- iii) Lack of developed integrated data generation systems which caused delays in production of performance monitoring reports
- IV) Low response of the public during bill consultation process
- v) Inadequate ICT equipment and services to effectively and efficiently support business processing in Parliament and ease access to information by various stakeholders
- vi) Lack of integrated ICT tool to ease Monitoring and Evaluation processes
